A NATIONALIST VICTORY

The following extract from an Ottawa Despatch going the rounds of the Tory press ought to be pleasant reading to the electors of ultra-Protestant sections of York who worked so hard during the recent election to down Laurier:

"The work of cabinet-making was not completed until almost midnight. THE PROTEST OF THE FRENCH NATIONALISTS OF QUEBEC WAS VOICED BY RODOLPHE FORGET AGAINST THE PROPOSAL TO HAVE AS THE QUEBEC DELEGATION ONLY JUDGE DOHERTY, GEORGE PERLEY, L. P. PELLETIER AND F. D. MONK. THEY DEMANDED THAT THERE SHOULD BE AT LEAST THREE SUBSTANTIAL PORTFOLIOS GIVEN TO FRENCH-SPEAKING MINISTERS, AND THAT THERE SHOULD BE NO PROTESTANT HOLDING A QUEBEC PORTFOLIO. MR. BORDEN HAD FINALLY TO YIELD TO THESE DEMANDS, AND AS THE GOVERNMENT NOW STANDS THE FRENCH HAVE THE IMPORTANT PORTFOLIOS OF PUBLIC WORKS, POST OFFICE AND INLAND REVENUE, WHILE THE OTHER PORTFOLIO IS HELD BY JUDGE DOHERTY, AS THE IRISH CATHOLIC REPRESENTATIVE."

It is a wonder that such gallant defenders of the Protestant faith as Col. McLeod, Ald. Guthrie and A. D. Thomas did not take some steps to prevent Mr. Borden from playing right into the hands of the Nationalists. Had Sir Wilfrid Laurier deprived the English-speaking minority of Quebec of a portfolio in his cabinet what a terrible howl would have gone up from Tory agitators in York and other constituencies where there is a big Orange vote.

The North Shore Leader, organ of Hon. John Morrissey, referring to Hon. Mr. Hazen's call to the Dominion cabinet says: "It is saying nothing in disparagement to those applicants for portfolio plums that Premier Hazen was the most acceptable from all regards for the position." Regarding Mr. Hazen's qualifications the Leader says: "Mr. Hazen has the faculty of making friends and keeping them; he is a barrister of marked ability enjoying a well constructed private practice in addition to his official duties as attorney-general. He has many admirers who predict for him a still more brilliant career at Ottawa and the realization of still greater possibilities within his party."

Notwithstanding the fact that the Liberals had been eighteen years out of office the cabinet they formed in 1896 contained three ministers who were members of the McKenzie administration. One of these ministers retired three years ago and the others remained in office until the resignation of the government last week. The Borden administration contains but one minister, Hon. George E. Foster, who was a member of the old Tory administration and there are a whole lot of people on both sides of politics who would have been well pleased had he been left out.

A few months ago Tory papers were denying that Mr. Monk was the leader of the Quebec Conservatives. What have they to say on the subject now that he is minister of public works in the Borden cabinet?

Should the Liberals decide to oppose the members of the Borden cabinet when they seek re-election, it looks as if some of the latter would be made eligible for the "can't come back club."

The local Tory organ has little to say in praise of the newly formed Borden administration. It will probably take two or three more trips to Ottawa to bring the organ around all right.

Hon. Bruno Nantel, minister of inland revenue in the Borden cabinet, has been described by a French paper as one of the most obscure of parliamentary mediocrities.

Toronto Tories are kicking up a big row over the appointment of Mr. W. T. White of that city, to the Borden cabinet, and promise to follow him to his constituency and defeat him.

The people of New Brunswick did not vote to swap Hon. William Pugsley for Hon. J. D. Hazen. It was the voters of Ontario who made the trade for us.

It is now said that Mr. Slipp, taking his cue from the recent municipal elections has wisely decided to have nothing more to do with the Quebec-Sunbury recount.

Ex-Premier Hazen, whose promotion to the Dominion cabinet is said to have been due to society influence, should have a pretty swell time of it at Ottawa during the coming winter.

Canadian hay is selling in the Boston market at \$24.50 and \$25.50 per ton. In Fredericton it remains quite firm at \$8 and \$9 per ton.

New Brunswick potatoes are in fair demand at \$1.50 per barrel. On the American side of the line the price is \$2.25.

Hon. John Morrissey, chief commissioner in the Hazen government, says that reciprocity is bound to come. The Hon. John is right.

The Moncton Times is boosting Mr. R. W. Hewson, barrister of Moncton for the office of Solicitor-General.

About the only York County Tory who has expressed approval of the Borden Cabinet is Mr. R. B. Hanson.

The Tories of York do not seem to be carried away by the personell of Hon. Mr. Borden's Cabinet.

York County Tories don't appear to enthuse worth a cent over the new Minister of Marine and Fisheries.

The Ontario Legislature will be dissolved in a few days and a new election held early in December.

The superstitious will not forget that the new governor general was sworn in on Friday, Oct. 13th.

MONCTON HAS NEW MASONIC LODGE

Moncton, Oct. 14.—Last evening Grand Master H. S. Bridges assisted by other grand officers instituted Tweedie Lodge, F and AM of this city. It starts out with a large membership.

Daniel Cronan employed in the I.C.R. shops died at his home, here last night.

