PROVINCIAL W.C.T.U.

WILL OPEN ANNUAL SESSION TUESDAY

Sessions Will be Held in Brunswick Street United Baptist Church-- Mayor Thomas to Speak

Arrangements for the annual convention of the Provincial W. C. T. U. which will be held in this city on the last three days of August are nearing completion and the program for the convention will be announced within a few days. It has been decided to hold all sessions of the convention in the Brunswick Street Baptist Church, it being inconvenient to change from one church to another.

OPENING SESSION.

The opening session of the convention will be held on the evening of Tuesday, August 22nd, in the Brunswick Street Church. His Worship Mayor Thomas has been asked to preside and to deliver an address to the visiting delegates. The clergymen of the city churches are also to be present and take seats upon the platform. This session will take the form of a reception to the visitors.

PUBLIC MEETING

During the other two days of the convention three sessions will be held on each day, the evening services being open to the public. Mrs. C. P. Stephenson of Boston, who recently completed an organization tour "around the world" will be the principal speaker at the convention. The president of the Provincial W. C. T. U. is Mrs. J. H. Gray of Fairville.

SHORTILL--RUSH

NUPTIALS AT ST.

ANTHONY'S TODAY

St. Anthony's Church was the scene of a pretty wedding at seven o'clock this morning when Mr. Frank Shortill was united in marriage to Miss Maria Rush of that place. Rev. Father Ryan performed the ceremony in the presence of a number of friends of the happy couple. As Miss Rush had been organist of the church for thirteen years the privilege was extended to her of being married within the Sanctuary. The bride who was given in marriage by her brother Mr. Frank Rush, was attired in navy blue travelling suit with hat to match and carried a bouquet of maiden hair ferns. She was attended by her sister Miss Mary Rush who wore a dress of mauve muslin with satin trimmings and black picture hat. She carried a bouquet of carnations. The bridegroom was attended by Mr. Fred L. Neville of this city.

At the conclusion of the ceremony nuptial mass was celebrated by Rev. Father Ryan after which the happy couple and invited guests repaired to the home of the bride's mother where a bountiful wedding breakfast was served.

The dining room and other portions of the house were nicely decorated for the occasion.

MANY PRESENTS

Among the many presents received by the bride were a beautiful cabinet from the congregation of St. Anthony's Church, a jewel case from the Sunday School and a Morris chair from the choir. The groom's present to the bride was a necklace and to the bridesmaid a handsome ring.

ADDRESS PRESENTED

The pupils of the Indian Reserve School where the bride has taught for the last twelve years presented her with a silver Fern Dish accompanied by the following address:

"We have listened to your message; We have heard your words of wisdom. We will think on what you tell us, It is well for us oh brother That you came so far to see us."

So, in the olden days, dear teacher, our fathers spoke to the black-robed chiefs, who came among us bearing the light of faith and teaching the peace of Christ and the joys and sorrows of Mary; So do we their children, sorrowful at the thought of separation speak to you who for many years have lived and labored among us. Many bright summers have we listened to your words of kindly instructions whether in regard to the world about us and the means of procuring its knowledge; or whether you spoke of the mysteries of God, as you taught us our prayers and prepared us for Holy Communion. Then when the wintry sorrows brought trials and trouble to our homes, you have brightened the camp fires of our hearts with words of comfort and kindness.

So, will we think of all you have told us, that the fruits of the future may be worthy the seeds you have sown and, when the Moon of the falling leaves shall see our school work renewed, although you be not with us, we shall know that you are absent because God wished you to 'occupy another place in life, holier and happier perhaps, and as we do today we shall send forth our love and best

JUDGMENT IN

NEPISIGUIT LUMBER CO. CASE TODAY

Against Firms Which Supplied Machinery--Judge White Says Lien Lost Against Subsequent Mortgagees

In the case of W. Harry Harrison vs. The Nepisiguit Lumber Co. Ltd., liquidation et al, defendants, Judge White this morning gave judgment in the Supreme Court Chamber. Several St. John solicitors were present when judgment was given.

