

## Neilson's

### The Chocolates that are Different

"Chocolates Made Fresh Every Hour" is a myth. Chocolates would not be fit to eat an hour—a day—or even a week—after being made.

The cream centers would be hard, and the fruit flavors, cream and chocolate would not be sufficiently blended.

To have chocolates that are really delicious, they must be matured just as the Christmas fruit cake is made weeks before it comes on the table.

Imagine eating fruit cake an hour after it comes from the oven!

Neilson's Chocolates are matured for at least a month. This maturing brings the fruit centers back to their original soft creaminess.

33 different packages of these different Chocolates—each one a surprise in chocolate making.

If you can't get Neilson's Chocolates conveniently in your neighborhood, send us 80c. for a pound box of the most delicious assorted Chocolates you ever tasted.

"I had been bothered with a lame back, Rheumatism and Heart Disease for over thirty years," Mr. Vincent states. "For days I would be laid up in bed. At times it caused me great pain to even turn in bed. I tried all kinds of ointments, plasters and electric belts, but got no relief till I used Dodd's Kidney Pills. Three boxes of them cured me."

Hundreds of other residents of the Island have used Dodd's Kidney Pills and they all tell the same story: No case of Kidney Disease no matter how severe or how long standing, can stand before Dodd's Kidney Pills. They are the one sure cure of every Kidney Disease from Backache to Bright's Disease.

## SEIZURE OF OPIUM AT TORONTO

Toronto, Ont., Mar. 24—Two thousand dollars worth of opium labelled "imported bread" was seized yesterday afternoon by staff inspector Kennedy. With the opium three Chinamen were taken to the police station.

## "Pneumonia"

Pneumonia is nothing more or less than "Lung Fever," or as it used to be called, "Inflammation of the Lungs" and the results come entirely from a local source; such as taking a violent cold.

There is more or less difficulty in breathing; a cough, at first dry, but soon accompanied by raising a thick, sticky, rusty-colored matter, composed of a mixture of phlegm and blood.

There is only one way to prevent Pneumonia, and that is to cure the cold just as soon as it appears. Dr. Wood's Norway Pine Syrup will do this quickly and effectively.

Mrs. G. W. Bowman, Pattullo, Ont. writes: "Three years ago I caught a cold which ended in a severe attack of Pneumonia. Since that time, at the beginning of each winter, I seem to catch cold very easily. I have been so hoarse that I was unable to speak loud enough to be heard across the room. Last winter, however, a friend advised me to try Dr. Wood's Norway Pine Syrup, saying it had helped her. I bought a bottle and before it was half used I was completely cured. I also find it a good medicine for the children when they have colds."

Dr. Wood's Norway Pine Syrup is pine trees the trade mark; the price 25 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

## REV. DR. McLEOD AND RECIPROCITY

Some Wholesome Advice Handed Out to the Editor of the Maritime Baptist.

To the Editor of The Telegraph: Sir—I notice in The Maritime Baptist of March 8 that the Rev. Dr. McLeod, having had his attention called to the article entitled "Reciprocity" on page 1 of the issue of that journal for March 1, feels impelled to repudiate every sentiment and shade of sentiment in which it approves of the proposed reciprocity arrangement now under consideration at Ottawa. What the reverend gentleman objects to you will find in the article of March 1, viz:

1. That the aim of these changes is to make free trade in the natural products of the country.

2. The terms of the agreement are undoubtedly in harmony with the popular demand of both countries, but are naturally distasteful to those whose special interests are adversely affected.

3. It is difficult to see the force of the argument that removing the barriers of trade will weaken the ties of the British Empire and lead eventually to political union of the United States.

First, then, Rev. Dr. McLeod is opposed to free trade. That is his right, but I pity his ignorance.

In the second place, the terms of the agreement undoubtedly are in harmony with the popular demand, but are naturally distasteful to those whose special interests are adversely affected.

Mr. Editor, this is the gospel you have been preaching ever since the introduction of the treaty. And it is strictly true for this province.

Thirdly, it is difficult to see the force of the argument that the removal of the barriers of trade will weaken our loyalty. It is impossible to produce any facts to prove any such nonsense; for when men are prosperous they are generally happy and contented, and seek no change; and as Rev. Dr. McLeod is old enough to remember when we had reciprocity as well as I can, if he had been a farmer then he would remember that during reciprocity a sheep-skin with the wool on would bring as much as the sheep, pelt and all would bring two years after reciprocity terminated. He never failed. He never has been a producer, and has enjoyed a long life, having been fed and clothed by the proceeds of the labors of others. Hence he has no right to assume the rule of pope of the Baptist denomination and issue his letter of instruction to his readers now lest he may never pen another interview.

