DEMOCRATS

WILL WIN

Any Man they Select can win a Victory says Chairman Mack

The American People have made up their Minds to Oust Republicans from Office

New York, June 4—"The Democratic party has several candidates for the presidential nomination and any one of them is strong enough to defeat either Taft or Roosevelt," remarked Norman E. Mack, national chairman of the Democratic national committee while here today on a flying visit. The national chairman left tonight for Albany and after a few days up state will go to Baltimore to open his headquarters there next Monday.

"If half what Roosevelt and Taft are saying about the Republican party is true then that party ought to be indicted by the grand jury," said Mr. Mack. "This country has never witnessed such a spectacle as has been given by President Taft and Colonel Roosevelt in the last two months."

"The American people have made up their minds to kick the Republican power out of power and it doesn't make any difference whether they nominate Taft, Roosevelt or a dark or brown horse."

Senator Dixon manager of the Roosevelt campaign, before departing for Chicago this afternoon issued the following statement:

"It is not humanly and physically possible for Mr. Taft to get a majority of delegates to the convention. His campaign has collapsed. That will be seen on the first ballot. They have stolen the six delegates at large from Ohio by three card monte politics. What they have done shows the contrast between the methods of Colonel Roosevelt and Mr. Taft."

In speaking of a statement issued by William Barnes, Jr., today attacking Col. Roosevelt, Senator Dixon said: "If I were Mr. Barnes, I would not get into a controversy with a man like Theodore Roosevelt because of the existence of a certain state document—I refer to the report of the committee that investigated Albany."

REPUBLICANS

AT CHICAGO

National Committee Men Gather at the Windy City for Struggle

Roosevelt Makes a Clean-up of the Delegates in South Dakota Primaries

(Canadian Press.)

Chicago, June 5—All roads led to Chicago today so far as members of the Republican national committee were concerned. Before night a majority of the committee men as well as leaders, who came to look after the interests of candidates, for the presidential nomination were expected to arrive in readiness for the formal organization of the committee which is scheduled to be taken up tomorrow.

On Friday the committee is expected to be prepared to begin consideration of contests.

Sioux Falls, S. D.—With the principal local interest in yesterday's primary election in South Dakota centered in the race for Governor. Precinct judges gave their first attention to the count for that office with the result that less than 300 of the 1500 precincts had reported early today on the presidential preference.

These returns however, indicated that former President Roosevelt will have the whole of the South Dakota delegation to the convention and Governor Woodrow Wilson, has a good lead over Champ Clark for the Democratic delegation.

That Col. Roosevelt will have a plurality of several thousand is apparently assured. President Taft apparently will be third in the Republican race, Sen. La Follette having polled a substantial vote which is some counties exceeds that of Roosevelt.

Toledo, June 15—Governor Harmon defeated his political foes in the preliminary session of the Ohio Democratic state convention last evening by organizing the body with Geo. S. Lord of Troy, private secretary to the Governor as permanent chairman. Sen. Alton Pomeroy, who as slated for chairman was defeated in the committee on permanent organization for the house by a vote of ten to seven, after he had expressed himself as opposed to the unit rule.

SUNBURY LIBERALS HAVE WINNING TEAM

Messrs. A. R. Miles of Maugerville and Milton A. Smith of Blissville will Lead the Fight for Good Government in the Historic old County—Nominated at a Rousing Convention at Oromocto on Tuesday—Tories Turn Down Blissville Man and Nominated the Same old Ticket

Oromocto, June 4—The shaping of events at the double nomination today was most favorable to the return of two Liberal candidates from the County of Sunbury which has come to be regarded as a Conservative stronghold. At a most enthusiastic convention of delegates the opposition party nominated Arnold R. Miles, of Maugerville, and Milton A. Smith, of Blissville, two strong men, who under any circumstances would form a most formidable ticket.

With a Tory fight brewing for some time, and the rejection of F. C. Taylor, of Blissville as a candidate, thus endorsing the old ticket composed of Messrs. Perley and Glasier which represents only the central section of the county and leaves the large and important parishes entirely unrepresented, there is no doubt that the strategic move of the Liberals today is but the first step of a great victory to be won on June 20th next.

