U. N. B. AND ST. STEPHEN THISTLES PLAYED TIE GAME LAST NIGHT

Score 3 to 3---Tie Not Played Off---Game Characterized by Foul Tactics and Scrapping---Heavy Penalty List.

A slim crowd saw U.N.B. tie the St. Stephen Thistles at the Arctic Rink last night in a game that was characterized by scrapping, tripping, etc., etc. As a consequence of this, Referee "Tanker" Hughes kept numerous gentlemen roosting on the fence instead of cavorting around on the ice. In fact, "Tanker" had three U.N.B. men off the ice at one time, but it was not for long. Two off at a time was the usual limit.

The game ended 3 to 3. Captain Babbitt of the U.N.B. team, announced that the College team was willing to play over-time. St. Stephen declined and the game remained a tie. The spectators did not take kindly to the arrangement.

TOO MUCH SCRAPPING.

The visitors displayed lack of condition but were able to keep U.N.B. from scoring in the second half and were unable to do so themselves. They also showed a tendency to resort to foul tactics whenever possible and were heavily penalized, as was U. N. B. also. Green, the Thistles' captain, evidently had aspirations of being a boxer or at least a wrestler. He and Jack McKay had two or three bouts, mostly wrestling of the catch-as-catch can variety. The St. Stephen man was not entirely to blame however. Players should realize that they are of more value on the ice than on the fence.

U.N.B. TEAM.

McKay and Tapley were new men on the College forward line. No great improvement was noticed in the forwards' work however, as there was still the tendency to bat the puck ahead too much. Long shots were too frequent, Barry being the chief offender in this respect. The College defence was strong, Babbitt and Sterling playing probably the best game they have this season, while Loggie in goal, was also strong.

ST. STEPHEN TEAM.

Of the St. Stephen forwards, Lochary was the most effective. Anderson also played well. Green was off the ice too long to be of much service. Lindsay was rather ordinary at cover point but Lowe and Reid were very good. Reid, the goal-tender, devotes too much attention to grandstand play however, and should be gagged before going on the ice as he devotes too much time to unnecessary conversation with the referee. Lindsay was also very talkative while in the penalty-box, making personal remarks to the U.N.B. players.

FIRST HALF.

St. Stephen rushed the play from the start and Loggie had two or three stops to make before Machum took the rubber down the side. Lochary got two minutes for cross-checking Jack McKay. Lindsay got away on a good rush but Babbitt stopped the rubber. Sterling shot, but Lowe saved and Reid spoiled Machum's shot. Sterling made another good rush, but his shot was spoiled. "Judge" Barry became prominent at this stage, but combination was lacking among the U.N.B. forwards. Babbitt got away but there was no one to take his pass. St. Stephen took the puck to the other end, but it came back.

Machum and Lochary mixed it up back of the Thistles' net. Play went to the U. N. B. end and Loggie was kept busy.

ANOTHER SCRAP.

Tapley and Lowe mixed it up and got five minutes each on the fence. Sterling got two minutes on the side for picking up the puck and throwing it.

Jack McKay carried the rubber down the side and Archie Babbitt scored in 17 minutes on his pass.

ST. STEPHEN TAKES LEAD.

Just as Sterling got on the ice, Barry was penalized for cross-checking.

A man short, U. N. B. was hard pressed and there were several scrammages right in front of the College net. From one of these the puck went in off McKay's skate.

Lochary scored almost immediately after the face-off.

Score, Thistles, 2; U.N.B., 1.

SCORE TIED.

Playing five men to St. Stephen's six, U.N.B. tied the score as the result of a nice two-man combination. Archie Babbitt, who was playing an aggressive game, although off color on shooting, carried the rubber through

the Thistles and Tapley scored on his pass.

Score, 2 to 2.

SCORE TIED AGAIN.

St. Stephen dug right in from the face-off and put the collegians on the defensive at once.