Well, Mr. Editor, I greatly misjudge the temper of the Baptists of the Maritime Provinces if Rev. Dr. McLeod's action is not the means of causing his removal from the editorial chair of The Maritime Baptist; for I hold that a man of his age and experience must remember as well as I can the time when, under Tory rule the Baptist minority of this province were not allowed to solemnize the marriage rite. And if he is not old enough to remember when a dissenting clergyman was elected to the local house and was debarred therefrom under Tory rule unless he would subscribe to the thirty-nine articles of the Church of England—if he does not remember it, he knows the history well.

He should know, also, that the Baptist church is one of the most democratic institutions in the world and that their articles of faith are taken from the only truly democratic book in the world, the Bible. Hence the inconsistency of one who professes to teach that faith and practice in attempting to teach extreme Toryism, which means church and state. He had better resign his position and go and camp out.

Yours truly,

I. T. HETHERINGTON.

Jenkins, Queens County,

March 15, 1911.

## THE MR. CHAS. S. EVERETT

The St. Andrews Beacon says: Mrs. Everett was a woman of great energy and intelligence, an accomplished musician, a leader in the community's affairs, of quick sympathies and generous impulses, devoted to her home, to her church, to missionary enterprises and all good works. In early life she had been a member of the teaching profession. She was president of the Ladies' Presbytery for a term, secretary of the Canadian Literature Club, until illness compelled her to resign, teacher in the Presbyterian Sunday School, and at one time a member of the choir of the church. The welfare of St. Andrews was one of the subjects nearest and dearest to her heart, and even in her illness she was making plans for the betterment of the place. She is survived by her husband, two sons, four brothers and three sisters. Three of her brothers reside in California; the fourth, Mr. Edward A. Smith, is a prominent merchant in St. John. Her sisters are Miss Oattie, of the Nova Scotia Normal School staff; Mrs. Hooper, of W. Springfield Mass., and Miss Eliza Smith of St.

## THINK IT OVER.

In 1910 two men, members of the one family, supporters of the Hazen ministry, were together paid upwards of \$2,000 for work as superintendent and foreman respectively on the ordinary bridges of York. The laboring men employed on the bridges were paid a total of about \$5,300. Think it over.

## Palpitation of The Heart

When the heart begins to beat irregularly or intermittently, palpitate and throb, skip beats, beats fast for a time then so slow as to seem almost to stop, it causes great anxiety and alarm.

The least excitement or exertion seems to effect it.

Many people are kept in a state of morbid fear of death, become weak, worn and miserable through this unnatural action of the heart.

To all such sufferers Milburn's Heart and Nerve Pills can give prompt and permanent relief.

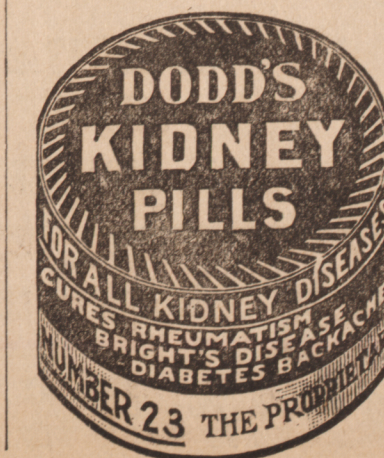

Mrs. John Thompson, Mill Cove, N. B., writes: "Just a few lines to let you know what Milburn's Heart and Nerve Pills have done for me. I have been troubled with weakness palpitation of the heart; would have severe choking spells, and could scarcely lie down at all. I tried many remedies but got none to answer my case like your pills did. I can recommend them highly to all suffering with heart and nerve trouble."

Milburn's Heart and Nerve Pills are 50c. per box or 3 boxes for \$1.25 at all dealers or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Andrews.

The funeral was held on Sunday afternoon. It was attended by a large number of citizens. A very impressive service was held at the house by Rev. A. W. Mahon, the choir of Greenock church rendering the sweetly familiar hymns "Rock of Ages" "Christ of all my Hopes the Ground," and "Immanuel's Land."

Very many beautiful floral tributes covered the casket. The pall-bearers were M. N. Cuckburn, G. H. Lamb, J. R. Oasler and R. E. Armstrong. Interment took place in the rural cemetery.
