**COULD NOT
SWEEP FLOOR**

Was So Terribly Afflicted
With Lame Back.

It is hard to do housework with a weak and aching back, and no woman can be strong and healthy unless the kidneys are well.

The weak, lame and aching back comes from sick kidneys and should be attended to immediately so as to avoid years of terrible suffering from kidney trouble. Mrs. Harvey W. Brownell, Northport, N.S., writes:—"I now take pleasure in writing you, stating the benefit I received by using Doan's Kidney Pills. About a year ago I was terribly afflicted with lame back, and was so bad at times I could not sweep my own floor. While looking through your B.B.B. Almanac I saw Doan's Kidney Pills were a great remedy, so thought I would try a box or two. After using five boxes I was completely cured, and I am very thankful to have found so speedy a cure."

Doan's Kidney Pills are 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont. In ordering direct specify "Doan's."

(Canadian Press.)

New York, Nov. 23.—Riotous disorder broke out last night at a performance in which Irish Players, recently arrived from Dublin, attempted the "Play Boy of the West" at Maxine Elliott's theatre. Much refuse was thrown at the actors and police reserves were called. Ten prisoners were taken. Rioting broke out when the "Play Boy" came on to announce that he had killed his father and was lauded by the women characters. There were cries of "Shame! Shame! That's not Irish," and the like.

**WOMEN TO VOTE DEC. 5
IN LOS ANGELES ELECTION**

Los Angeles, Calif., Nov. 29.—The most strenuous and most interesting municipal campaign ever known in the history of Los Angeles is rapidly drawing to a close. Only a few days more of hard campaign work and the deciding battle will be fought at the polls, on December 5. What the result will be, it will be made by the vote of women.

For years the women have been working assiduously to gain political recognition and the right to vote in this State. At last, at the State election a little more than a month ago, their urgent wish was fulfilled and the franchise was granted to them by an amendment to the State constitution. That the women have now actually entered the political arena in this State and are a power to be reckoned with in the future is no longer a debatable question. The campaign in this city, now drawing to its close, is an argument which cannot fail to convince even those scoffers who belittled the importance of the "votes for women" movement a few months ago. This campaign, which will go down in history as the first positive manifestation of woman's political power in California, was a battle royal fought by women.

LOS ANGELES FIRST

It was granted to the women of Los Angeles to undergo the first test of their political fitness in a campaign of unparalleled fierceness and, on December 5, the day of election on they will be the first among the women of California not only to use their newly granted franchise but to decide the result of the election. There is not the slightest doubt that the women of Los Angeles hold the balance of power and that the outcome of the election depends entirely upon the vote of the woman, of whom more than 85,000 have been registered.

At the recent primaries an exceedingly small vote was cast. John Harriman, the Socialist candidate for mayor, who is associated with the defense of the Macnamaras, defeated George Alexander, the present mayor, who is running on the good government ticket, by more than 3,000 votes, but his plurality fell

short of a majority by more than 4,000 votes and for this reason it was left for coming election to make the final decision.

WOMEN ACTIVE

In the mean time, however, the right to vote was granted to women and the women of Los Angeles fully aware of their power, were not slow in availing themselves of their rights by registering for the coming municipal election. After the fizzle of the primaries the male voters of the city too realized that they would have to bestir themselves and the result was that since the primaries more than 191,000 voters have been registered.

Job Harriman, who has a strong following among the laboring classes, received financial support from Socialists in all parts of the country and carried on an energetic campaign. Mayor Alexander, realizing how critical the situation was and that the decision rested with the women appealed to the latter, especially those of the wealthy classes and they responded bravely. Traveling in automobiles scores of society women made a thorough canvass among the laboring women, urging them to use their votes and influence against the Socialist candidate. The Harriman party also had women electioneering among the women of the poorer classes and only the election will show which side was more successful in its efforts.

