AUSTRALIAN

NORTHERN UNION TEAM'S GREAT WORK

Professionals from Antipodes Bid Fair to Rival All-Blacks of New Zealand

British newspapers are loud in their praise of the Australian Northern Union Football team, which is now touring England, playing clubs of the Northern Union which play a professional game very similar to Rugby. It is said the team bids fair to rival the famous "All Black" New Zealand Rugby team, which several years ago visited England and introduced the new features into the game, the chief being the 2-3-2 scrimmage, and the "loose forward" or "stand-off half" as he is called in England.

DEFEATED LANCASHIRE.

The Australians a week ago Monday defeated Lancashire, 25 to 13. The Mail has the following account of the game.

The Australian Northern Union tourists on Monday won their fourth match in succession, when on the splendid ground of the Blackburn Rovers Club they defeated a strong Lancashire team by 5 goals, tries, (25 points) to 3 goals, 2 tries, (13 points.)

A GREAT TEAM.

There can be no two opinions about the Australians. They are undoubtedly a fine side—a side that plays better each time it goes on the field, and a side that will win nine out of ten matches. The stronger the opposition the better the men seem to play, and unless they are very unlucky in the matter of injured players they promise to be nearly as attractive as the first team of "All Blacks."

It was a splendid contest in the first half, followed by an interesting, if not so brilliant, second half. The pace was extremely fast from start to finish, and the crowd of over 5,000 spectators, who paid £266, evidently thoroughly enjoyed the sport, particularly as there was an almost entire absence of roughness. There was quite a number of penalties given against the Australians, mostly for off-side and not playing the ball, but there was none of that extreme violence which marred the game at Broughton on Saturday.

GREAT IN THE LOOSE.

Victory went to the better-balanced side. Not quite so strong as their opponents in the scrummages, the Australians were immeasurably superior as soon as the ball became loose. The forwards not only got possession fairly well, but slung the ball about like three-quarters, while the full-backs and the half-backs followed up and the full-backs played a fine game. Courtney was the particular star, being always right on top of the ball, and it is quite astonishing how Francis pops up when within striking distance of the line and there is a chance of scoring. Sullivan and McMurtrie, too, play a fine game, and altogether the pack possesses astonishing pace and cleverness. They go at top speed from start to finish, and while teams like Halifax and Hunslet may beat them in the tight we do not know a side in the Northern Union that can compare with them in the loose.

At half-back W. Farnsworth was at all times in defence and attack. His only fault was in perhaps trying to go through on his own a little too often. Holloway played much better than against the Rangers, but he is nothing like so good as McKivat, who is still absent through an injury. McKivat and W. Farnsworth fit and well the Australians need not worry about the half-back positions.

MCGILL BASKETBALL

TEAM TO TOUR STATES

Montreal, Oct. 13.—A general meeting of the McGill Basketball Club was held yesterday at Strathcona Hall. Mr. E. M. Seale was appointed assistant manager. The inter-year matches will be played off before Christmas. It is determined to send a team to the United States towards the end of November.

The prospects for the Intercollegiate honors are bright. Three of the old team are back. Tony Douglas, Calder and Duff, and three of the freshmen from British Columbia are very fast. Practices will be held every Monday, Wednesday and Friday from this date.

The officers of the club have been chosen as follows:
President, E. F. Thomson.
Vice-President, C. M. Duffield.
Secretary-Treasurer, G. L. Kennedy.
Manager, C. D. Calder.

You will always find that you will have to be the maker of your own miracle.

GIANTS AND

ATHLETICS IN BEST OF TRIM

McInnis of Philadelphia an Exception Biggest Crowd on Record Expected this Afternoon

New York, Oct. 13.—With the stage set and the curtain about to be raised on the final act of a season of memorable baseball, the night before news of the series for the world's baseball championship between the Philadelphia Athletics and the New York Giants may be epitomized as follows:

Both teams are in New York for the first game. All of the forty-five eligible players are reported to be in fine fettle, with one exception. The exception is First Baseman McInnis, of the Philadelphia club, whose injured wrist is likely to keep him out of the game.

Pitchers were not chosen tonight, or if they were neither manager would tell his choice.

ROW AMONG FANS.