While the Liberal convention was most harmonious, and the delegates were united on Messrs. Miles and Smith, the Tory gathering was split in factions and four candidates were nominated. A. B. White, of Oromocto, withdrew his name but the Blissville delegates stood by their man and Mr. Taylor also secured one vote from the river parishes, giving him, however, only four out of nineteen. Unfortunately for Mr. Taylor the roads were so bad or so little interest was taken in the choice of the government candidates that no representatives were present from Glad-

stone or the result might have been different.

Immediately after the result was announced, Hon. H. F. McLeod, who was present, walked over to Mr. Taylor and asked him to move to make the nomination unanimous. The reply was "No" in a coldly rasping voice which could be heard all over the room.

With Mr. Taylor out of the running there is no doubt that Mr. Smith's influence will carry the parishes of Blissville and Gladstone for the ticket, while Mr. Miles brings great strength in all the other parishes and victory for the Liberal ticket is regarded as practically certain.

One by one the counties which the government leaders boasted would return the old members by acclamation but which are really seething with discontent and dissatisfaction with the government, are coming into line for Mr. Copp by the nomination of the men of the finest type of citizenship and today's choice is no exception.

MCLEOD'S DESPICABLE THREAT.

Mr. Miles is a middle-aged resident of Maugerville, a farmer and lumber surveyor, who is very highly respected. His nomination has been received with very bad grace by the government men here and some very despicable threats have been made with the object of coercing him not to enter the contest. One of his sons has a position on the Minto railway survey which is being pulled with the people's money and Hon. Mr. McLeod

one of the leading members of the government, as provincial secretary, when told that Mr. Miles had accepted, said:

"Well, he had better get his son off the Minto railway."

Mr. Miles was absent in Gladstone on business today but was notified of his nomination and arranged with Mr. Smith later in the day to meet him tomorrow evening to discuss the arrangements for the campaign.

Mr. Smith is a young and progressive farmer who has had a splendid business training. He will make an important addition to the fighting strength of the farmers' delegation in the next legislature made up of one or more opposition candidates from practically every county of the province.

The Liberal meeting was held at Stocker's Hotel this afternoon with fifty delegates present. Those in attendance were drawn from the following list of delegates from six parishes of the county, the Northfield list being missing:

REPRESENTATIVE GATHERING.

Stocker, Humphrey Young, Avard McCain, Fred Goan, James Logue, Moses Smith, Timothy Sullivan, Selathiel Carr, William Cochran, George Miles and Parker McManie. Sheffield—J. Randall, Thos. Briggs, George W. Briggs, Albert Ferguson, Harvey Upton.

GUN FIGHT

IN CHINATOWN

New York's East Side the Scene of a Lively Fracas Last Night

Trouble Said to be due to a Feud over the "Queen"—Three Men Wounded

New York, June 5—Two more attacks by the gang of fighters who figured in the recent Chinatown gunfight, the shooting of Big Jack Zelig near the Tombs and last night's attempt to assassinate "Chick" Tricker, made the lower east side unsafe for pedestrians early today.

Still pursuing their intended victims relentlessly, the gangs engineered two separate attacks in the hours between midnight and ten. In the first battle a man, said by the police to be Dick Curley, a referee of boxing matches, was twice fired upon from a big automobile. He escaped.

In the second affair a gun-fighter succeeded in wounding two men. Three suspects were caught by the police. The wounded men said they were Antoni Angerzio, twenty-four years old, and Charles Lewis, twenty-five, a salesman. Angerzio had a bullet in his right leg. Lewis was shot in the left hip. Detectives working on the scene of the fights say all the troubles are due to the feud over the "Queen" that started in Chinatown Monday morning. Bombs, pistols and taxicabs have figured in the fighting. One man was shot yesterday in the Bowery and one was killed in the Bronx.

PRETTY GIRLS KISSED

CARPATHIA'S CAPTAIN

New York, June 5—Just before Captain Rosthern of the Carpathia, the saviour of the Titanic survivors, sailed today with his rescue ship for Mediterranean ports he was stormed by a host of pretty girls who blushed less rosily than the captain as they begged for the customary blessing of a hero.

Capt. Rosthern stood gallantly on the bridge and gave away kisses as fast as the girls could file past him. Two of them came bearing a gift in the shape of a coal-black kitten as an omen of extra good luck for the Carpathia and her commander.

