NEWS FROM THE SPORTING WORLD

Eleven Harvard men have entered for the Irish-American Athletic Club games, which will be held in Madison square gardens Saturday night. They will represent their university in the various events while the batch that entered last week will compete under the colors of the Boston Athletic Club.

Reggie Foster, the intercollegiate sprinter, has entered in two events. He will make his debut as a hurdler in the 70-yard low event and will start in the 60-yard dash. Among the others who will represent the Crisom are J. K. Lewis, J. B. Cummings, J. D. Baker and H. M. Warren.

It is a pleasure to note that E. M. Roberts, Amherst's most notable athlete, whose leg was broken in the Harvard-Dartmouth football game last fall, and quickly recovered from his injury and is entered in the B.A. A. indoor meet. Roberts combines an all-round excellence in sprinting, hurdling and broad jumping, as well as being a very fast football end.

George V. Bonhag is evidently at his top form. In the international three-mile championship race with Harry Tressider of Toronto, at Buffalo, Saturday night, he took the heart out of the Canadian by a terrific sprint two laps before the finish and won, easing up, in 14:30 4-5, only 1 2-5 seconds slower than Bonhag's best on record for an indoor race for the distance.

Francis Kempe of Red Wing, Minn., won the professional national ski jumping championship at Chippewa Falls, Wis., Sunday, with jumps of 118 and 121 feet. Two 14-year-old boys, Melvin Hendrickson and Teddy Larson, in the boys' class, made jumps of 125 and 121 feet respectively, the former beating out Kempe in points.

According to the Yale hockey officials, no date or place has yet been fixed for the proposed game between Yale and Harvard. Each university wants the game, but Harvard still insists that it be played in Boston, while Yale wants it in New York. Yale claims that New York is neutral ground but has offered to have the games alternate between New York and Boston. Negotiations are still going on and neither seems to have despaired of having the game. There is, however, no certainty that it will be played.

In St. Louis on Tuesday night, Walter M. Hartley and Al Seiler of East Liverpool, O., today went into the lead in the bowling doubles with a total of 1246, which is expected to

carry off the two-men team prize of the American congress tournament. The Ohio team displaced Erickson and Magnuson of Chicago, whose 1229 had held the lead since last week.

In Philadelphia on Tuesday evening Alfred de Oro, champion pool player of the world, won the first block of his match with William Douglas, champion of Pennsylvania, 200 to 194. De Oro's highest run was 23, while Douglas ran 24. The match is 600 points, 200 each night.

Returns from the ninth and tenth rounds of the indoor league race of the U. S. revolver association brought the elimination of the last club to stay in the race with the Manhattan club of New York. Newark met defeat for the first time, when the Smith & Wesson club of this city, beat it in the tenth round. A world's record score of 1129 is claimed by the Portland, Or., club, but has not yet been declared official.

John E. Madden has taken up Harry K. Devereux's suggestion for an old-fashioned free-for-all race to determine the best trotter in America, regardless of sex or age, which is not now a champion.

Madden's two boys, Edward and Joe, whose trotting interests are looked after by John Splan, have a mare that they believe is a potential champion of the world—Soprano. Against her is that great horse, Joan. It is Madden's proposition to assure the meeting of these two and have as many more enter as care to pay the starting fee. There has been some talk of Readville adding a purse for the race.

Glenn S. Warner, coach of the Carlisle football team, is trying hard to secure a game with Harvard for 1911. Yesterday Warner and coach Haughton of Harvard held a long conference over the matter. While no understanding was reached, the Indians possibly may be given a game Nov. 11.

Harvard originally had Cornell on the list for Nov. 11 but the Ithacans were unable to come to Cambridge at that time. Then Amherst was asked to fill the date, but the invitation was not accepted because of Amherst's previously scheduled games. Carlisle has played Harvard a most yearly since 1896 and is very anxious to get a game this fall. Haughton has given a little encouragement for a game but the Indians always are a good attraction, and the Crimson, with Brown and Princeton coming Oct. 23 and Nov. 4 and with Dartmouth and Yale on Nov. 13 and 25 respectively, very likely will consider the proposition favorably.

MARYSVILLE HOCKEY TEAM

DECISIVELY DEFEATS ST. JOHN

Defeated the League Leaders by a Score of 3 to 1—Sussex in First Place Now—Fredericton Defeated at Chatham 6 to 4—U. N. B. Wins From Chatham Y. M. C. A. 50 to 22.

At the Arctic Rink last evening before a fair sized crowd of fans Marysville had little trouble in defeating the St. John aggregation by a score of 3 to 1. That the score was larger is rather due to the off shooting of the Marysville forwards than to any stellar work put up by the St. John defence. Time and time again Marysville forwards took the puck right to the St. John net only to miss a comparatively easy shot.

