FAREWELL SOCIAL.

The Burns Bible Class of St. Paul's Presbyterian church, last night ten dered a farewell social to Mrs. Sterling S. Thompson, who will leave on Monday for Halifax, where her husband, Rev. Sterling S. Thompson, is now stationed. Mrs. Thompson has been a valued member of the Burns Class and her departure from the city will be greatly regretted.

SHOCKING ACCIDENT.

Mr. W. T. L. Weldon, a well-known citizen of Chatham, and brother-inlaw of C. J. Mersereau, was the victim of a horrible accident: on Thursday evening. He was cut with a party of friends in a motor car, and in ascending a hill the brake got out of order, causing the car to run back and overturn. Mr. Weldon was pinned beneath the car and slowly burned to death. His three companions who escaped, made frantic efforts to save his life, but without avail.

TRUCK AND TRADE.

were given to understand three years eous and scientific treatr ago that it was wrong to have truck or trade with the Yankees must have been rudely shocked this week when they learned from the sworn evidence of Mr. E. R. Teed that he invested a portion of the Flemming purity fund in American railway stocks. He swore he bought fifty shares of Southern Pacific and fifty shares of Detroit United. It has been truly'said that patriotism is the last refuge of a scoundrel.

PERSONAL

Miss Fanny Merritt, of Boston, who has been visiting her brother, E. G. Merritt, at Barkers Point, went to St. John this morning to visit friends before returning to Boston.

Mr. and Mrsf W. A. Welsh and fam-

ily went to St. John this morning to spend their vacation.

Under the direction of the New York Bible Society the Bible is now being distributed in fifty-three tongues in this city. Every three months one thousand vessels are visited and amid the Babel at Ellis Island care is taken that the immigrant finds at his disposal at least one book in his own language. Some time ago the society distributed one thousand copies of the Bible among the attaches of a circus showing in New York. The total number of volumes yearly put into circulation in all quarters of the world is estimated at eighteen