TAGALIE WON

THE DERBY

Great English Turf Event Pulled off at Epsom Downs Today

Winner had a Lead of Fourth Length and Two Lengths Separated Third and Fourth Horses

A heavy downpour of rain followed by occasional showers interfered with the pleasure of those who went by road. This is the most popular way especially for those making their first visit to the course. However, the sun soon broke through the clouds and towards noon fine weather was experienced at the track, with threats nevertheless of more showers, and possibly a thunder storm.

On the coaches leaving London, were many Canadians and tourists, including those who come annually to England to see the race meeting.

The betting early today, made Sweeper 11, the favorite, 13 to 1, with Newsmans Jaeger at 9 to 1. J. B. Joels, White Star 11 to 10, and the King's Pintadeau 16 to 1.

The crowd at the historic Downs was quite up to the usual despite the threatening weather. King George and Queen Mary, and the Royal party were early arrivals and received a tumultuous reception.

Sweeper 11, did a sharp burst of six furlongs during the morning, showing splendid action, but for some reason, the Layers were inclined to the field against the American horse, and the betting lengthened to 1000 to 300.

The stands were crowded with society folk, and the heath was thronged with tens of thousands of holiday makers, carriages filled with brightly dressed women lined the rails, opposite the stands and the whole scene was brilliant.

Epsom Downs, June 5—Tagalie wins the Derby; Jaeger, second; August Belmonts Tracery, third.

The King's horse Pintadeau was fourth.

Tagalie with Johnny Reiff up, won by four lengths. Two lengths separated second and third horses. Reid rode Richard Crocker's Orby to victory in the Derby of 1907.

The favorite never showed to advantage. Roundin' Tottenham corner Tagalie led by half a length with the field in much the same order as they got away.

Two furlongs from home, the filly still travelling in splendid form had the race at her mercy.

CURFEW BYLAW ORDERED

ALTHOUGH LEGALITY DOUBTED

Twelve Years the Age and 9 p. m. the Hour—City Clerk Doubts Power to Impose Penalty

The City Council last night decided to have a Curfew Bylaw drafted providing that no child under the age of twelve years shall be on the public streets after the hour of 9 p. m. unless accompanied by some person as guardian. In cases of the bylaw not being observed the parents of the children guilty of such non-observance are to be subject to penalty. The bylaw was ordered to be enacted although the City Clerk expressed the opinion that the city had no power to impose a penalty in the manner and for the alleged offense mentioned.

Ald. Guthrie on whose motion the by-law was ordered to be drafted stated that on account of the demand for such a bylaw it would be best to have it passed and in case of non-observance to have a test case made. He stated further that on the ground of expense and other grounds it had been found impossible to have the bells of the city rung at 9 p. m. as a curfew.

LATE G. W. DYKEMAN

In the notice of the death of the late G. W. Dykeman published yesterday the name of Mrs. Coles Kitchen was inadvertently omitted from the names of surviving children. The relatives of the deceased request that no flowers be sent.

PROGRAM FOR OLD HOME WEEK PARTIALLY ARRANGED

Committee Met at City Hall Last Night—Opening at Parliament Square on Morning of Monday, August 5th—Industrial, Labor and Society Parades—Chorses by School Children

A particularly attractive program was arranged last evening for the observance of the Old Home Week celebration, August 5th to 10th. Judge Wilson presided at the meeting, which was at the Mayor's office in the City Hall. Others of the committee present were Messrs. John T. Jennings, J. D. Palmer, H. C. Rutter, Major the Hon. Thomas Ashburnham and the secretary.

The meeting discussed at some length the details of the program and decided to submit a report to the managing committee at its meeting tomorrow evening. The report will recommend that a procession of the school children take place on the morning of the opening day. The official opening of the celebration will take place at the Parliament Square at 10 a.m. on Monday. It is proposed that there will be special music of a patriotic character and also a welcome chorus by the children. His Honor Lieut. Governor Wood will be invited to officially open the celebration. The opening ceremonies will be presided over by Mayor Hooper and several brief addresses will be made.

The program for the remainder of the week will include industrial, labor and societies parades, decorated automobile parade, decorated motor boat parade, water sports, decorated carriage parades, baseball and numerous other attractions, while

the famous Ferrari attraction will be in full swing throughout the entire week, as well as the special bills at the Opera House. The names of several gentlemen were decided on by the committee last evening as being desirable members of the sub-committees and these will be submitted to the managing committee tomorrow evening. Two days were set apart for a firemen's tournament, sports and parade. Chief Rutter has expressed a willingness to have the tournament, provided sufficient funds can be raised from the merchants.

