G. W. HARRISON, MANAGER

FREDERICTON BRANCH

JAMES SELIGMAN, BANKER 90 YEARS OLD

New York, April 14.—James Seligman, New York's oldest banker and one of the original founders of the famous banking house of J. & W. Seligman & Co., celebrated his ninety-first birthday today. Mr. Seligman was one of eight brothers, all of whom were born in Germany and in early life emigrated to America. James Seligman in early youth joined two of his elder brothers who had preceded him to the United States. For several years after his arrival he worked as a carpenter in Bethlehem, Pa. Subsequently he engaged in mercantile business in the south and later joined with his brothers in similar enterprises in San Francisco, St. Louis and other cities. In 1862 the brothers embarked in the banking business in New York. Later they established banks in Paris, Frankfurt and other cities of Europe. Like the organization of the still more famous Rothschild banking firm, all interest jointing in the profits of all the firms.

It's all right to scatter seeds of kindness, but don't throw them all to the birds.

The cobbler should stick to his last, but even he can't measure time with a foot rule.

Give some fellow a single grain of hope and they will at once proceed to raise the devil.

DOAN'S KIDNEY PILLS

Are The Original Pill For The Cure Of Backache, Lame Back, Weak Back Or Any Other Kidney Trouble.

The fact that Doan's Kidney Pills are the original Kidney Pills has not prevented the placing of other preparations in pill form upon the market under the name Kidney Pills. It is necessary therefore, that all wishing to secure the curative effects which have made Doan's Kidney Pills so popular everywhere, should see that the trade mark, the Maple Leaf, appears on the wrapper. Without this trade mark you are not getting the genuine Kidney Pills as originally placed before the people by Mr. James Doan, as shown by the following declaration:

DOMINION OF CANADA,
PROVINCE OF ONTARIO,

To Wit:

In the matter of Doan's Kidney Pills. I, James Doan, of Kingsville, in the County of Essex, Druggist, do solemnly declare that Doan's Kidney Pills were first manufactured and sold by me on the 14th day of February, A.D., 1885.

And I make this solemn declaration conscientiously believing the same to be true, and knowing it is of the same force and effect as if made under oath and by virtue of "The Canada Evidence Act, 1893."

Declared before me at Kingsville, in the County of Essex, this 27th day of July, A.D., 1896.

DISCUSS MARKET- ING AND CREDITS

Chicago, Ill., April 14.—Much importance attaches to the three days' conference which was opened at the Hotel LaSalle in this city today under the joint auspices of the Western Economic Society and the National Conference on Marketing and Farm Credits. Questions of rural credit systems, the marketing of farm products and the application of the Sherman anti-trust law to farmers' organizations are slated for discussion.

Cooperation among farmers and between farmers and consumers is to be discussed by President H. J. Waters of the Kansas Agricultural College, Dr. John Graham Brooks of Harvard University, R. A. Campbell, secretary of the Wisconsin board of public affairs, and other men of prominence.

Other speakers and their topics will include the following:

"The Relation of Farmers to the Trust Questions," Samuel Untermyer the distinguished New York lawyer.

"The Relations of the Farmers' Cooperative Selling Organizations to the Sherman Anti-Trust Law," Dr. Charles R. Van Hise, president of the University of Wisconsin.

"The Economic Functions of Middlemen," Prof. David Friday of the University of Michigan.

"The Tenant Farmer and the Marketing Problem," Prof. Charles W. Holman of the University of Wisconsin.

"A Bureau of Markets," Congressman H. W. Summers of Texas.

GET MARRIED WHEN 44 CAVALIERI TELLS GIRLS

(New York Sun.)

Lina Cavalieri the opera singer and her husband, Lucien Maratore 'were among those sailing on the liner France today. In connection with her recent marriage Mme Cavalieri was asked for her views on the subject of matrimony.

"Oh, I don't think so much of it," she said. Her husband was imperturbed but maybe that was because he doesn't understand English.

"Don't you think girls ought to get married?"

"No, not girls. What girl can pick the man she has got to eat breakfast with for the rest of her life. Breakfast is very trying. It is an anti-social institution. Oh, when a girl gets to be forty-four let her marry if she will."

"Don't you believe in children?"

"Not more than one."

"Marry for love, if you can, but never fail to have an eye to convenience because sweet words and kisses won't pay the chauffeur."

"American girls make good wives but New York girls are too frivolous and think too much of dancing. The tango and frying pans cannot be friends. You cannot learn to keep house at a dancing tea."

Mme Cavalieri was told of the young woman who had forty proposals of marriage and thought a girl ought to have at least one hundred before settling down.

"Poof!" exclaimed madame, "That is nothing. Eight hundred and forty proposals would not be too many."

"Have you had that many?"

"Yes, and maybe more."

IN AND ABOUT THE CITY.

Stands to reason—The participant in a debate.

It's when the forger begins to write that he goes wrong.

Even when she marries a self-made man a girl can usually finish him up.

A soft snap is one of the hardest things in the world to get coming your way.

USE "TIZ" IF FEET AC-1, BURN, PUFF UP

Can't Beat "TIZ" for Sore, Tired, Sweaty, Calloused Feet or Corns

You can be happy-footed just like me. "TIZ" and never suffer with tender, raw, burning, blistered, swollen feet. "TIZ" and only "TIZ," takes the pain and soreness out of corns, callouses and bunions.

As soon as you put your feet in a "TIZ" bath, you just feel the happiness soaking in. How good your poor, old feet feel. They want to dance for joy. "TIZ" is grand. "TIZ" instantly draws out all the poisonous exudations which puff up your feet and cause sore, inflamed, aching, sweaty, smelly feet.

Get a 25 cent box of "TIZ" at any drug store or department store. Get instant foot relief. Laugh at foot sufferers who complain. Because your feet are never, never going to bother or make you limp any more.

COOPERATIVE STORE.

An interesting meeting of railway men and trade unionists was held at Moncton on Monday evening for the purpose of furthering plans toward the establishment of a cooperative store in Moncton, eleven of which have already been established in Canada, with four more to be established the first of May. Mr. Louis Beuloin, the organizer, addressed the meeting and a general discussion took place. It was stated that about \$7,000 had already been subscribed toward the establishment of a store in Moncton and a new organizing and soliciting committee was appointed.
