## JOHNSON SAYS HE WILL RETIRE AFTER LABOR DAY

Bout with Al Palzer must be Arranged soon--Champion says Flynn Bout was on Level

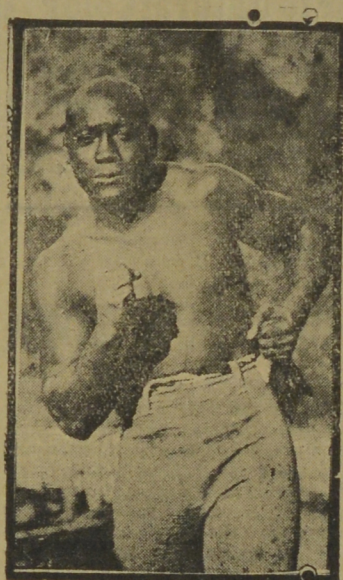

Kansas City, Mo., July 5--"If Al Palzer wants to fight me, it will have to be arranged before Labor Day. I will fight Palzer on Labor Day if the fight can be pulled off by then."

"But after that date I intend to retire from the ring for good and I never want to see another pair of boxing gloves, either in private or public, and my retirement will not be a 'Black Patti' retirement either."

So stated Jack Johnson, champion heavyweight of the world, tonight at the Union Depot between a succession of golden smiles. Johnson was on his way to Chicago after his recent victory over Jim Flynn at Las Vegas. Johnson stepped from the train and was immediately swamped by his local admirers.

"I never fought a squarer fight and the statements made as to crooked fighting on my part were absolutely false," declared the champion.

"It was my fight from the start. Flynn kept trying to butt me at all times. I knew I had the fight my way and had 45 rounds to fight, so I was taking things easy."

• "JACK" JOHNSON.

"Flynn could not have gone another round. I kept feeling him out. When I would hit his head it would go back. I could tell by that he was going fast. Flynn couldn't have lasted through the tenth round."

Johnson said that he was going to Chicago and further than that he did not know. But one thing which he was very emphatic about was his retirement. No matter whether he had fight or not between now and Labor Day, the champion declared he would retire for good on the next day.

Johnson said he had cleared \$36,000 on his victory over Flynn. He received \$31,000 from Jack Curley, the promoter, and won \$5000 in betting himself.

"And Mrs. Johnson won \$6000 betting on me," laughingly remarked the heavyweight. "She gave odds of 3 to 1."

RECEPTION FOR JOHNSON AT CHICAGO.

Chicago, July 6--Jack Johnson, the champion heavyweight, was scheduled to be the attraction in a reception on his return to the city from Las Vegas today, which has been arranged in a manner to surpass the gathering given him on his return from Reno two years ago, after conquering Jim Jeffries. Every loyal negro was expected to be in the parade which was extended from the depot to Johnson's home. Four bands were engaged to head the procession with orders to play "Hail to the Chief."

Nice start for the "Speed Boys" in Philadelphia. Seven to four is the standing of the series between the two teams with Boston leading.

Those poor Highlanders could not keep going after their spurt Tuesday at Fenway Park.

Ben Housar is lame and will have a few days rest. Meanwhile Arthur Devlin will go to first base for the Braves.

"Hub" Purdie has shaken hands with Johnny Kling and today will talk with Pres Ward about a raise in salary. If he doesn't get it "Hub" will leave Boston for his Southern home, he says. Purdie was due for a raise pretty soon anyway but it is doubtful whether he gets it just now.

## WEAKENED HOULTON TEAM SHUT OUT BY MARATHONS

Score at St. John was 9 to 0--Joe Neptune Spiked and was Forced to Leave Game--Iott's Absence Great Loss to Reds--League Leaders Fielded in Miserable Style--Greeks Playing here Today

(St. John Telegraph.)

Thirty-two hundred enthusiastic fans saw the Marathons shut out Houlton Saturday afternoon on the Marathons grounds, and although the league leaders were unable to score, the Greeks piled up nine runs. The weather conditions were ideal for good baseball and there were many interesting features of the game, but several errors marred the work of both teams.

Al Sweet was on the mound for the local players and his work from start to finish was of the best. He allowed only two hits and none of the visitors were able to reach home. Sweet was also prominent with the wand and his two hits were of the best quality. Dutton at first for the Greeks, put up a good game and took all the chances coming his way, while his three hits, a triple, a double and a single, helped the team in run getting.

