

SCREAMED WITH THE TERRIBLE PAIN

"Fruit-a-tives" Completely Cured Distressing Kidney Trouble.

ST. THOMAS, ONT., April 1st, 1913.
"In 1911, I was laid up with Kidney Trouble and not able to get out of my chair. Had tried many kidney remedies without satisfactory results. The pain was excruciating and my screams could be heard on the street. One day a friend from Ottawa came to see me, and when he found me in such poor health, said he would send me a sample of "Fruit-a-tives", which he did and I commenced taking them. The results were so apparent with the first few doses that I continued to take "Fruit-a-tives" and was completely restored to my normal state of health. I would strongly advise anyone suffering with Kidney Trouble to take "Fruit-a-tives" and cure themselves." CHARLES CALVEART, 50c a box, 6 for \$2.50, trial size, 25c. At all dealers or from Fruit-a-tives Limited, Ottawa.

SAW TORE OFF

HIS FINGER ENDS

Thomas Wilson an employee of the McFarlane-Neil Manufacturing Company at St. Mary's was painfully injured this morning while at work feeding a rotary saw. It was between seven and eight o'clock when in putting a piece of timber to the saw Mr. Wilson apparently misjudged the distance and the saw tore through his fingers cutting off the ends of three of them and obliging him to lay off work for some time. Medical aid was summoned and the wounds were bound up.

A record of Cornell victories at Poughkeepsie does not look unlike a similar record of what the Ithacans have done in intercollegiate cross-country racing.