In about a minute Green poked one past Loggie and made the score 3 to 2 in favor of St. Stephen. U.N.B. then bucked up. Barry all through the game played too far back from the rest of his forwards. Time and time again he tried long shots on the net, which were absolutely useless. He was not alone in that however. To the college rover nevertheless, fell the honor of again making the score a tie and he did so with a magnificent long shot from the side which beat out both point and goal-keeper.

Score, 3 to 3.

Play had hardly recommenced before Jack McKay and Green, after rubbing one another against the boards, squared off and proceeded to punch one another. The referee's eagle eye took in the incident, and the scrappers were given five minutes on the side. Half-time came without further scoring.

SECOND HALF.

U.N.B. became aggressive. St. Stephen relieved the pressure. Long shots which as usual were ineffective, were put in by the U.N.B. forwards. Babbitt got through but Lowe spoiled his shot.

Green and McKay both got back on the ice and play warmed up.

U.N.B. kept the rubber at St. Stephen's end. Sterling stopped Lochary by what appeared to be a legitimate check, but "Tanker" gave him two minutes on the side. Lowe tripped Babbitt and got the same dose.

LOTS OF PENALTIES.

Reid stopped a hot one from Barry's stick.

Lindsay tripped Barry and was given five minutes on the fence.

St. Stephen got away, but the rubber came back. Reid, who was playing to the grandstand all through the game, stopped the puck by sitting on it.

Lindsay got back on the ice and distinguished himself by chopping Machum across the legs and getting away with it.

ANOTHER SCRAP.

McKay and Green got into another scrap and were put off for the rest of the game.

There was a long wrangle on account of the penalty. Play was resumed and during the remaining few minutes of time U.N.B. kept St. Stephen on the defensive.

The line-up was:

U. N. B.	St. Stephen.

ABE ATTELL HAD SHOULDER BROKEN IN KILBANE BOUT

Cleveland, Jan. 31.—The fight between Abe Attell and Tommy Kilbane came to a sudden end in the fourth round at the Eagles' Club last night when Abe's right arm was broken. It was to have been a 10-round go, and Attell had had all the better of the Cleveland boy on points when the accident happened.

Kilbane led and Attell countered, the two going into a clinch. As they broke they fell, Kilbane's weight going on Attell's arm. Kilbane arose at once, but Attell was scarcely able to arise. He informed the referee that he was hurt and physicians were summoned.

An examination showed that Attell had suffered an intercapular fracture of the right shoulder, which may cripple him for life and cause his retirement from the ring.

LATER

The fight between Abe Attell, featherweight champion, and Tommy Kilbane, here last night, in which Attell broke his right shoulder bone, was declared no contest by Referee Will McKay today.

Cleveland doctors who treated the fighter are confident that a couple of months will completely restore him and Attell himself is equally optimistic. He asserts that on two occasions, when he suffered from a broken hand and a broken nose respectively, a couple of weeks were sufficient for the bones to knit.

E. CHASE WON ROLL-OFF AT ARCTIC ALLEYS

At the Arctic alleys last night E Chase won the weekly roll off and incidentally the watch fob presented by Manager Ken White. His scores were 89, 77, 116, a total of 282, with an average of 94. Ramsay was second. His scores were 88, 80, 91, with a total of 259, and an average of 86 1-3.

PUCKLETS.

U.N.B. forwards should have played the puck more and the man less. Jack McKay, when penalized for the rest of the game, left the ice and went to the dressing-room. Reid raised a howl and wanted "Tanker" Hughes to bring him back and put him on the fence, presumably for ornament.

St. Stephen, according to Manager Maxwell, has practically arranged a game with Marysville at St. Stephen for Friday of next week.

U.N.B. will give the Thistles a return game.

ST. JOHN WILL BRING REGULAR TEAM HERE

The St. John Telegraph, speaking of tomorrow's game here between St. John and Fredericton, says:

"Tomorrow morning the St. John hockey team will leave for Fredericton where, in the evening they will play the Marysville Crescents in a league match. St. John will have its full team of Pierce, McAvity, Philips Gilbert, Clawson, Parker and Moonsey, and with an even break of luck and fair treatment, should win. A victory would settle beyond all doubt where the championship is going to rest this winter, and here's hoping Capt. Clawson and the boys win."