Winter made the prettiest play of the game when he scooped up Hughes' single, which looked good for at least two sacks and doubled up on Watt at first.

Pinkerton was also responsible for a double when he fielded Martini's grounder and was able to tag Hughes before throwing the batter out at first. Fraser was not up to the mark at short but at times he did good work.

The visitors were evidently handicapped by the absence of Iott and when Neptune was spiked in collision with Winter in the second the team was further weakened. Every person at the game was heartily sorry to see Neptune injured and for his sake as well as for his team's sake all wish for him a speedy recovery.

Urguhart had an off day but the errors behind him must have handicapped his pitching to a great extent.

## RUBE WADDELL WILL UNDERGO OPERATION

Minneapolis, July 5--Physicians here will try to fix up George Edward ("Rube") Waddell so that he can win ball games again. For some time "Rube" has been ailing. Today Manager Cantillon determined to find out just what the trouble was so when "Rube" reached his rooms he found three doctors there waiting to examine him.

At first he resisted, but finally submitted. The doctors found that the once famous and eccentric pitcher had gall stones and indigestion. He will undergo an operation in a few days.

## MIKE MOWREY MISSING

St. Louis, July 5--There is trouble in the ranks of the Cardinals once more. Mike Mowrey has jumped the team, is lost, strayed or stolen, and cannot be found by Manager Bresnahan.

What has become of Mowrey none of the players or the Cardinals' boss know. He was last seen when the team played in Cincinnati last Monday and since then no one has seen him hereabouts. For taking this unexpected leave of absence without permission, Bresnahan announces, Mowrey stands suspended.

Al Kaufman and Charley Miller will likely meet in a 20-round bout at San Francisco July 26.

Jeff Madden of South Boston, and Mickey McDonough of New York, are to meet Joe Jeannette in six-round bouts at New Bedford, July 26.

Digger Stanley, the bantamweight champion of England, got a big surprise at Dieppe, France, the other night from Ledoux, the French bantam, who knocked out Stanley in seven rounds. Last April Stanley defeated Ledoux in a 20-round bout at London, Eng.

## AMERICAN TEAM WON TWO OLYMPIC EVENTS

Craig won 100 Metres Dash and Thorp an Indian the all-round Events

Stockholm, July 6--The American athletes won two notable victories at the Olympic games today. R. C. Craig of the Detroit Y.M.C.A., captured the final of the 100 metres dash, while James Thorp, of the Carlisle Indian school, won the Pentathlon, a series of five events. Three Canadians, Joseph Keeper of Winnipeg, G. M. Brock of Toronto, and Frank Lukeman of Montreal, figured creditably in the various events.

Three flag-staffs are erected in the Stockholm stadium, where the colors of the different nations scoring first, second and third in the final contest of each event are hoisted. When the 100 metres sprint, the event most honored on athletic fields everywhere--had finished, the American flag went up on the first staff, on the second and on the third, Craig, A. T. Meyer, Irish-American A.C., and D. F. Lippincott, University of Pennsylvania, were the men they represented. Craig's time, 10 4-5 seconds, equals the Olympic record.

Only one other number on the program was concluded today. That was the Pentathlon, which was intended to be a test of all-round powers. When this event was included in the Olympic games, conservative old timers, both English and American, who heretofore had dominated the field sports, regarded it with suspicion as a trick of the newcomers to gain points which were not contemplated in the original program.

The United States got the lion's share from that, also. At its conclusion the first and third staffs floated American flags, and the second Norway's.

The Indian Thorp, by his victory, won his position as the legitimate successor of Martin J. Sheridan as an all-round athlete. Of those who entered this competition the four Americans--Thorp, Brundage, Donogue and Menaul--started in all the events and stayed to the end with the Norwegian Bie, the Canadian Lukeman and the Swede Wieslander.

## BILLINGS' HORSES SICK

Horsemen will be interested to learn that C. K. G. Billings' famous horses, Uhlan and The Harvester, have been ill in Russia with catarrh of the stomach. In an interview with The New York Herald correspondent in London Wednesday Mr. Billings

said: "My horses were a revelation to the Russians. Uhlan in his first try-out did three-quarters in 1:30 and finished the mile, eased up, in 2:04, which, as the Moscow course is slow, is equal to 2:00 in America. Harvester, though ill, did a mile in Moscow in 2:08, as against the Russian record of 2:08 1/2."

Mr. Billings is bringing back to America three Russian trotters which were presented to him and he also bought an Orloff Russian trotter.