GEORGETOWN, P. E. I. MAN SUICIDES

Charlottetown, P. E. I., Oct. 13.—John A. McDonald, of Gagetown, committed suicide yesterday by hanging. Mr. McDonald left his home at 10 o'clock yesterday morning, his family, thinking he had gone to Annapolis in his boat, as was his custom. It was learned, however, that he had not gone there and his friends becoming uneasy, organized a search. At noon his lifeless body was found suspended from one of the beams in a warehouse used as a boat house on Water street, near the railway station. It was noticed that for the past few days he had been acting strangely and it is believed that while his mind was thus temporarily affected the deplorable occurrence took place.

Mr. McDonald was at one time a telegraph operator in Montague, but for many years he has resided at Gagetown, where he generally followed the sea, being engaged in fishing. He was past middle age, and leaves a widow, one son and two daughters.

Mr. Widdows—What fine dark hair you have, Miss Knox. My wife who is younger than you are, has her hair quite grey.

Miss Knox—Yes, and if I'd been your wife no doubt my hair would have been grey, too—Boston Transcript.

THE STOCK MARKET BUOYANT TODAY

New York, Oct. 14.—Dow, Jones & Co., in their circular, say:

"The Chinese revolt threatens the empire. American stocks in London are steady. Low Steel prices indicate reduced steel earnings. International committee of steel makers reported to have rejected Gary's plans. American Tobacco plan expected on Monday. Tobacco bonds sales on exchange yesterday exceeded \$3,000,000. Banks lost over \$4,000,000 in cash in the week's currency movement. U. S. court at Baltimore decided the bath tub trust illegal.

General conditions over the week show conservatism, dominating in all lines.

Small copper reports and domestic deliveries indicate large increases in stocks this month.

Twelve industrials advanced 79; 20 active railways advanced 74.

MUNICIPALITIES UNION CONCLUDES SESSION

Newcastle, Oct. 14.—The Union of New Brunswick Municipalities concluded a most successful convention Thursday afternoon.

Ald. Stuart's motion empowering municipalities to change their system of assessment if they deem it advisable, was carried and his resolution in re qualification for candidates for municipal honors was not voted on, owing, as many thought, that sufficient notice had not been given. Mayor Reilly's motion, asking the government to provide means for giving more extended advertising facilities affecting municipalities, was carried.

Coun. Cochrane's resolution, asking that the government amend the statutes to have a uniform date throughout the province for municipal elections and that the term of office be three years, passed.

St. Stephen was chosen as the next place for the next convention.

The election of officers resulted as follows:

Coun. Siddall, Port Elgin, president.

Coun. Polley, St. Stephen, vice-president.

Town Clerk J. W. McCrady, Fredericton, h. n. secretary-treasurer.

The executive will comprise the following: president, Dr. Skelton, Ald. Farrell, Fredericton; Coun. Cochrane, St. Martins; Coun. Hiltz, St. Stephen; Town Clerk Murray, Sackville; Mayor Pedolin, Newcastle; Ald. Price, Moncton; Ald. Potts, St. John; Ald. Alexander, Restigouche; Ex-Warden McMillan, York, and Ald. A bill has been placed before the Norwegian Parliament providing that no marriage shall be performed unless the prospective bride has previously obtained a certificate attesting a satisfactory knowledge of cooking laundry and dressmaking.

Mrs. Woodrow Wilson who has been going about with her husband examining the institutions of the State of New Jersey, is only carrying out as the wife of the Governor the same policy she employed when her husband was president of Princeton. PRETTY WEDDING AT PRESQUE ISLE

Presque Isle, Me., Oct. 14.—One of the prettiest weddings ever seen took place at the home of Dr. and Mrs. S. W. Boone Wednesday morning, Oct. 11th, when their eldest daughter, Annis May, was united in marriage to Mr. George Reed Cook, of Waterville.

Promptly at 8:20 the strains of the wedding march, played by Miss Mildred Cook, sister of the groom, were heard, and the little ribbon bearers, Katherine Pipes and Eugene Griffiths, the latter the little cousin of the bride, entered, followed by Miss Margaret Boone, the sister of the bride, as maid of honor. The bride entered on the arm of her father, and was met by the groom and best man, Mr. Carl Cook, under a beautiful arch of evergreen and white pine. The double ring service was impressively performed by Rev. Parker C. Manzer, rector of St. John's Episcopal Church, of which the bride is a communicant.

The ceremony was witnessed by about forty relatives and intimate friends of the bride and groom, and at the reception, held from nine until eleven, many more came to offer congratulations and good wishes. The bride was beautifully gowned in satin striped marquisette over silk cut et train and with trimmings of Duchess lace. She wore a tulle veil and carried a prayer book. Miss Boone, the maid of honor, and Miss Cook, the pianist, wore yellow messaline, while little Miss Pipes was daintily robed in white.

The presents were unusually numerous and valuable, and spoke volumes for the affection felt for the young couple, who start upon their new life under such happy auspices. Mrs. Cook is a graduate of Presque Isle High School, class of '08, and later attended Acadia Seminary, Wolfville, N.S. Possessed of a sweet and sunny disposition, she is popular not only with the young people, but with the older ones as well, and all regret that she will not continue to make her home here.

Mr. Cook is a civil engineer by profession. After a short trip, Mr. and Mrs. Cook will make their home in Waterville, where Mr. Cook has a fine position.

Among the out of town guests were Mr. and Mrs. Bird of Woodstock, N. B.; Mr. and Mrs. R. H. Boone of Fredericton, grandparents of the bride; Mr. and Mrs. Moses Burpee, of Houlton.

(The bride is a granddaughter of our respected townsman, Mr. R. H. Boone, J.P.)
