That a talent for money-making is not always a good thing many an imprisoned counterfeiter can testify. The man who forgets that he was once a boy is almost as scarce as the woman who denies that she is still a girl.

### RENFREW GAVE OTTAWA THIRD DEFEAT IN EIGHT DAYS

Argonauts Lost O. H. A. Championship—Three Rivers Won Eastern Section of Inter-Provincial League.

Ottawa, March 5—The unexpected again occurred in the National Hockey Association on Saturday when Renfrew won from Ottawa at the local Arena by a score of 7 goals to 6 thus giving the new champions their third defeat within eight days.

Toronto Mar. 5—By defeating the Argonauts on Saturday night in the final game of their series, Eatons won the senior championship of the O.H.A. and lay claim to the Allan cup, which they offer to defend against all comers. Saturday night's score was 7 to 4.

Three Rivers March 5—The hockey game between Grand Mere and Three Rivers in the Interprovincial league championship of the Eastern section was won by the home team yesterday the score at the close of the play being 7 goals to 5 in their favor.

### NEW FIVE-MAN BOWLING RECORD MADE AT BUFFALO

Buffalo, March 4.—A new world's record for a five-man team was made at the National Bowling Association Tournament here last night by the Bonds of Cleveland. They rolled a total of 2969 pins in three games. Sensational bowling marked their game from the start, and when the last pin was down and a new world's mark had been set they were given an ovation.

Metcalfe of the O'Learys, of Chicago, rolled 256 in his third game on the five-man team, a new high mark for the tournament.

### CANADIAN TEAMS

#### LOST ON SATURDAY

New York, March 6.—Canadian amateur hockey teams did not show anything to American exponents of the game in their matches on this side of the border Saturday. The Crescent Athletic Club seven defeated the Shamrocks of Montreal 8 to 2 at the St. Nicholas Rink here. The Cliffside of Ottawa were defeated by the Boston Hockey Club 4 to 3. Boston took the lead at the start and at the end of the first half had the visitors 2 to 1.

### TREMBLAY TOO MUCH FOR JOHN KILONIS

Manchester, N.H., Mar. 4.—Eugene Tremblay of Montreal won over John Kilonis of this city in a handicap match at Mechanics hall last night, the Greek failing to throw tremblay in one hour according to his agreement. The bout was one of the finest ever witnessed in the city. Tremblay was far from being on the defensive and had the Greek in a tight hole several times, but Kilonis worked out by fine exhibitions of strength.

### THE HAZEN GOVERNMENT AND BRIDGE REPAIRS

(Richibucto Review)

Mr. Hazen boasts of the large number of bridges constructed and repaired by his government since it came to power. His organs, the Times, Standard and Moniteur Acadien, publish a list showing that the number far exceeds that for the last three years under the late government. In this list is no doubt included.

Augustine King bridge—P. Bernard superintendent, \$3.50; pay list and lumber, \$3.25; total \$6.75.

St. Anne Shudre bridge—P. Bernard superintendent, \$7.25; pay list, \$2.25; total, \$9.50.

Mooney bridge—P. Bernard, superintendent, \$3.50; labor, \$6; total, \$9.50. These figures are taken from the auditor-general's report and will show the substantial nature of the repairs done in same cases. The report further shows that this same P. Bernard has taken quite a slice out of the grants for other bridges erected or repaired in Kent County, and that the cost of inspection and superintendence in many cases exhausts the greater part of the grant. Mr. Bernard who, by the way, is Hon. Dr. Landry's right hand man in this county, is a rather expensive luxury.

In addition to Mr. Bernard there appears to have been no lack of foremen; in some cases two or three of these gentlemen were required for a single bridge, and all were paid generous wages. It further appears that the cost of repairs in some cases equalled the original cost of the bridge. We did not observe that the Main River bridge was contained in the list of those repaired.

## SPORT

### FREDERICTON TO PLAY MARYSVILLE FRIDAY NIGHT

Chatham and U. N. B. on Wednesday—St. John Refuses to Play Game With Fredericton.

Two senior hockey games are slated to be played here this week, Chatham and U. N. B. on Wednesday and Marysville and Fredericton on Friday,—that is if everything goes as is expected. It was intended to have the Marysville-Fredericton game on Wednesday, but as the U. N. B.-Chatham game had been arranged for that day the other game was shifted to Friday. The Chatham team will arrive here on Wednesday on the way to St. Stephen, where they will play the Thistles Thursday.

#### ST. JOHN WILL FORFEIT

President Inch of the N. B. H. L., ordered St. John to replay the game in Fredericton. The St. John team as was expected refused to play and will forfeit the game. Pres. Inch will probably call for a mail-vote or a league meeting here concerning what action should be taken in case of a tie in the league.

#### PRACTICE GAME TONIGHT

The Fredericton team will have a practice game with U. N. B., from seven o'clock until eight this evening as U. N. B. wants to get into shape for the Chatham game and Fredericton will get ready for Marysville.

### MONCTON VICTORIAS WILL PLAY QUEBEC AT BOSTON ARENA

Moncton, N.B. Mar. 5—The Victoria hockey team, professional champions of the Maritime Provinces leave here on Saturday for Boston to play exhibition games with the Quebec team on March 13th, 15th and 18.

#### BOXING NOTES

George Gunter and Willie Lewis have been signed to box in Paris April 8.

Grover Hayes and Johnny Willetts will box in Philadelphia Tuesday night.

Leo Houck and Harry Ramsey have been matched to box in Philadelphia March 13.

