WORLD'S CHAMPIONSHIP SERIES OPENS TOMORROW

Athletics and Giants both have Able Leaders--Attendance Figure Expected to be Equalled--Members of Winning Team Will Get at Least \$2,500 Each

New York, Oct. 13.—The crowning event of the professional baseball season is at hand. At two o'clock tomorrow afternoon McGraw's Giants, champions of the National League, and Connie Mack's Athletics, winners of this year's pennant in the American League, will march out on the field at the Polo Grounds to play the first game in the series of the world's championship. For the greater part of the coming week these two leading teams of the country will be engaged in a nerve-racking grapple, the games alternating daily between this city and the City of Brotherly Love.

A big question mark symbolizes the real situation as regards the results of the series. In the mind of the real baseball fan, however, there appears to be no question as to how the series will go. The real fan is convinced that his favorite team will win. The Philadelphia fan can furnish convincing reasons why the Athletics are sure to capture a majority of the series of seven games and the New Yorker can furnish reasons none the less logical why McGraw's hustlers should walk off with the rich plum.

There is not a great deal of satisfaction in comparing the two teams individually, for baseball luck, team play, spirit and watchfulness to make the most of emergencies as they arise will play a big part. If there is any one department in which strength is an essential, it is in the pitching department. Mathewson and Marquard are likely to do the bulk of the pitching for the New Yorkers, with several good ones to fall back on, while Coombs and Bender are likely to be Mack's mainstays in the box.

FIRST CLASS MANAGERS.

Each team has a first-class manager. McGraw and Mack are both able generals, and each can be depended on

ATHLETICS' MONEY IS GOING UNCOVERED

Philadelphia, Oct. 11.—New York money for wagers that the Giants will beat the Athletics in the coming series is scarce here. Many thousands of dollars are offered in various amounts and in pools that the present World's Champions will report this year, but it remains uncovered.

Michael Mack, a brother of the manager of the Philadelphia team, also has \$7000 which he is commissioned to wager even that the Athletics will win.

JOHN GANZEL SIGNS TWO YEAR CONTRACT WITH ROCHESTER

Rochester, N. Y., Oct. 11.—John Ganzel, manager of the Rochester Eastern League champions, this morning set at rest report to the effect that he was to manage the New York Americans next year by signing a contract with the Rochester club owners for two years, with an option on his further service.

ST. JOHN TO PLAY MT. A. AT SACKVILLE

The St. John Harriers' Rugby team will probably play Mt. Allison at Sackville tomorrow. Churchill formerly of Dalhousie has been elected captain of the St. John team.

The team is to meet Mt. Allison will be picked from the following: DesBrisay, W. Malcolm, H. Howard, Churchill, Clarke, Tully, Keefe, Simms, C. Malcolm, Doyle, Brooks, March, Smith, Shaw, Turner, LeLacheur, Climo and Kerr.

BASEBALL NOTES

New York, Oct. 13.—Among the Eastern colleges few important football games are scheduled for decision tomorrow. Nearly all of the bigger teams will line up against weaker opponents so that the games will be little more than practice matches for the important contests later in the season. Yale will play Virginia Polytechnic at New Haven, Harvard will meet Williams at Cambridge and Pennsylvania will play Villanova at Franklin Field. Princeton will have Colgate for an opponent and Brown will meet Bowdoin.

to get the best work out of his men. But the issue will be decided mainly by the players themselves, for managerial ability is a less important item in a short series. The Giants have an off-hand aggressive method of playing, while the Athletics are in the habit of working every man to the limit.

Probably no series that has ever been played in baseball will attract the attention this one will, and undoubtedly no series, the weather being suitable, will equal it in attendance. Something like 200,000 people will probably pay from \$1 to \$50 each to see the series of games. No more striking evidence of the wonderful increase in the popularity of the American game can be given than by comparing these figures with those of 1884, when less than 5,000 people paid from 25 to 50 cents each to see the Providence team of the National League, and the Metropolitans of the American Association, play for the first world's championship.

A BIG MELON.

If the attendance is up to expectations the receipts for the series, if it extends to five or six games, will certainly run up close to a third of a million of dollars. What a time the Giants and Athletics will have when this great financial melon is sliced. The gross receipts will be divided as follows: Ten per cent. of the receipts of all the games will go to the National Commission. Sixty per cent. of the remainder from the first four games will form a pool for the players of the two teams, to be divided 50 per cent. to the winner and 40 per cent. to the loser of the contest. After the 10 per cent. deduction for the commission and the 60 per cent. which forms the players' pool from the first game, the remainder of the gross receipts will be divided equally between the two clubs. At the time fixed for the series the winning players are pretty sure of making a take-off of at least \$2,500 each.

