

ENORMOUS DEMAND FOR "FRUIT-A-TIVES"

1,152,000 Boxes Sold Last Year.

Six of These Fruit Liver Tablets for Every Man, Woman and Child in the Dominion.

In seven short years, "Fruit-a-tives" has become the most famous and the most widely used medicine in Canada that has ever been introduced to the people of the Dominion. Even those who take "Fruit-a-tives" regularly and recommend these famous fruit juice tablets to their friends, probably have no idea of the enormous number of "Fruit-a-tives" that are being used by those wishing to regain their health.

Last year, over eight thousand gross boxes of "Fruit-a-tives" were sold. As there are one hundred, forty four boxes in a gross, this means that over one million one hundred thousand boxes were sold in 1912. And this year, this number will be still further increased.

This means a box of "Fruit-a-tives" for every six persons in Canada, or six tablets for every man, woman and child in the country.

"Fruit-a-tives" are sold in every section of the Dominion. On the rugged Atlantic coast, throughout the Maritime Provinces, among the French in Quebec and the English in Ontario, all over the great Prairie Provinces and on the shores of the Pacific, "Fruit-a-tives" is the best selling medicine in stock.

This is true because "Fruit-a-tives" gives results. For chronic Constipation, Indigestion and Stomach Trouble—for bad Blood, Skin Eruptions and Eczema—for Rheumatism, Sciatica and Lumbago—for Kidney, Bladder and Urinary Troubles—"Fruit-a-tives" cures when nothing else will.

In the head office in Ottawa, are hundreds of letters and photographs from grateful men and women who have been cured of sickness and suffering by "Fruit-a-tives." Many of these letters and photographs have been published by permission and have induced other sufferers to try "Fruit-a-tives." This is one of the factors in the demand for "Fruit-a-tives," which is now sold in every city, town, hamlet and cross roads store.

5c. a box, 6 for \$2.50 trial size, 25c., at all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

ADDITION TO SCRIPTURES.

Stetson was his name and his production of "The Holy City" three business. His great talent was success and his weakness was that he always liked to "show off" when he was rehearsing.

When he was putting on a big production of "The Holy City" three friends entered the theatre one afternoon to see the dress rehearsal. As soon as they sat down, Stetson began to fidget in his seat. He was consumed by the old fever for prom-

once. He wanted the visitors to see that he was boss of everything.

There were twelve men on the stage, which was unusually large.

"Who are these men on the stage?" he called out to his stage manager in a thunderous voice.

"That's one of the big scenes of the play" the manager said humbly.

"Those men are the twelve disciples."

"Oh, well," shouted Stetson imperiously, "go out and get twelve more. That's a big stage and we want to fill it up."—Popular Magazine.

Notes from the Rural Districts

SPRINGHILL

Springhill, April 23—A variety concert and dance was given by the young people of Springhill on Monday morning in the Parish Hall in aid of the new school. About two hundred people were present which was a very good turn-out considering the state of the weather and roads. The sum of \$32.68 was taken in which will be a great help to clear off the debt on the new school. The concert consisted of dialogues, recitations, singing and piano solos, all of which were enjoyed by everyone present. This is the first concert of the season given by the boys and girls and considering the number of little folks taking part they did very well. Special mention must be made of Miss Edna McClary. Her singing and vaudeville work was the treat of the evening and she received an encore on several occasions. The concert music was supplied by Misses Grant and McClary on the piano, Mr. Knight on the violin and Mr. Donaldson on the euphonium. After the concert was over dancing commenced and was kept up till one o'clock when everyone dispersed after a good time. Mr. Preston Clark supplied the dance music.

NERVOUS DISEASES IN THE SPRING

Cured by Toning the Blood and Strengthening the Nerves

It is the opinion of the best medical authorities, after long observation, that nervous diseases are more common and more serious in the spring than at any other time of the year. Vital changes in the system, after long winter months, may cause much more trouble than the familiar spring weakness and weariness from which most people suffer as the result of indoor life, in poorly ventilated and often overheated buildings. Official records prove that in April and May neuralgia, St. Vitus dance, epilepsy and other forms of nerve troubles are at their worst and that then, more than at any other time, a blood making, nerve-restoring tonic is needed.

The antiquated custom of taking purgatives in the spring is useless, for the system really needs strengthening while purgatives only gallop through the bowels, leaving you weaker. Dr. Williams' Pink Pills are the best medicine, for they actually make the new, rich, red blood that feeds the starved nerves and thus cure the many forms of nervous disorders. They cure also such other forms of spring troubles as headaches, poor appetite, weakness in the limbs, as well as remove unsightly pimples and eruptions. In fact, they unfailingly bring new health and strength to weak, tired and depressed men, women and children.

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