This was a special case in Chancery division in which the special point to be decided was whether Wickes Bros. and Clark Bros Co., had first lien on the estate of the Nepisiguit Lumber Co., Ltd. and now in liquidation, for a certain machinery supplied by them and in the mill of the Nepisiguit Lumber Co. The lien had never been registered under the Bills of Sale Act.

The judgment of Chief Justice Barker and agreed in by Judges McLeod, Barry and McKeown with Judge Landry doubting was that this lien not being registered was lost absolutely and Wickes Bros and Clark Bros Co., could only rank as ordinary creditors against the estate of the Nepisiguit Lumber Co., Ltd. in liquidation.

Judge White this morning read a dissenting judgment to the effect that the lien was only lost as against certain subsequent mortgages and not against the shareholders.

The case was argued on July 15 last. The solicitors interested in the case are H. A. Powell for the plaintiff and Mr. M. G. Teed for the Nepisiguit Lumber Co. in liquidation and the liquidators thereof, D. King Hazen for Adams Burns Co., Ltd. Barnhill Ewing and Sanford for Fred S. Morse, J.H.A.L. Fairweather for Ralph W. Ellis and James R. Miller, F.R. Taylor for George W. Sinson, R. A. Lawlor for Wickes Bros and Clark Bros Co., defendants.

wishes hoping that they may draw you back, whenever possible, to visit our humble homes; there to find a ready and heartfelt welcome.

Dear teacher we trust that the new life may be filled with the joys you deserve; we congratulate most cordially him with whom you are about to unite your life and trusting God will bless you both, we ask a thought at times for each and every one of us, oh teacher, that you lived so long among."

HARDWOOD BELTS

OF YORK COUNTY TO BE DEVELOPED

Americans Looking Over Land With View Toward Establishing Mills and Factories

An era of marked development in the natural resources of the county of York seems imminent and American capital through Reciprocity is to bring about that development. Americans with money to invest have been closely watching the kind of events and are preparing to take advantage of the Reciprocity agreement to erect factories in the near vicinity of Fredericton.

KESWICK LANDS CRUISED

Mr. Ora Kelpatrick of Houlton, Me., well-known throughout this county has recently had a number of men cruising a tract of hardwood land on the headwaters of the Keswick stream, which he controls. The cruising has been done under the direction of Rainsford Allen and others. Mr. Kelpatrick has announced that with the Market of the United States made available by Reciprocity he will erect a hardwood mill and clothespin factory to manufacture the hardwood growing on his land. The Gibson Branch of the C. P. R. affords ready transportation facilities and the establishment of the industry mentioned will mean much to the Keswick district.

LAST-BLOCK FACTORY

It is also probable that another industry will be established in Fredericton or at some point on the Nashwaak River in the event of Reciprocity becoming a fact. This industry will also be connected with the great hardwood growth of York County. A short time ago a number of Americans arrived in this city and went from here to Stanley from which place they inspected the surrounding country. These gentlemen were interested in the manufacture of lasts and stated that it was their intention to establish a last-block factory at some point conveniently located in regard to the hardwood districts of the country. One large belt of hardwood extends between Maple Grove and Napadogan and is easily reached from the National Transcontinental.

Hardwood belts are known to be extensive in all parts of the province but up to the present time have not been extensively developed for manufacturing purposes. Reciprocity will make possible this development.

Mr. James White of Sussex, is registered at the Queen.

DIAMOND PRICES HIGHER

Washington, June 27.--U.S. Consul Fred W. Melvin at Amsterdam, reports that polished diamonds are 10 to 20 per cent. higher than a year ago, and adds that prices will continue to advance.

We were very fortunate in purchasing our stock of loose diamonds for the fall and holiday business before the advance in price. We have recently had some of the loose stones set up in beautiful solitaire and three-stone hoop settings. The single stone rings range from \$50.00 to \$250.00--the three-stone hoop rings from \$75.00 to \$275.00. At those prices they are about 15 per cent. cheaper than we could quote them if we had to buy our loose diamonds today.
