MAGEE SMASHED UMPIRE FINNERMAN AT PHILADELPHIA

Player Declared Out on Strikes Got Sore and Was Ordered Out of Game.

Philadelphia, July 11.—In the third inning of yesterday's game between the Philadelphia and St. Louis Nationals, Sherwood Magee, left infielder of the home team, left fielder of the home team, made an assault upon umpire Finnerman. The latter's lip was split and he was compelled to go to a hospital to have it sewed up.

In the second inning, Magee protested vigorously when he was called out by umpire Rigger while trying to steal second base. In the next inning Magee was called out on strikes by Finnerman. Magee threw his bat into the air and started away from the plate. For this exhibition of disrespect of the umpire's judgment, Finnerman ordered him to the clubhouse. Magee turned and rushed at Finnerman, who stepped toward the player. The men clinched for a second. Then Magee stepped back and, pushing Finnerman away, shot out his left with full force. The blow landed on Finnerman's mouth and he fell to the ground.

UMPIRE AFTER PLAYER

A score of players ran to the spot with assistant umpire Rigger. Finnerman got to his feet with blood flowing from the gash in his lip and made a rush toward Magee, but he was held by the players. Magee walked to the home team's bench, but Finnerman broke away from the players. Rigger ran after him and at the bench Finnerman had to be again forcibly restrained from attacking the left fielder.

Magee says that the assault was provoked by Finnerman calling him an offensive name when he was ordered off the field.

Finnerman denies that he called Magee any names. "I simply told him to get out of the game," said Finnerman. "I will leave it to Roger Bresnahan, who stood near and heard all that was said."

LYNCH ON SCENE

New York, July 11.—"I'll stop this sort of thing," said Pres. T. J. Lynch of the National league, when the account of the Magee-Finnerman fight at Philadelphia was read to him last night.

"I shall take the first train for Philadelphia in the morning," he continued, "to investigate this case thoroughly."

Mr. Lynch declined to discuss the merits of the arguments between Magee and Finnerman until he had heard the story of all concerned, but reiterated that an end would be put to such fights, however drastic measure should be necessary.

"It is because Finnerman is a new umpire; they just won't let these new umpires get along," the league president exclaimed.

Finnerman is an Eastern league umpire of five years' experience, who was added to the National league staff this year.

CLASS A RATING VERY MUCH EXTENDED

See Farrell has sent out a bulletin showing that according to the last government census the following baseball organizations are entitled to class A rating: American Association, Eastern League, Southern Association, Pacific Coast League and the Western League. (Special concurrent ruling.)

JOE WOOD ALMOST EQUALLED LEAGUE STRIKEOUT RECORD

Waddell and Glade Hold it—National League Record is 21, Made in 1883.

In that one-hit game that Joe Wood pitched for the Red Sox against the St. Louis Browns, and in which the Kansas City boy struck out 15 of the opposing batters, he barely missed equaling the American league's record for strikeouts in a nine-inning game. The record is 06, and is held by two pitchers. Only 8, 1904, Glade of the Browns fanned 16 Washington batters; and on July 29, 1908, "Rube" Waddell, pitching against his old team-mates, the Athletics, retired the same number. The National league record for strikeouts is 21, and has been on the board 28 years, for it was in 1883 that Chas. Sweeney of the old Providence Grays had a hand in putting out all except six of the Boston National league hitters in one game.

FIGHTING DICK HYLAND GOT DECISION

Louisville, July 11.—Fighting Dick Hyland was given the decision over Andy Bezenah after ten rounds of fast fighting before the Tri-City A. C. at Jeffersonville, Ind., last night. Marvin Hart refereed the bout and his decision gave fair satisfaction.

Bezenah had a shade the better of the first two rounds, but Hyland, after feeling out his man in the early stages, soon rained showers of body blows on his opponent. Hyland had a shade in every succeeding round except the seventh, when Bezenah landed several telling blows on body and face. He inflicted a slight cut over Dick's right eye, but the member was not closed. There were some in the crowd of 2000 who thought the decision should have been a draw. Hyland weighed 135 pounds and Bezenah 133½.

BASEBALL NOTES

"Bugs" Raymond is pitching for semi-professional teams around Brooklyn.

Bob Spade, the former Cincinnati pitcher, is umpiring in the Cotton States League.

Pitcher Vic Schlitz, formerly of the Athletics, is twirling fine ball for Indianapolis.

Pitcher Ed Walsh, of the White Sox, stopped Ty Cobb after Ty had hit safely in forty consecutive games. Shortstop Peters of the Athletics, has been turned over to the Trenton Tri-State League team by Connie Mack.

Charley Comiskey denies the report that Manager Hugh Duffy of the White Sox, is slated to receive the pink slip.

Russell Ford has never been beaten by the Boston Red Sox in the three years he has been pitching for the Highlanders.

National League players will have to go some if they keep Honus Wagner from copping the batting honors for the season.

The Cleveland "Naps" have beat the Athletics and the Boston Nationals, but to date won a game from the Cubs.

The St. Louis Cardinals have been shut-out but once this season. The Cubs hold the honor of blanking Bresnahan's crew in the game played April 23.

Clyde Engle, of the Boston Red Sox, has been up against it this season. "Hack" has been playing in tough luck which accounts for his being benched so often.

Gregg of the Cleveland Americans, and Alexander of the Philadelphia Nationals, are the class among the young pitchers breaking into fast company this season.

The Philadelphia team is burning up the National League. Horace Fogel now has the laugh on the scribes who giggled when he was elected president of the Quakers.

President Barrow of the Eastern League, has released Umpires Rudderham, Bannon, Black and Pender. Rudderham goes to the Southern League and Pender to the Virginia League.

RING NOTES

Frank Moran, the Pittsburgh heavy-weight, is ill in Paris and will not be able to fight for several months. Knockout Brown looks to be the next boy to get a chance to show what he can do in the ring against Champion Wolgast.

Joe Jeannette wants another go with Sam Langford. The previous bouts between the two showed that Langford had it on Joe from every angle.

Woodstock, July 11.—The league game today between Calais and Woodstock was won by the visitors, 9 to 4, by their heavy hitting. The home team also did some heavy stick work in the first half of the game, driving Ryan from the box. Neptune succeeded him in the fifth and held the locals down to two hits for the remainder of the game. Fourteen hits were made off Stinson, six off Ryan and two off Neptune.

The strike outs were few on either side, but the visitors were lucky in placing their hits in safe territory, while the batted balls from the locals invariably went into the air. The visitors played a snappy game of ball. For the locals Talbot got five chances in centre field and accepted all. Wessenger and Paquette batted well and Keaney was of much strength to the team. Mayo got some difficult flies and caught a good game.