The players eligible to share in the rich prize are, by announcement... of the commission, the following: New York—Murray, Becker, Devore, Merkle, Snodgrass, Fletcher, Doyle, Devlin, Mathewson, Wiltse, McGraw, Latham, Marquard, Crandall, Ames, Meyers, Wilson, Herzog, Deucke, Hartley and Paulette.

Philadelphia—Thomas, Strunk, Oldring, Plank, Murphy, Melms, Morgan, Martin, Lord, Livingston, Lapp, Krause, Hartsel, Derrick, Danforth, Davis, Coombs, Collins, Bender, Barry and Barker.

The umpires selected to officiate are William J. Klem and William Brennan, representing the National League and Thomas J. Connelley and William Dineen, representing the American League. Francis C. Ritchie and J. G. Taylor Spink are designated as official scorers.

All games will begin at 2 o'clock, and will be attended by the members of the National Commission and its secretary. The official ball of the National League will be used in the games in New York and the American League's official ball in games in Philadelphia.

U.N.B. RUGBY TEAM PRACTICALLY CHOSEN FOR SATURDAY GAME

Maiman Will be Used at Full-back--Coach Church to Make Final Selection Tonight

The U.N.B. team will get its first tryout of the season against Fredericton City tomorrow afternoon. The exact makeup of the teams is not yet known. The U.N.B. team will be finally selected this evening by Coach Church that official as announced by The Mail some time ago has insisted, on accepting the position, that he be given entire control of the team and power to select the men to compose it. The majority of the places on the Red and Black team however, have already been filled.

OLD SCRIM FORMATION

In the matter of scrimmage formation "Babe" Church has gone back to the good old-fashioned two-line scrim with a "port" in the second line. He thinks that it will work as well as any other. Tomorrow the U. N. B. front line will be Capt. Ixson, Lynch, Jewett and Duke, Melrose and O'Halloran will be in the second line with Parker, Vavasour Patterson and Duguay fighting it out for the remaining two places. Bender will be one of the quarters sure and the choice is between Murphy and Loggie for the other place behind the "pack."

MAIMAN FOR FULL-BACK

The half-back will be composed as it has been in practice, Willis and Balkan, outside and Frank McGibbon and Harold Murray in the inside positions. Maiman will play full-back as far as is known now. Those who have been picking him for the quarter position have evidently been a little off in their calculations. Charley Barry is a possibility for full-back tomorrow but it seems almost certain that Maiman will be the man.

THE FREDERICTON TEAM

The composition of the City team is not settled yet. The forwards will probably be Day, Wandless, Deddes, Peacock, Clark, Coy, Brown and Chappell. Olynick, Jennings, Mackay and Burden are mentioned for the quarter back position. McAdam, Coleman, Rutter, Hoben and others will probably form the rest of the back-field. Prof. Stephens who was expected to play forward for Fredericton team has retired from the game and Fraser Hazlett is out on account of sickness.

BATTLING NELSON AN EASY WINNER

New York, Oct. 12.—Batling Nelson won handily last night in a ten round bout from "Willie" Beachy, a local lightweight who twice defeated Knockout Brown.

Oakland, Cal., Oct. 13.—Mayor Mott and a committee of leading citizens received President Taft upon his arrival in Oakland this afternoon. Through thoroughfares decorated with flags and bunting the President was escorted to Fourteenth and Washington streets, where he presided and delivered a short address at the laying of the corner-stone for the new city hall.

SYNOPSIS OF CANADIAN NORTH-WEST LAND REGULATIONS.

ANY PERSON who is the sole head of a family, or any male over eighteen years old, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency for the district. Entry by proxy may be made at any agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

Duties—Six months' residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least eighty acres, solely owned and occupied by him or by his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in good standing may pre-empt a quarter section alongside his homestead. Price \$3.00 per acre. Duties—Must reside upon the homestead or (including the time required to earn homestead patent) and cultivate fifty acres extra.

A homesteader who has exhausted his homestead right and cannot obtain a pre-emption, may enter for a purchased homestead in certain districts. Price \$3.00 per acre. Duties—Must reside six months in each of three years, cultivate 40 acres and erect a house worth \$200.00.