There is a possibility that a horse meet may be arranged. That matter will be definitely decided in the course of a few days. From the number of enquiries being received there will be a very large number in attendance at the big celebration.

OPPOSITION CONVENTION IN YORK SATURDAY

Representative Men Met Mr. A. B. Copp, Opposition Leader Here Yesterday

Mr. A. B. Copp, leader of the provincial opposition yesterday afternoon conferred with a number of leading members of his party in the Y.M.C.A. building. The meeting was held upon very short notice but nevertheless a large number of representative men of Fredericton and the adjacent parts of the county were in attendance. The political situation was thoroughly discussed and it was decided to hold a nominating convention in this city upon Saturday afternoon next. The Y.M.C.A. Hall is to be the place.

Mr. Copp spoke of the political outlook in New Brunswick and stated that it was very bright for the opposition there being a strong feeling against the present administration in all parts of the province. Tickets composed of prominent men and vigorous campaigners were in the field in almost all constituencies in the opposition interests and everywhere there was a feeling that the party would win a great victory on the 20th inst.

As far as York County is concerned it is the intention to put a strong ticket in the field and put up a vigorous fight to redeem the county for good government. Chances for so doing are considered good in view of the dissensions existing in the ranks of the government party in this county—such dissensions in some cases being open and in others poorly concealed.

POURED OUT BOOZE IN PUBLIC SQUARE

Martinsburg, W. Va., June 5—Several hundred gallons of beer and whiskey were poured into the public square here last night by members of the W.C.T.U. The intoxicants confiscated by county authorities at various times were sold during the day at public auction by the sheriff. The W.C.T.U. secured the lot for \$240 and then dumped it into the street.

PREDICT VICTORY IN SUNBURY AND QUEEN'S

Outlook for Opposition very Bright—People Tired of Regime of Mis-government

Senator King, the old war horse of Queens, accompanied by Col. H. H. McLean, M. P., arrived in the city from Oromocto last evening, where they had been attending the Liberal convention. They were most jubilant over the political outlook not only in Sunbury and Queens, but freely predicted a victory for Mr. Copp on June 20th.

"I have been attending political conventions at Gagetown for thirty-five years," said Senator King, "but I never saw such enthusiasm as was manifested at our convention there on Monday. It was a splendid convention and the delegates simply went wild with enthusiasm when the names of the candidates were announced. The feeling against Messrs. Woods and Slipp in Queens is very strong and I look for the election of the Liberal candidates by a substantial majority."

Col. McLean was equally optimistic over the outlook in the two river counties. He said that in Queens a Liberal victory was already assured, while in Sunbury the party had selected an exceptionally strong and popular ticket, which stood an excellent chance of winning.

Regarding the outlook in St. John the Colonel said he would not be surprised to see the Liberals make a clean sweep of the whole six seats.

The party have chosen splendid candidates, he said, and are out to win.

BOY SHOT NEAR HOULTON

Houlton, Me., June 5—A bullet from the rifle of another boy while in the woods hunting caused the death of Richard Smith, the fourteen year old son of Mr. William Smith. The other boy's name is Finnegan. It appears that Finnegan was about to shoot at a wood duck when the other boy stepped in front of him and received the bullet in the breast. The authorities have exonerated Finnegan from blame.

ST. MARY'S RATEPAYERS CHOOSE COMMISSIONERS

Wm. Jaffrey and Kenneth McLaggan Elected to Fire and Water Commission

The ratepayers of St. Mary's Ferry met last night for the purpose of electing officials to fill the vacancies on the Board of Fire and Water Commissioners. Mr. Wm. Jaffrey was re-elected by unanimous vote. The resignation of Mr. John Chase was accepted and Mr. Kenneth McLaggan was elected to succeed him. Mr. John C. Machum was elected auditor.

It was decided to fix the assessment for fire and water purposes for the ensuing year at \$1300. It was decided also to permit those residing outside the fire and water limits to obtain water service at the ordinary rates, by paying the cost of laying service pipe.

The matter of ringing in false alarms of fire was brought up and it was suggested that the commissioners wait upon the Municipal Council and ask for powers to impose a penalty for such offense. Commissioner Jaffrey stated that such permission had been asked previously, but that nothing had been done by the Municipal Council.