Tickets to the series, though still to be had, are mainly in the hands of speculators who are charging exorbitant prices. The disclosure that the speculators had obtained great blocks of the tickets precipitated a tremendous row among the fans.

Vague charges were made of mail robbery in connection with the ticket scandal. All is ready at the Polo Grounds for a crowd of nearly 60,000 persons, the largest that ever saw a baseball game.

So determined were some that they formed in line at the grounds late this afternoon, intending to eat and sleep at the gate until admitted tomorrow. Two hundred strong armed policemen, fifty mounted officers and a large number of detectives have been assigned as a special force to handle the big crowd.

The gates open at eight o'clock in the morning and the police and hundreds of the ground employees have been ordered to be on hand half an hour earlier than that.

The police look for trouble, as they have to arrest the ticket scalpers. It was rumored late tonight that hundreds of counterfeit tickets were in circulation.

Betting continues feverishly an even thing. Many Philadelphia supporters gave odds of 9 to 5.

LIKELY LINE-UP.

New York—Devore, left field; Doyle, second base; Snodgrass, centre field; Murray, right field; Merkle, first base; Herzog, third base; Fletcher, short stop; Myers, catcher; Marquard or Mathewson, pitcher.

Philadelphia—Lord, left field; Oldring, centre field; Collins, second base; Baker, third base; Murphy, right field; McInnis or Davis, first base; Barry, short stop; Thomas, catcher; Bender or Coombs, pitcher.

Umpires—Choice of two from Klem and Brennan, of the National League, and Connolly and Dineen, of the American League.

Plain chignons and satins and crepes are still used a great deal, but they are very often combined with tones of the new and exceedingly rich and gorgeous materials used for dressy gowns. The keynote of the season seems to be richness. There are plenty of demure frocks and coats and hats that are chic as well as demure, but wherever one turns one is struck by this note of extravagant elegance.

TWO RUGBY

GAMES BEING PLAYED THIS AFTERNOON

Fredericton and St. John High Schools at Scully's Grove—U.N.B. Team Shows Some Changes

The team finally chosen by Coach "Babe" Garcia to represent U.N.B. in today's game with Fredericton City is rather different from what was expected. The coach, however, has the full power of selection and it is up to him. The Red and Black teams, as chosen, is as follows:

Forwards—Capt. Dixon, Lynch, Patterson, Duke, Melrose, Jewett, O'Halloran, Duguay.

Quarters—Machum, Bender.

Halves—Willis, McGibbon, Maiman, Balkam.

Full Back—Barry.

Spare Forwards—Parker, Vavasour.

Spare Backs—Ott, Asker.

The composition of the Fredericton City team is to be definitely decided upon just before the teams go on the field at four o'clock.

INTERSCHOLASTIC GAME.

Fredericton, and St. John High Schools are playing in the interscholastic series at Scully's Grove this afternoon, the game beginning at three o'clock. The St. John High School team arrived this morning and registered at the Barker House. The team's probable line-up this afternoon is:

Full Back—McQuade.

Halves—Milledge, McDonald, Anglin, McKee.

Quarters—Nugent, Machum.

Forwards—Gorman, Evans, White, Sinclair, Smith, Campbell, Callahan, Markham.

MT. ALLISON AND ST. JOHN PLAY AT SACKVILLE

Sackville, N.B., Oct. 13.—The line-up of the Mount Allison University football fifteen for Saturday's game with the St. John Harriers here will be as follows:

Full—Barter.

Halves—Smith, Bedford, Grant, Godfrey.

Quarters—Dickenson, Backley, West.

Forwards—Toombs, Titus, Parker, Ripley, Woodman, Tompkinson, Peters.

The St. John men will line-up as follows:

Full—DesBrisay.

Halves—Howard, Schofield, Jennings, Churchill.

Quarters—Malcolm, Simms.

Forwards—Shaw, Turner, Brooks, Coughlan, Buckley, Dow, March and Frazer.

Purple is much in evidence this season and when one says that it is frequently combined with red one may give an idea of something startling. It must be understood however that the favorite purple is a very deep reddish tone, like the darkest shades of the big single California violets, and the red so often used with it is a lovely fruity red on the fuchsia or berry tone. The two are charming together the red being usually softened by veiling in purple chiffon or net. These are delightful combinations of purple and gold which hold no hint of the spectacular.

We all like to be good to ourselves but don't always know how.
