JESUS THE FATHER OF SAVED HUMANITY

Difficulties Yield to Bible Study--
Obscure Texts Made Plain.

Jehovah Is the Father or Life-Giver of the Church, who Has Already Begotten the Church by the Holy Spirit and Will Perfect Them as Spirit Beings In the Resurrection.

PASTOR RUSSELL

Cincinnati, Ohio, Dec. 8. — Pastor Russell's meetings were the religious feature here to-day. We report one of his addresses from the text: "He shall be called the Everlasting Father."—Isa. 9:6.

God's people to-day have superior advantages for Bible study—the general ability to read, convenient Bibles,

better lights, more comfortable quarters, and more leisure. Hence Bible students to-day see new light in texts long considered obscure. His text to-day was of this character. It gives Jesus the title, "Everlasting Father," or the Father who gives everlasting life. At one time it seemed to contradict other Scriptures; for instance, the declaration, "The God and Father of our Lord Jesus Christ hath begotten us"; "My Father and your Father; My God and your God," and other texts. But now in the clearer light the contradiction vanishes.

Jehovah God is the Father or Life-giver to the Church; but that Jesus is to be the Father or "Life-giver to the world." "He shall be called the Everlasting Father and the Prince of Peace." Not until the end of this Gospel Age will He begin His Messianic reign, as "King of kings and Lord of lords." The earth is a rebellious province, under a reign of sin and death. The early part of Messiah's reign will be one of conquering institutions contrary to the Divine arrangement. Not until after the battle of the great Day, "Armageddon," will He have the title "Prince of Peace"; and thereafter men shall learn war no more.

The first Adam in his perfection purposed to be the father or life-giver of a human race. But sin, disobedience, interdicted with this arrangement, as God had foreseen and provided for. When Adam lost his own right to life, he could transmit to his children only dying human body. The legal right to life is gone. Humanity needs a Deliverer—not a Deliverer from eternal torment, nor from purgatory; for neither of these doctrines of the Dark Ages has Scriptural foundation—but from sin, death. In other words, what the world really needs is a Life-giver, exactly what God tells us Jesus is to be—a Father, who will give to the willing and obedient everlasting life. This indeed is the meaning of the word "Saviour"—Life-giver.

When the Logos accepted the Heavenly Father's offer to become the world's Redeemer, it involved the transfer of His life to human conditions. "The Word was made flesh" (John 1:14)—not imperfect, nor sinful flesh, but perfect, suitable to be a Ransom, or corresponding price for Adam, that He might redeem Adam and his race. "He was holy, harmless, undefiled and separate from sinners."—Heb. 7:26.

To be the Everlasting Father, it was necessary for Jesus to purchase mankind by giving Himself a ransom price. The laying down of human life sacrificially was finished at Calvary. God raised Jesus from the dead, a New Creature of the Divine nature, a spirit being to be the Second Adam. "The Second Adam is the Heavenly Lord" (1 Cor. 15:45, 47)—prepared to be the Father, or Life-giver.

As only one man, Adam, sinned and involved the race, so the purchase of the race required only the one life which Jesus sacrificed. Whosoever He shall apply the merit of that sacrifice to Adam and his race, Jesus will turn over the world completely to Him. For a thousand years He will reign King, to forcibly suppress sin and death, and to raise the willing and obedient of mankind to human perfection as His earthly children.

As Jesus, the Lord of Glory, is to be the Second Adam, the Everlasting Father to the world, so the Second Eve is to be the Church on the spirit plane. Throughout this Gospel Age the calling and testing has progressed, to find and prove whom God will esteem worthy to be made partakers of the Divine nature, "heirs of God, joint-heirs with Jesus Christ their Lord"; a "little flock"—perhaps, literally, the 144,000 of Revelation. These will not become the Bride, the Lamb's Wife, until the end of this Age. The marriage of the Lamb will come; for His Wife will have "made herself ready." (Rev. 19:7.) Then all these will be in readiness for the great work of the Messianic Kingdom.

At the close of the thousand years Messiah will deliver the Kingdom over to the Father. (1 Cor. 15:24.) Then, as the Father tested Adam, so will test humanity as respects their loyalty to God and to righteousness. Their trial, however, will be advantageous as compared with Adam's; for mankind will have complete knowledge of sin and of righteousness, of death and of life. The testing will demonstrate who are worthy of everlasting life.

