MELROSE TO BE WORKED OUT AT HALF

The U.N.B. Rugby Squad worked out yesterday afternoon and the form the men are displaying is very satisfactory. "Babe" Church is using Melrose as a half and he will make the other candidates hustle to hold their positions. Melrose played forward with the U.N.B. last season but when with St. John High School was used as full-back and half. He has taken on weight since last year and is putting up a good game. The dates of the intercollegiate games have not yet been fixed but it is probable that a meeting of representatives of the three colleges will be held shortly.

So far work-outs of the Fredericton City team have not been largely attended but improvement is expected next week.

"ONE ROUND" HOGAN TRUE TO HIS NAME

Newport, R. I., Sept. 27—"One Round" Hogan of San Francisco kept true to his sobriquet tonight when he met Fighting Charley Hyland of New York before the Perry A.C. The bout was scheduled for 12 rounds but Hyland lasted exactly one minute and 27 seconds, a right-hand uppercut putting him down for the count. Hyland stepped up at the starting

gong as though he meant business. Hogan met him with a left in the face and in less than a minute and a half Hyland was down in the corner of the ring on his knees, covering his face with his hands. The real feature was ten rounds between Sandy Williams of New York and Young Evans, southern lightweight champion. The bout was a good draw.

MURPHY WITH BROKEN RIBS DROVE IN THREE RACES

Won 2.11 Pace at Columbus with Sir R.-Hal B Jr. Acted Badly and was Distanced

Oglumbus, O., Sept. 27.—T. W. Murphy, wearing yards of bandages to keep in place a rib broken Tuesday when Baroness Helen tossed him over the fence, was winning heats on the Columbus track right and left today until the course was flooded by rain that appeared at 3:15 and forced a postponement until noon tomorrow.

Murphy got one of his three races completed, putting Sir Rover ahead in straight heats in the 2:11 pacing stake. With R T C he won the only heat decided in the 2:12 trotting stake, and after Black Twister had nipped the first heat in the 2:07 pace twice brought Longworth B down ahead.

Much comment was stirred up during the Sir R race. There was a heavy play on the Canadian Hal B Jr. and Starting Judge Stone, when he found the good thing acting badly, was accused of not trying to protect him. In both the second and third heats the horse was far out of position when the field was sent away and was distanced finally. The last heat of the race was paced in a driving rain.

R T C and Longworth B of the Murphy stable, were pronounced the favorites, and Sir R was the choice for his race, though the presence of Hal B Jr caused a lot of money to be sent into the auction box against him.

Atlantic Express, in the first heat of the afternoon, won the deciding heat of the Horse Review three-year-old futurity, equaling his record. Payment of second money to Mainleaf has been protested by the manager of the Madden stable, in which Margaret Parrish belongs. It is contended that the judges erred Tuesday in placing Mainleaf when he fell inside the distance flag.

Creighton was picked to win the 2:10 trot, four heats of which were raced Tuesday, but Chatty Direct was the raciest and pulled through, trotting the last quarter of the final mile in :31, when Creighton, after going easy to the turn home, was brought up with a rush.

The summary:

LEFEBRE DROVE LADY GIN TO WIN AT ROCHESTER, N. H.

Montreal Mare now Campaigning in New Hampshire—Elm Wilkes Ran into Fence

Rochester, N. H., Sept. 27.—The second day's racing at the Rochester fair furnished excellent sport for the 35,000 persons in attendance. Eleven heats were run off and only one race on the card was finished in straight. Four heats were required in the 2:16 class and the 2:24 class remains unfinished with three heat winners.

In the 2:22 class, Lady Gin, from Montreal, had but little trouble in winning in three straight heats, and could have made faster time had she been urged.

While the horses were scoring for the first heat Elm Wilkes ran into a fence and was cut in the breast. The driver, Dana Rosebrook, was thrown, but was hurt. The sulky was badly damaged.

The 2:24 pace brought out a field of nine horses and it required four heats to decide the honors. Max S took the first one by about four lengths, after which Stanley C won in three straight by close margins.

The 2:24 trot was unfinished. The summary:
