PERSISTENCY IN ADVERTISING

One stroke of a bell in a thick fog does not give a lasting impression of its location, but when followed by repeated strokes at regular intervals the densest fog, the darkest night can not long conceal its whereabouts. Likewise a single insertion of an advertisement—as compared with regular and systematic ADVERTISING—is in its effect not unlike a sound which, heard but faintly once is lost in space and soon forgot—

MELROSE MADE GOOD RECORD ON THE KNOLL

Gets 11 Strike Outs and 4 Assists
--In Pets Victory Over Federals,
Score Was 7 to 3

CELESTIAL LEAGUE STANDING.	
	Won Lost
Imperials	6 1
Pets	6 3
Federals	2 6
September Morns	2 6

Pets redeemed their colors on Friday evening, when they scored a victory of four runs to the good over Federals. The score was 7 to 3. Pets played good ball all the way but the team work was not heavy. Only one brilliant passage of double play was registered in the fifth inning. Aside from this it was a pitcher's victory. Melrose pitched splendid ball, getting eleven strike-outs and four assists. In the third inning he weakened and walked three men in succession, Feeney, Keith and Adams, but he was soon shooting true again.

Federals went to bat first and the first two circuits were made by O'Donnell and Feeney. Then Donovan, Barry and Hayes scored for Pets.

In the third O'Donnell went to third on a hit. McDonald struck out and the next three men walked, forcing O'Donnell around the path and making the score three all.

In the last of the third Barry, first at bat, was allowed to walk and Hayes struck out. Edgcombe got him to second on a sacrifice. Melrose brought him home on a single. Dolan got a hit and made second on Doohan's error, Melrose reaching home. Barbour died at first on an assist for Adams.

The fourth inning was uneventful, but Melrose began again in the fifth, getting to second on a hit. Dolan followed with a single, which brought Melrose to third. Dolan stole second. Barbour went out, Feeney to Merritt and a hit by Ryan brought in Melrose and Dolan. Donovan knocked a fly and was caught out.

HE'D LIKE TO BAT AGAINST JOHNSON MOST OF THE TIME

Last week Walter Johnson pitched two games against Detroit and Sam Crawford probably wishes he would pitch another. Walter has been rather good to Samuel, and Samuel's batting average was helped considerably by the work he did against the big blonde hurler. Here is Crawford's record for two games:

AB.	H.	2B.	3B.	TB.	Ave.
7	5	1	2	10	.714

Rather a fair average off the king-pin of hurlers.

128 MILES AN HOUR

New York, June 25—A cable to The Tribune from London says: With a flying start L. G. Hornsted in a 200 horse power Benz automobile, covered a mile at the Brooklands track yesterday at a speed of 128 miles an hour. With the exception of airmen no one has probably travelled 128 miles an hour before.

COULD WRECK NATIONAL AND AMERICAN LEAGUES

General Gilmore Talks Big--Says He Could Wreck Big Leagues in Forty-Eight Hours--Well If He Does the Federals Will Not Gain Much

New York, June 27.—"I could wreck the American and National Leagues in forty-eight hours if I, signed all the players of these two organizations who have asked to be taken into the Federal League."

Thus spoke General Gilmore, commander-in-chief of the Federal forces, as he toyed with a check for several hundred thousand beans, which was to be used as bait for jumping ball-tossers.

When Gilmore's bold assertion was repeated to Bancroft Johnson, the major-general of organized baseball, the M. G. said:

"If there are any of our players who are ready to jump to the Federals I say let them jump, so we may know who they are and rid the sport of men who are in the game for purely mercenary reasons."

That mercenary stuff of Ban's is the goods. It surely will snare any of the big leaguers who jump to the Feds, for then we shall know they are willing to play baseball for money. If that sort of thing keeps up it will not be long before the players will be just as eager for the mazzuma as the magnates. And then what will become of the grand old game?

If the Federals decide to make any considerable increase in the number of star players now on their payroll it will be for the purpose of crippling the older leagues and not because the Federals need the players. A few well known players added to the circuit would perhaps boost the gate receipts here and there, but if the Federals continue to stage the tight pennant race they have been putting up of late they are sure to get the coin with the present line-ups.

From the viewpoint of the fans, a real pennant race is one in which every team in the league has a chance to cop the bunting. At the present time the Federals appear better able to furnish a race of this sort than either the National or American Leagues. So why should the new organization load up with expensive players many of whom have been in last company a number of years and soon will be ready to take the down grade?

LANGFORD AT MONTREAL

A dispatch from Montreal received here today says—That Montreal is rapidly becoming a pugilistic centre is evidenced by the number of managers trying to get matches here. The latest is now Joe Woodman, of Boston, who wants to show Sam Langford, Jack Read, the Australian lightweight champion; Barney Snyder 112 pounds, and Tommy Reagan 116 pounds. Dan ("Porky") Flynn, the come here and box anybody.

COBB UMPIRES WHILE WARRANT HANGS OVER HEAD

Ann Arbor, Mich., June 26—Despite the fact that a warrant is out for his arrest on the charge of assaulting a Detroit butcher who is alleged to have insulted his wife. Ty Cobb appeared here yesterday as an umpire. The occasion was the annual Michigan-Prima baseball game, always an event of the first interest. Cobb acted as the umpire on bases with his usual sang froid. The fact that he is a star figure in the threatened court proceedings served to attract additional proceedings served to attract additional attention to the great player.

The Boston Braves have released Luque, the Cuban pitcher, to Jersey City of the International League. With Long Branch last season Luque was the wonder of the New York-New Jersey circuit.

OTTAWA CANOEISTS LEAD IN 200 MILE MARATHON

Passing La Sallette--Ottawa First, St Lambert Second--St. Faustin's Third--Riverside Crew Disqualified

Ottawa, June 26—The New Edinburgh canoe pair of Ottawa, J. Roux and N. W. Kingsland, were leading this morning in the 200-mile canoe race from Mount Lauroer to Ste. Rose. They passed LaSallette at 9.07 o'clock, 18 minutes in advance of the St. Lambert crew, with St. Faustin's pair third, just five minutes behind St. Lambert.

The leaders were all paddling appeared to be in particularly good shape, although under difficulties of making the portages in their bare feet.

The Grand Trunk crew passed here at 10.52 and took on provisions. Both paddlers declared they felt well and were in good shape.

The "13" number they carry has again brought grief to the Riverside crew of Plummer and Spicer. Last year they won the long race, but were disqualified. This year, they were looked upon as one of the strongest crews to start in the contest this year, but have again lost their chances of winning the Graham Browne Trophy. The two well known paddlers failed to live up to the con-
