A Word With Subscribers

It is a popular misconception that in times of War a newspaper makes money. As a matter of fact, any newspaper which tries to do its duty by its subscribers, loses money during war time. This is true of The Daily and Semi-Weekly Mail. Both of these papers, in spite of their tremendous increase in circulation, are not making any profit out of the war. This being the case, we have to ask our subscribers who are in arrears to be good enough to REMIT. If we are properly doing our duty toward you as a subscriber, we have to ask that you will carry out your duty to us by remitting promptly any amount that may be owing to us.

If you want to help us make our paper better, send us your subscription in advance. We assure you that we will spend it in improving our news service.

Accounts are now being sent out, and we will be very much indebted to you if you will give the same your prompt attention.

IF CHILD IS CROSS, FEVERISH AND SICK

Look, Mother! If Tongue is Coated Give "California" Syrup of Figs."

Children love this "fruit laxative" and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if the tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs" which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

MARYSVILLE NOTES

Marysville, Nov. 2.—The A.D.S. and C.O.G. social held in Oddfellows' Hall last Friday night proved a grand success, upwards of three hundred people being present. The snug sum of \$45.50 was realized. To Mr. and Mrs. S. G. Hallett is due all credit for the success.

Mrs. Hallett acted as chairman and the following program was carried out.

Selection by Johnston's Orchestra. Chorus, "Rule Britannia." Reading, Miss Hazel Stewart. Duet, Mrs. H. Peterson and John Peterson.

Princess Madlyn Panelaska and her twelve hunters.

Tableau, Wedding scene. Recitation, Miss Sadie Miller. Orchestra. Solo, Mrs. J. Capens. Orchestra.

McNamara's Band furnished some choice selections, the close of which brought a smile to the sanctified face of many.

Miss Gaunce, returned missionary, will hold a public meeting in Main Street church Thursday evening next.

The little son of Mr. David Saunders is seriously ill. He is being attended by Dr. D. W. Ross.

A regular meeting of the Marysville Town Council will be held in the council chamber Tuesday evening next.

Mrs. E. Savage of Newcastle, is visiting her sister, Mrs. H. Smith of this place.

A Halloween party was held at the home of Mr. and Mrs. H. Pickard. A large number were present and a very enjoyable evening spent.

The Missionary Aid Society meeting will be held at the home of Mrs. Sanford Pond Wednesday at three o'clock.

A very amusing article appeared in Saturday's issue of The Daily Gleaner signed "John Peterson," cordially inviting the Marysville writer of The Daily Mail and his wife to a dance in Orange Hall Friday next. We thank you, John, for your kindness, but must decline the honor on the ground that we would rather be a doorkeeper in the house of our God than dwell in the hall of wickedness. I am still of the same opinion as regards dancing church members, the instigator of a thing so detrimental to God. Why, it seems to me that the very fiends of perdition would blush at the thought of some of our sweetest warblers being found in such places. Any one hearing the very able and instructive address of the Rev. C. G. Pincomb on

SECOND CONTINGENT TO NUMBER 15000

Ottawa, Nov. 2.—The second Canadian contingent will be a complete army division and its strength will be over 15,000 men. One of the four brigades of infantry now in England will be a portion of the second contingent. Advice received from the British war office today indicated that in its opinion there should be the composition of the second Canadian force.

The following official statement was issued by the militia department this afternoon:

"There has been received from the British government a despatch to the effect that the army council wish the second overseas contingent to be so organized that in conjunction with one of the four brigades of Canadian infantry already in England it will form a division complete in itself, as far as possible, with in addition a due proportion of army service corps units for duty on lines of communication."

The contingent will, accordingly, consist of two brigades of infantry, eight battalions, a complement of artillery, engineer, cyclist, signal and administrative units, army service corps and field ambulances and the following units for line of communication purposes: divisional ammunition, park, field bakery, field butchery, railway supply detachment and two depot units of supply.

The numerical strength of the contingent will be over 15,000 men and the total Canadian expeditionary force, first and second contingents, will exceed 45,000, not counting the reinforcement which will be required to maintain it in numbers and efficiency from the time it takes part in active operations.

Reinforcements are calculated at a yearly rate of 70 per cent. of the total force engaged.

The policy recently enunciated by the Canadian government of keeping 30,000 men under arms in Canada will make it easy to conform with the wishes of the British war office.

Little Miss Fix hasn't anything on Barnstorf.

Sunday morning last will bear me out in what I say—that while our dominion is passing through such a crisis there is no time for frivolity.

INDIANS SO NIMBLE

GERMANS CAN'T DOGE

Copenhagen, Saturday.—According to news from Berlin of Thursday's date, the reported defeat of the Germans in Belgium by Indian troops has created a disheartening impression in Germany. The Germans say the Indians are personally much stronger and more nimble than the German soldiers, and it is therefore impossible for the latter to vanquish them in hand to hand fighting unless they are much more numerous.

It is reported that the British reserve Indians until the movement arrives for a hand to hand combat.

It is generally believed in Germany that there are still 200,000 Indians to arrive, but it is hoped that some of these fierce soldiers have now been ordered to Cape Colony.
