### FOX MAGNATE IS VISITING CAPE BRETON

(North Sydney Herald)

Last week the world's greatest fox magnate was in North Sydney. Although worth at least a cool million in money and with as much tied up in foxes, nobody outside Councilor Brennan and one or two others had any idea who the plain looking and modest going stranger was says the North Sydney Herald. Even on the register of the Belmont Hotel, where he stayed while here, there was very little to be learned from the plain "Charles Dalton, P. E. I." that was written thereon. As a matter of fact, The Hon. Charles Dalton, the man that made Prince Edward Island famous as a result of his marvellous black fox breeding, was not at all anxious to have notoriety, and has a peculiar knack of evading the curious.

Asked if he was going to Newfoundland in connection with foxes, Hon. Mr. Dalton with a shrug of his shoulder to enjoy the hospitality of Rev. J. Nolan stationed at Notre Dame Bay, Nfld., and for the first time in his life fish salmon!

Knowing that Rev. Father Nolan has a ranch containing several valuable foxes, the scribe ventured to ask if Mr. Dalton's mission was in quest of more of the rich little fur-bearers. But might as well try to extract honey from a cork as to get the world's greatest foxman to divulge anything.

### A BLESSING.

Walter Damrosch, the musician, has a horror of the crude musical amateur.

At a luncheon in New York, Mr. Damrosch said politely to an old lady:

"Your daughter doesn't sing any more?"

"No," said the old lady. "Since the birth of her two little girls Mary has been so occupied that she's had to give up singing."

Mr. Damrosch sighed.

"After all," he said, "children are a great blessing, aren't they?"

### TEXAS CATTLE KING.

The TEXAS CATTLE KING CO., now on its return trip from the Pacific coast after an absence of three seasons, will be the next attraction at the city Opera House and will play here on Friday, June 12. Of the many Western plays which have had their rise and fall of late years the Texas Cattle King is the only one to have played continuously from coast to coast, and withstood the severe criticism the West gives a play of this character. A Westerner, he from Texas of Montana, resents a play that depicts the country he lives in as a resort for the gambler and bad man. The old time cowboy was not of the Jesse James type, but a man with a code of morals surprisingly strict, and the TEXAS CATTLE KING is a Western play written by a Western man who knew the Western people. He has filled it with Western truths, added a few thrills and considerable humor, he has depicted life as it is lived on the Cattle range and more than that he has made of it a drama unequalled today by any Western play now before the public.

## PERFECT CURE FOR THE KIDNEYS

Suffered For 10 Months With Terrible Kidney Trouble Until He Learned Of GIN PILLS

"I suffered misery even when under treatment from the best doctors for ten months, and nothing seemed to do me any good or relieve my painful condition. My trouble was inflammation of the Kidneys and Bladder. I finally determined to go to the Victoria Hospital, Halifax, for treatment. Two days, however, before my intended departure, a neighbor called and happening to have a GIN PILL in his pocket insisted on my taking it. I did so, and six hours after taking it, the results and benefits I derived were simply nothing short of miraculous. Instead of going to the hospital, I sent for a box of GIN PILLS, with the result that I am a cured man. I recommend GIN PILLS to everyone suffering from Kidney and Bladder Troubles." LEWIS MACPHERSON.