The game was pretty fast, hard and clean. During the whole evening only three penalties were handed out by Referee Staples. Gordon Hovey drew the longest rest, five minutes, for cross-checking Philips. The other two penalties were for the minor offences of tripping.

The St. John team does not look nearly as dangerous on the ice as they do on paper. Last evening their forwards seemed to lack both combination and the power of boring right in on the nets. The St. John forwards seemed to indulge in too much playing or juggling with the puck instead of taking it right ahead. Gilbert, their rover, was inclined to lag behind in the rushes in order to shoot from far out. This was certainly detrimental to the combination work of the team. MacAulay probably showed up best among them. The St. John defence men Philips and McAvity did too much grand stand work in front of their own net. According to the modern practice of playing hockey in front of one's own net is the last place for a defence player to do stunts in spectacular stick handling. They were also weak in checking and failed to get Brogan when Marysville scored their first two goals.

The Marysville boys certainly played their best game of the season. They were as speedy as ever and their combination work was above standard. The only drawback to their performance was the quality of their shooting which was certainly a little off. Playing the game they did last evening they should have at least doubled the score. Robertson was especially unlucky in this respect and lost several good chances of scoring. The particular feature of the game was the stellar work of George Brogan, the Marysville point. He was easily the best man on the ice and his end to end rushes were the features of the evening.

The game was quite fast. Both teams got away on several good rushes, but the greater part of the game centred at St. John's end of the rink.

FIRST HALF

On account of three of the St. John players not arriving till the evening train the game was late in starting and it was 8:54 before Referee Staples called the players together in mid ice for the usual warning. From the face off the play went to St. John's end. Play saw-sawed back and forth for a minute or two. From near mid ice Roy Robertson obtained the puck and made a good rush. He shot but failed to beat out Pierce. With the play at their own end Philips and McAvity began to indulge in too much stick work right in front of their own goal and Pierce had his work cut out for him during the next minute or so. Robertson was given a two minute rest for tripping. With six Marysville men on the ice, George Brogan obtained the puck near his own end and made the most spectacular end to end run of the evening, beating out Pierce on the shot. Score Marysville 1, St. John 0. Time 11 minutes.

From the face off the puck went back to Brogan, who again ran up the whole length of the rink. His shot however was wide. Gilbert then got hold of the puck and shot on Marysville's goals. Fullerton however was there with the goods. Philips then took a hand at shooting but his shot went wide. From behind Marysville's goal Brogan took the puck up the whole length of the rink and again beat out Pierce on the shot. Score Marysville 2, St. John 0. Time 17 minutes.

From the face off McAvity got in a good end to end run, but his shot was away off. Gilbert then tried his luck but Fullerton got in the way of it in time. Hovey and Mooney here got into a mix-up, but it was all behind the net. Back so they got away with it. Brogan made another end to end run but his shot was wide. Clawson was given a three minute rest for tripping. After the face off Hovey tried a long shot but missed. Just before the whistle blew for time, Robertson tried his luck at a run up the ice but slipped just before he shot. The half ended 2 to 0 in favor of Marysville.

SECOND HALF

The second half opened with Clawson still in the penalty box. From the face off the puck went to St. John's end where several shots were made on the St. John goal. The game saw-sawed back and forth with Brogan figuring in several end to end rushes. Pierce had his work cut out for him here as the shots were coming in hot and heavy. McAvity attempted a rush and as usual carried the puck across his own goal. Robertson took the puck away from him right in front of goal and shot, netting Marysville's third and last goal. Score, Marysville 3; St. John, 0. Time 6 minutes.

From the face off Brogan ran down and shot. The puck stuck in Pierce's pads, so the referee called a face off in front of goal. The puck then went to the other end. Brogan and Robertson both tried shots, but missed. Mooney then got the puck from near centre ice, and ran up and shot, beating out Fullerton. Score, Marysville, 3; St. John, 1. Time 11 minutes.

The rest of the game was mainly in St. John's end. Brogan and Robertson made a good combination run but Robertson kicked just before he shot, so the goal was not allowed. Hovey was given a five minute rest for cross checking Philips behind his own goal. The rest of the half was mainly at St. John's end. The game ended 3 to 1 in favor of Marysville.

The teams lined up as follows:

CHATHAM, 6; FREDERICTON, 4.

Chatham, Feb. 2.—Chatham won out over Fredericton tonight in a close hard-fought match, by a score of 6 to 4. The locals had much the better of the play and had it not been for the phenomenal work of Titus in goal, the Chatham tally would have been in two figures.

Synnott and Flood started off with a nice combination and landed the puck in the goal just after the whistle blew for an offside. The puck went to the centre and then Chatham started a rush which ended in a goal by Milford in two minutes. After four minutes of play Duncan made a beautiful run from goal to goal and shot. Watters blocked out but failed to clear and Duncan rushed the puck in. Score, 1-1.

