Charlottetown, P.E.I., June 11—Prince Edward Island won the Inter-Day Maritime rifle meet today with a total score of 759. New Brunswick was second with 737 and Nova Scotia third with 728.

Their first two centuries made viz., by Lt. Ritchie of Prince Edward Island and Sergeant Downey of New Brunswick. Ritchie put on a possible at the 500. Downey at the 200 had all bulls, including the two sighting shots, except the second last shot, which was an inner. McCabe of Prince Edward Island, put on a possible at the 200.

The day was bright but the wind was puffy and very tricky. Considering the weather conditions the scores were good. The Islanders, had as coach Major Jones of Bisley fame.

FEDS BROKE INTO WIN COLUMN AT MORNS' EXPENSE

10 to 3. Was the Result of Last Night's Battle--
Jack Feeney Had September Morns Guessing
Most of Time--Ragged Work in Field by Both Teams

The Federals broke into the win column of the Celestial Baseball League by beating the September Morns last evening, ten to three. The game went five and a half innings, the Federals not taking their last inning. Jack Feeney was on the mound for the Federals and had the Morns guessing most of the time. September Morns used two pitchers, George Walker last for three innings and then being replaced by Gibson, who did very good work for the other two innings.

The usual loose work, particularly in the infield, was shown by both teams to the loss of all three pitchers. The game began with a flare-up between Tommy Coward and Umpire Dolan, who, in the absence of the other ump, handled the indicator. Tommy did not like the ump's decision striking him out and said so. The ump threatened to expel the player from the game but the trouble was amicably settled and the game went on.

The Morns scored one in the first on a brace of singles. In the second half of the inning the Federals took a lead, scoring two runs on good stick work. In the third the Morns blew up. Walker was hammered for four singles and a sacrifice and an error by Merritt helped things along, the Federals scoring five runs. In the fifth they made three more runs, four errors contributing largely to the result. In their half of the fifth the Morns made a couple on error but the Federals were away in the lead.

The box score follows:

RESOLUTE LOOKS TO BE BEST OF THREE CANDIDATES

Vanitie Sailed Well in Light Winds
But Resolute Came up in Freshening Breeze

Sandy Hook, N.J., June 11—A time allowance enabled the Resolute to win today's cup defense preliminaries, although she crossed the finish line nearly two minutes behind the Vanitie. The thirty-mile race over a triangular course furnished one of the most thrilling contests since the trial began. Defiance was kept out of the race again today because of rigging trouble.

Vanitie found the light winds to her liking on the first two ten-mile reaches and she led until after the yachts had started for home. At one time she was more than five minutes ahead. A soft spot in the wind near the end of the second leg cost her three minutes of this, and after they started the final ten mile beat to windward Resolute rapidly closed in and four miles from the finish was nearly a minute ahead. But luck was with the Vanitie in a few tracks to the line.

Vanitie 3:17.37; Resolute, 3:19.36. The official time at the finish was 3:19.36. The corrected time gave Resolute the victory by 1 minute, 16 seconds.