Soldier Burns of Baltimore has quit the boxing game and is now reading meters.

Andy Bezenah and Kid Heidall have been signed to meet near Cincinnati March 13.

Hugo Kelley has passed up an offer to box for promoter McIntosh in England this spring.

Montana Dan Sullivan and Jack Reynolds will box in New York Tuesday night.

Frank Moran one of the New York "hopes" will go against Al Kubiak in New York March 9.

Tommy Quill and Howard Morrow, the Syracuse middleweight have been rematched to box in Syracuse March 11.

The Harry Forbes—Tommy Dixon bout, scheduled to take place in Kansas City this week has been canceled.

Frankie Smith of Philadelphia, who boxed a draw with Miller here last week, has been matched to meet Bobby Wilson in Utica March 10.—Boston Globe.

After washing windows or mirrors, dampen a cloth with alcohol and rub them vigorously, if you would have a brilliant polish.

Camphorated chalk is one of the best things for cleaning and renovating white shoes. Mix in milk and apply with a soft cloth.

To test a ham run a steel skewer deep into it. If it comes out free from unpleasant odor, the meat may be depended upon.

Before hanging out the clothes in the winter rinse the soap suds from your hands, rub a teaspoonful of warm vinegar over them and dry, and warm them well. This treatment is a sure preventive of chapped hands and helps to keep them soft and white.

Another way to keep cakes and plum puddings for months at a time is to place them in a granite kettle, baste them well with thick strawberry syrup and then paste two thicknesses of brown paper over the top of the kettle. The syrup imparts a delicious flavor and keeps them moist.

The cost of repairs in some cases equalled the original cost of the bridge. We did not observe that the Main River bridge was contained in the list of those repaired.

### "DOC" MILLER AND BUTLER SIGN WITH BOSTON

Boston Will Play Providence on Easter Sunday—Hamilton Leaves Haverhill for Doves.

Boston, March 4.—"Doc" Miller, the Boston National League team's right fielder, wired Manager Tenney from New York yesterday that he had mailed his signed contract for 1911 to headquarters. Miller, who is a practicing physician in New York, has been working in a hospital all winter, but has kept in good trim, and will be with the team from the beginning of the training trip.

Billy Butler, the infielder, appeared yesterday as he said he would, to sign this year's contract. He also looked as if he had been doing a bit of gymnasium work in anticipation of the coming season.

The Boston management made arrangements yesterday with Tim Crowley and Charley Lapis, owners of the Providence Eastern League club, for a game between Boston and the Grays at Rocky Point on Easter Sunday, April 16.

Messrs. Gray and Roach of the Lowell New England team, were closeted with Manager Tenney and Vice-Pres. Page all the afternoon at the Paddock building, trying to do a little business; but if any deal came of the conference it was not given out.

#### HAMILTON BOSTON SCOUT.

Haverhill, March 4.—It was announced yesterday that William R. Hamilton, the former National League, will not manage the Haverhill team next season. He has accepted a position as scout for the Boston Nationals and will begin his duties at once.

Hamilton came to this city in 1905 and remained here three seasons. Last year and in 1909 he handled the Lynn Club. In accepting a position as scout, Hamilton returns to the club with which he played in the field and he will be associated with one of his old fellow-players, Fred Tenney.

The Haverhill Club has signed 32 players for next season, and the directors expect to develop a good team. Pres. Daniel F. Clochey has been assisting Hamilton, who accepted terms to manage the club, in securing players. An effort will be made to secure a new manager at once.

### QUEEN'S COLLEGE WON AGAIN AT BOSTON

Boston, Mar. 4.—The Queen's College seven defeated Boston's newest hockey team at the Arena last evening, 3 to 2, in a game which was in marked contrast to the match of Wednesday evening when the Canadians won from the Boston hockey club by a single tally. In the first contest it was clean, pleasing hockey. Last night it was slash and bang, rough play being the feature.

### HON. JOSEPH HOWE AND RECIPROCITY

(Halifax Chronicle)

The super-loyalists in the Boards of Trade of Toronto and Montreal and in the organs of the "special interests" who are shrieking that better trade relations with the United States mean disloyalty and treason, should read the speech of that great Imperialist, Joseph Howe, at the Detroit Convention in 1865, when Canada was threatened with the loss of the trade treaty which had been in force since 1854. Mr. Howe said in part: "I have heard it said since I came to the convention that if the reciprocity treaty is annulled the British Provinces will be so cramped that they will be compelled to seek annexation to the United States. I know the feeling in the lower Provinces, and I believe I am well enough acquainted with the Canadians to speak for them also when I make the assertion that no considerations of finance, no question of balance for or against them on the interchange of commodities, can have any influence on the loyalty of the inhabitants of the British Provinces, or tend in the slightest degree to alienate the affection of the people from their country, their institutions, their government, and their Queen. There is not a man who would dare, on the abrogation of the treaty, if such be its fate, to take the hustings and appeal to any constituency on annexation principles throughout the entire Dominion. The man who avowed such a sentiment would be scouted from society by his friends. If any members of the convention har-

An exquisite design in a chemise for the trousseau of an Easter bride is worth recording. For the material it was of finest lawn, the entire front laid in groups of tiny tucks six inches deep. The upper edge buttoned in long shallow scallops, trimmed with a narrow frill of cluny lace. Below slits were cut and buttoned to receive a ribbon threading, and in the front a row of tiny insertion was set on below the ribbon. Below this the front of the chemise was embroidered in two rows an inch apart. The design of this decoration was a delicate vine. The embroidery was done on the tucking.