This re-creation of the world, otherwise Regeneration, will be very different from its original generation. The spiritual Father, Jesus, will give them life in proportion as they accept Him and devote that life in obedience to the Kingdom. Their spiritual Mother, the Church, will nourish, instruct and guide them to perfection. But neither Christ nor the Church will be visible to mankind. To this Jesus referred, saying, "Yet a little while and the world seeth Me no more."

MIDDLE SOUTHAMPTON

Nov. 30.—Miss Ella Miller, nurse in Prescott's private hospital, Woodstock, is visiting at her home here.

Miss Aggie Miller will go west in the spring to teach school.

Lee Brown has gone to McGill to study for a doctor, so has Stanley Wright.

Loat Kinney shot a large bear lately, and saw three more, but had no more cartridges with him. His dog that got hurt by being hit with a stick, died.

Frank Cronkhite got shot in the leg by mistake by another boy who was hunting deer with him.

Frank Grant has sold his tow-boat to the Hibbard Co. for \$300. Mr. Grant is paying 30 cents a pound here for good butter.

The pupils of the day school are preparing a concert to come off before Christmas.

We have three threshing machines in the place now doing the fall work.

Our enterprising merchant, Mr. F. C. Brown who has enlarged and greatly improved his store this fall shot a fine moose last week.

Herb Fountain, who is staying at the Central House, shot a fine deer last week.

Rev. Mr. Rutledge shot a fine moose and sent the meat around to his friends.

G. A. Grant is putting up a telephone line on the Pinder spur line. Sandy and Johnnie Fox threshed 96 bushels of oats from three bushels, sowing for N. W. Brown. They were the "Mammoth Cluster" variety and first came from the Experimental Farm from Ottawa.

Jas. Patterson killed a fine hog last week that weighed 425 lbs.

Ralph Brooks is hauling wood down to the corner for Eddie Price and Bryon Cronkhite.

Mrs. Stephen Patterson made a fine cheese this fall, which was as good or better than factory cheese. It is fortunate Mrs. Patterson was taught how to make cheese in her girlhood.

We can't afford to pay twenty cents a pound when we want a piece of cheese. Why don't the Middle Southampton cheese company plan to run their factory next summer?

Millard Wright is done threshing, and taken out his hay press.

No demand for beef cattle, or hay, or potatoes.

A new veranda greatly improves Leonard Miller's place.

FARM VALUES HIGHER

(Continued from page three.)

Atlantic Refinery Co., Ltd., has been concluded and the refinery is to be completed before the 1st of June, 1915, at a cost of over a million dollars.

Lieut.-Col. Campbell, who is a prominent farmer in Kings County, and was a member of the recent Federal Sheep Commission, says in an interview that farmers are missing a great opportunity and that there are great prospects for sheep-raising in New Brunswick.

J. A. Teller, who has been appointed as a sheep expert by the provincial government, is visiting the farming districts, encouraging the people to go more extensively into sheep-raising.

Referring in a recent interview to the splendid prospects for sheep-raising in New Brunswick, Mr. J. A. Teller, the sheep expert, pointed out how easily lambs could be placed in the Montreal and Toronto markets, and added that as they were only seven days from the British market they could be shipped there also, either alive or in cold storage. Mr. Teller said that the present method of marketing wool in these provinces was deplorably poor and that a change must be made in that respect.

At a recent sale of live stock on a farm at East St. John, 45 cows were sold at prices ranging from \$18 to \$50, and 8 horses brought from \$170 to \$275 each.

Had Rheumatism

WAS CONFINED TO HIS BED
FOR FOUR MONTHS.

Mr. W. H. Riley, Ruddell, Sask., writes:—"It is with the greatest of pleasure that I can recommend Doan's Kidney Pills to all suffering with rheumatism. I was unable to get up from my bed for four months, and nothing seemed to relieve me until a friend recommended Doan's Kidney Pills. I had my doubts about them, but was so desperate I would try anything suggested to me. After taking half a box I was able to get up, and after taking two boxes could get around quite well. After taking six boxes I was completely cured, and able to work for the first time in five months, and have not had a touch of rheumatism since. Anyone who saw me then would not know me now, as I am strong and active since taking your valuable medicine."

Rheumatism is caused by the presence in the blood of uric acid, and the kidneys not working properly is the sole cause of this, and unless you remove the acid by flushing the kidneys, there is no possible chance of getting rid of rheumatism.

Doan's Kidney Pills help the kidneys to flush off the acid and poisonous impurities which have collected, and thus clean out the kidneys, and dispel the rheumatism from the system.

Doan's Kidney Pills are 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

In ordering direct, specify "Doan's."