Speaking of "fair treatment" has any team that has played here this winter got anything else? Perhaps the Telegraph is raising a howl too soon.

GARDNER AND KLAUS FOUGHT DRAW AT BOSTON

Boston, Jan. 31.—Jimmy Gardner, of Lowell, and Frank Klaus, of Pittsburg, fought twelve rounds to a draw at the Army Athletic Association tonight. Gardner was knocked down with a left to the head in the first round, but evened matters up before the bout was over with some telling punches to the face and body.

SUMMERSIDE LOOKS LIKE P. E. I. CHAMPS

Charlottetown, P. E. I., Jan. 31.—The third game of the P. E. I. hockey league took place in Summerside tonight when the Crystals of Summerside, defeated the Victorias of Charlottetown, by a score of 3 to 2. The Crystals are now leaders in the league, having won two games and lost none.

BASEBALL NOTES

The Providence Club refused to waive claim on infielder McDonald of the Toronto Club, but wired that they would let him go to the Troy Club.

Manager Jimmy Casey of Fort Wayne, recently sustained a heavy loss by the burning of the shop in Detroit in which he had been manufacturing automobile accessories.

The veteran Wilbert Robinson has decided to once more train the Giants' young pitchers next spring down in Texas. "Robbie" is very popular with the New York players and scribes.

The White Rats have protested against the rush of ball players into vaudeville; baseball writers want them to keep out of the press box. Pretty soon the much-maligned ball player won't be able to do anything except play ball.

Cleveland scribes say that "outfielder Joe Jackson" will be after the league base-stealing honors this coming season. What is this based on considering that Jackson stole only four bases in the twenty games he played last fall?

Two White Sox recruits—Pitcher Heinrichs of Brandon and Outfielder Bowser of Flint—last week sent in their signed contracts. Bowser was a big batter in the South Michigan League last season, clipping the pellet for an average of .342. He had 150 hits to his credit among which were 14 home runs.

Umpire O'Day frowns on the idea of the hardworking "umps" going south and working in preliminary games just to get their eyes focussed on the plate. The veteran arbor figures that umpires have enough opportunity around their native villages to get their lamps back to nature after a long winter's rest without going to the troubles of travelling all the way to Texas or Florida for eye treatment.

HIS ALIBI

(Harper's Weekly)

Rastus had been caught red-handed. "Poaching again, Rastus?" said the Colonel, gravely. "I am afraid, Rastus, that you're a bad egg."

"Yassuh, dass what I is fo' sho', Colonel," said the old man. "I's jest a plain bad aig, Cunnel."

"So you admit it, do you?" demanded the Colonel.

"Yessuh—I admits it, Cunnel, becuze ye know, Cunnel, dem bad aigs nebbeh poaches, suh," said the old man.

Whereupon the Colonel let him off with no other punishment than a tolerably swift impact between the toe of his boot and the tails of Uncle Rastus' frock coat.

When dusting ceilings and walls it is a good plan to fit the broom-head with a bag, provided with a string to draw it close. With this the ceiling and walls can be conveniently dusted.

HALIFAX WANDERERS TRIMMED CRESCENTS

Halifax, Jan. 31.—The Wanderers defeated the Crescents tonight in a fast and interesting game of hockey to the tune of 11 to 6. The score does by no means indicate the play, for the Crescents had equally as much of the territory as their opponents. The superior team work and accurate shooting of the Wanderers were responsible for their decisive victory. The score at half time was 11-5 in favor of the Wanderers.

The second period was very fast, with the Crescents working hard to reduce the big lead. In this half they clearly outplayed the Wanderers, but their shooting was very inaccurate, and they missed numerous chances to score. Condon, McGrath and Campbell starred for the Crescents and Bauld, Reardon and McPherson did likewise for the Wanderers.

Wolfville won from the Dartmouth Harriers tonight in the Western league series, by the score of 8-2.