Duncan was given three minutes for tripping and while he was off Winslow made it 2-1. The score saw-sawed and at the end of time it stood 3-2 in Chatham's favor.

SECOND HALF

Chatham started off the puck and played rings around Fredericton's forwards. For minutes at a time the locals were bombarding Titus and the Fredericton goal tender cleared a baker's dozen before Synnott sent in a high one. Titus ducked, thinking the puck would go over the net, but it dropped in. Fredericton now did better and forced the play, but could

not score. The puck came back to the Fredericton end when Walker who was playing a great game and had moved up to rover, secured it, and made a run through Chatham's defence, scoring on a clean shot. The score, 4 to 3.

The game was now very fast, but Fredericton could only relieve their goal by occasional dashes. Finally, Synnott made a beautiful run of 40 yards, and passed to Watling, who beat out Titus. Synnott and Duncan each scored again and the game ended with this puck at Fredericton's end.

Fredericton suffered from the penalties incurred by Duncan's tripping, but Chatham played the best combination form they have yet shown, and it was apparent that the only question was, could they beat out Titus. They were much faster than the Fredericton forwards and their combination gave them control of the puck for three-quarters of the time.

The teams lined up as follows:

Fredericton	Goal	Chatham
Titus	Point	Watters
Sterling	Cover Point	Watling
Walker	Rover	Milford
Babbitt	Centre	Synnott
Galloway	Left Wing	Winslow
Duncan	Right Wing	Barter

Summary—First half, 1 Chatham Milford 2 min; 2 Fredericton, Duncan, 6 min; 3 Chatham Winslow, 8 min; 4 Fredericton, Duncan, 11 1/2 min; 5 Chatham Flood, 13 min.

Penalties—First half, Fredericton, Duncan 3; Sterling 1, Duncan 5, 9 min; Chatham, Barter 1. In second half, Fredericton, Duncan 5, Walker 3, 8 min; Chatham, Synnott 3 min. Totals, Fredericton 17 min., Chatham 4 min.

U. N. B., 50; CHATHAM, 22.

The University Basketball Team scored a decisive victory over the Chatham Y. M. C. A. team, defeating them by a score of 50 to 22. The visitors were beaten by the combination play of the College quintette, many of the U. N. B.'s baskets being made a few seconds after the throw-up in centre by nice combination.

The Chatham team scored most of their goals on long shots, which they attempted all through the game. Their play would have been much more effective if they had saved their shots until close in on the basket. MacCallum and Mersereau put up the best game in forward play while Loggie was the most effective defence player for Chatham.

The U. N. B. team showed a great improvement over their last game. Captain Rigby had his eye on the basket and scored 10 field goals, as well as four penalty goals.

McGibbon showed up well, getting some difficult baskets. Kinghorn and McKnight played their usual fast game but McKnight was tagged too closely to get many baskets.

Dolan figured for the first time this season on the U. N. B. line-up, and, as usual, played the whole defence game.

The game commenced about 4.20 and Chatham scored first, U. N. B. evening up a minute later. The half ended with the score 24 to 13.

In the second half Mersereau was slightly injured, but continued in the game.

"Dab" Coy made a very satisfactory referee.

The teams lined up as follows:

U. N. B.	Forwards	CHATHAM
McGibbon	Mersereau	
McKnight	MacCallum (Cap)	
Kinghorn	Centre	
	Defence	
Rigby (Capt.)	Loggie	
Dolan	Murray	

The scoring was made up as follows: U. N. B.—Rigby, 10 field goals, 4 penalty goals; McGibbon, 5 goals; Kinghorn, 5; McKnight, 3.

Chatham—MacCallum, 4 field goals, 4 penalty goals; Mersereau, 3 goals; Murray, 1 goal; and Fraser, 1 goal.

HOCKEY NOTES

Moncton, Feb. 2.—The Moncton hockey team left this afternoon for Halifax to play the Crescents Friday night. The Moncton line-up against the Crescents will likely be: Wortman, goal; Brown, point; Doran, cover; Scott, rover; Nicolls, centre; Crockett and Norman, wings. Quite a number of fans will leave tomorrow morning for Halifax to see the game.

Notwithstanding the most positive denials of the Moncton management, it is said there will be a dark horse in the hockey game at Halifax to-night. Whether it is Art Ross or some other celebrity cannot be stated, as all who know appear to be sworn to secrecy.

The U. N. B. team will be unable to grant the request of King's College and play them in Windsor, because Acadia refused to change the date of the game with the U. N. B. ahead a day.

The rumor that has been going round that Dunphy and Morrison might turn out with New Glasgow cannot be substantiated according to the Sydney Record. It says: "Frank Morrison and Billy Dunphy of the Galt, Ont., professional hockey team, are on a short visit to their homes in North Sydney. A rumor is going around, however, that Morrison and Dunphy will sign up with the New Glasgow professionals. No confirmation can be had.