MARK WENDELL PHILLIPS-CENTENARY

Boston, Mass., Nov. 29.—The regard in which the memory of Wendell Phillips is held was given expression in Boston and vicinity today by notable exercises commemorating the 100th anniversary of the birth of the celebrated orator and reformer. The all-day observance began at sunrise with a pilgrimage to the Phillips tomb in the Milton cemetery. Later in the day exercises were held at the site of Phillips' birthplace in Beacon Street, at his old home in Phillips Square, and in Faneuil Hall, where his silver-tongued oratory was often heard in behalf of abolition, Irish Home Rule and other reform movements which he advocated.

**I Am Willing To Prove
I Can Cure You**

To That End I Am Giving Away \$10,000
Worth of Medicine

In order to show beyond all doubt that I am in possession of a medicine that will cure kidney trouble, bladder trouble or rheumatism, I will this year give away ten thousand dollars' worth of this medicine, and anyone suffering from these diseases can get a box of it absolutely free. All that is necessary is to send me your address.

I don't mean that you are to use a part of it or all of it and pay me if cured. I mean that I will send you a box of this medicine absolutely free of charge, a gift from me to the Uric Acid sufferers of the world, so I can show them where and how they may be cured. I will not expect payment for this free medicine, nor would I accept it now or later if you sent it. It is free in the real meaning of the word.

For twenty-five years—a quarter of a century—I have been trying to convince the public that I have something genuine, something better than others have for the cure of stubborn, chronic rheumatism, for torturing kidney headache, for annoying cystitis, for a few things unsuccessfully and give up all hope. I refuse to listen to anyone thereafter. Happily, I am in a position now to demonstrate to sufferers at my own expense that I have a medicine that cures these diseases. I don't ask them to spend any money to find out; I don't ask them to believe me, nor even to take the word of reliable people, but all I ask is that they allow me to send them the medicine at my own cost. That is surely fair.

To this end I have set aside ten thousand dollars, which will be used to compound my medicine. Much of it is ready now to be sent out, all of it fresh and standard. There will be enough for all sufferers, though there be thousands of them. And anyone who needs it can get some of it free. But in order that I shall know that you have a disease for which this medicine is intended, I ask you to send me some of your leading symptoms. If you have any of the symptoms in the list printed here you need my medicine and if you will write me I will gladly send you a box of it free with full directions for your use. Look the symptoms over, see which symptoms you have, then write me about as follows: "Dear Dr., I notice symptoms number—here put down the numbers, give your age, full address, and send it to me. My address is Dr. T. Frank Lynott, 834 Franklin Building, Toronto, Can."

The ten thousand dollars I am spending for the compounding of my medicine is only a part of the money I am devoting to this cause, for the package of medicine I send you will be fully prepaid at my expense. From any standpoint you view it, YOU incur no expense or obligation. Just tell others who you know are suffering who sent you the medicine that cured you.

I am promising to give away ten thousand dollars' worth of medicine, and I will do that; I am promising to send any sufferer who writes me a box of this medicine and full directions free of charge, and I will do that.

DR. T. FRANK LYNOTT
who is giving away \$10,000 worth of medicine.

I can say further that this medicine has been vouched for according to law as complying in every detail with all requirements. It will stop rheumatism, it will stop pain and backache, it will stop too frequent desire to urinate; it will heal, soothe and strengthen. You will be better in every way for having taken it. There is not an ingredient that can injure; not one but will benefit. All that I ask is that you use it yourself so that you may be personally convinced.

Owing to the large number of requests, I have had ten thousand more copies of my medical book printed. This book is new and up to date and contains complete descriptions, symptoms, causes, effects and cures of kidney, bladder and rheumatic diseases. All who write for the free medicine will be sent a copy of this grand illustrated medical book—the largest ever written on these diseases for free and general distribution.

If you need medicine such as I have, if you are anxious to be cured and don't want to spend any money LOOKING for cures, write me. Read the symptoms over and let me hear from you today.

These Are the Symptoms:

- 1.—Pain in the back.
