MARATHONS BEAT PETS 6 TO 0 IN MORNING

The Marathons shut out the locals this morning in a farce game at Scully's Grove by the score 6-0. Larry Conley started out to do the twirling for Fredericton but as he has not been used in this department since he came here a couple of years ago, he was naturally wild. He issued three passes and was touched for three hits in one and one-third innings before being replaced by Duggan. The latter had excellent control and kept the Marathons well in hand, only three hits being made off him in the seven innings in which he was on the mound. One earned run was also made off him. A three-bagger by McGovern and a sacrifice hit by Winter doing the trick. The Marathons played errorless ball, and deserved to win. Winter in the box was the unanswerable problem and held the locals to six scattered hits. L. Conley had a chance to score in the second on Hoyt's right field hit, but passed up the opportunity. Larry, however, was without pals, owing to his working in the box, and did not feel equal to a slide to the plate. Ganley contributed a three-bagger in the sixth, which came near bringing in a tally, but Fraser pulled down Duggan's long drive to deep centre and our only chance of scoring was ended. Only two locals reached second and but one got round as far as third.

Two doubles somewhat relieved the situation from a spectator's standpoint. Pinkerton made a brilliant catch of a short right field fly off Hannah Hoyt's bat in the seventh and doubled up Larry Conley at first, while Keaney and Red Wildes were the live performers in a fast double in the sixth.

Evans umpired a thoroughly satisfactory game and had the game and players well in hand at all stages.

The Marathons will play here again this afternoon when Harrington and Fitzgerald will be the battery for Fredericton, and McGovern will be at the receiving end for St. John, with either White or Winkler as the box artist. The game is billed to start

at 4 o'clock and should be an interesting contest.

After the regular league game the Jubilees of 1887 will be the star performers in a five inning game, with a team captained by "Chipper" Hatt.

The box score was:

CROWDS GREET THE ROYAL VISITORS

Glouce Bay, N. S., Aug. 5.—This town did itself proud today when its citizens turned out to greet the vice-regal party and gave them a most enthusiastic demonstration.

So dense was the crush that several women and children fainted and had to be borne away through lanes momentarily opened up in the throngs. Prior to the arrival of the royal train great excitement reigned when a horse became unmanageable and breaking away, plunged through the crowds. One lady was badly injured.

Accompanying the royal party were John S. McLennan, M. J. Butler, J. H. Plummer and D. H. McDougall of Sydney.

That the Duke, the Duchess and Princess are beginning to feel the strain of strenuous sightseeing there can be no doubt. The Duchess especially looked worn and tired.

Louisburg was visited and the special arrived back in Glouce Bay at five o'clock. Not the least interesting sight on the line was the Marconi towers near Morp. This morning was spent at the Sydney steel plant. Tomorrow the royal party leave for St. Ann's on a fishing trip. This completes the eastern Maritime end of the tour.

ITALIAN WAS SHOT IN BAWDY HOUSE

Montreal, Q., Aug. 8.—Phorne French, an Italian, who accompanied two policemen in plain clothes to a suspected disorderly house in Dumont Street, Ville Emard late last night was shot in the head a few minutes after entering the premises. The bullet cut a furrow in his forehead above the right eye, but did not penetrate the skull. @ After the wound had been dressed at the hospital, French said that there were fifteen men and two women in the house, when he brought the policemen there, but when the house was raided by Captain Sauve of the Ville Emard Police station immediately following the shooting only two women were found in the place.
