CANADIENS COULD ONLY TIE ALL NOVA SCOTIA HOCKEYISTS

Montreal Team Hard Pressed by Halifax Team Strengthened by Dunphy, Murphy and Morrison of New Glasgow.

Halifax, N.S., Feb. 24.—In a hockey struggle that will go down in the sporting history of the Maritime Provinces as the most brilliant exhibition of the great national winter game ever played east of Montreal, the famous Canadiens met a picked team of Halifax and New Glasgow professionals in the arena here to-night and after sixty minutes of the most nerve-racking play, both teams left the ice with the score of a tie-five to five.

For five minutes four thousand frenzied hockey fans shouted themselves hoarse, demanding a play-off, but the teams would not line up again, and the spectators filed out of the rink to their homes.

CANADIENS SURPRISED.

It was the greatest surprise the Canadiens ever received as they went on the ice, confident of doubling the score and backed five to one by Montrealers in the city and commercial men, who came from all parts of the lower provinces to witness the game.

Although the Canadiens were confident of victory, they were warned by their manager to score as many goals against the Nova Scotians as possible, and they fought hard to accomplish this. The result was never expected by the most ardent supporter of the local seven and demonstrates that the brand of hockey on the Atlantic seaboard is equal, if not superior, to that played in Upper Canada.

ALL-STAR TEAM EQUAL.

In the first game Thursday evening the visitors excelled the Halifax professionals, but the "All Star" team tonight was equal if not superior to the great Canadiens. For every moment of the game, the local players had the best of the territory and controlled the puck, and it was only the remarkable defense of the Canadiens that prevented Halifax rolling up a big score. The game started off lightning fast and the work of the local seven completely surprised the Montrealers. The pace was so fast that the Canadiens were forced to replace their men twice in the first half, when it seemed imminent that they would be completely outclassed.

MEN CHANGED.

In the middle of the first half, when the most sensational play was taking place, and the Canadiens were trying desperately to score, Poulin was ordered off the left wing by the manager, who directed the game from the boards. Dellaire took his place. Despite the sensational play of this star, the locals kept the play in front of their opponents' territory. Leduc was called off and LaLonde took his place.

With the addition of these fresh players, the teams were more evenly matched, but even then the visitors did not have an advantage and it was simply a case of fourteen great hockey generals battling for supremacy.

OLD CAPITALS THERE.

With the exception of Murphy, Dunphy and Morrison of the New Glasgow professionals, the local team was the same as met the Canadiens Thursday night. It was the addition of these three men, that added so much to the strength of the Halifax team, as they simply prevented combination work on the part of the Canadiens and kept them on the defensive. These men played for Galt this winter and were imported to the Maritime Provinces to strengthen the New Glasgow seven in the struggle for the professional championship. They understood the Canadiens' style of play and prevented the effective combination and brilliant individual rushes that won the game the night before.

An indication of the surprise the Canadiens received may be learned by the fact that they almost had to be forced to change the ice when penalized.

The line-up was:

Alexander is at present in St. Andrews, but will join the team at McAdam. He will play centre. McKnight and Kinghorn will be the forwards with Rigby and Dolan the guards.

GAMES AS ARRANGED

There has been some confusion concerning dates in connection with the tour and it is possible that games additional to those already arranged may be booked, while the team is in Ontario and Quebec. A.; Thursday, open date; Friday afternoon, Toronto Varsity; Saturday, Central Y. M. C. A., Montreal. The team will return on Monday or Tuesday of the following week.

EXPECT TO MAKE FAIR SHOWING

The U. N. B. team is not confident of making a clean sweep of the teams it will meet but expects to show the Upper Canadians that their teams are not of higher class than that of the local college. Toronto West End Y. M. C. A. are recognized as champions of Canada.

ST. ANDREW'S SHAMROCKS BEAT BROCKTON, MASS., AT BASKETBALL

St. Andrews, N. B., Feb. 24.—The liveliest basket ball game of the season took place tonight between the Shamrocks and the champion team from Brockton, Mass. The local team scored 14 in the first half, while the visiting team only made six. The umpire was changed in the second half, Donahue of Eastport taking charge, but even with this change the Shamrocks were victorious, the total score being 25 to 34.

HALIFAX CRESCENTS TOO MUCH FOR THE MASSACHUSETTS TECH

Boston, Feb. 24.—Coming up from behind the Crescent hockey team, of Halifax, defeated the Massachusetts Institute of Technology seven at the Boston Arena tonight by a score of 6 to 4. The Canadians were at the short end of 3 to 1 score when play began in the second half, but in twenty minutes scored five goals to the Technology's one.

TORONTO VARSITY WON FROM LAVAL 7 TO 6

Montreal, Feb. 24.—Toronto defeated Laval by 7 goals to 6 in an inter-collegiate league match at the Jubilee rink tonight. The French-Canadians played an exceptional brilliant game, and but for the magnificent work of Parker in goal the 1,800 onlookers would have seen a different result.
