## NEWS OF FREDERICTON TWENTY-ONE YEARS AGO

(From the Weekly Herald of Saturday June 10, 1893).

**THE EXODUS.**—The first six days of June saw thirty families leaving this city for the United States. Five of them belonged here. The others were residents of the county.

**OUT ON PARADE.**—The members of the Uniform Rank, Knights of Pythias, paraded the streets Wednesday night on their way to the Curling Rink where their bazaar was being held. The knights were preceded by the R.R.C.I. band and looked remarkably well in their handsome uniforms.

**PRINCESS MAY'S PRESENT.**—The call from the Mayor for a meeting of the ladies of the city last Friday to see about a contribution toward a present for the Princess May was well responded to. Mrs. G. F. Gregory and Mrs. A. F. Street were appointed collectors. The mayor will act as treasurer.

### Heart and Nerves Were Bad.

#### Could Not Sleep.

To the thousands of people who toss on a sleepless pillow night after night, or who pace the bedroom floor with nerves on the jump, the heart action all wrong, and to whose eyes sleep will not come. Milburn's Heart and Nerve Pills offer the blessing of sound refreshing slumber, as they restore the equilibrium of the deranged nerve centres and correct the wrong action of the heart.

Mrs. Charles Teel, Horncastle, Ont., writes: "Just a few lines to let you know what Milburn's Heart and Nerve Pills did for me. My heart and nerves were so bad I could not sleep, and the least noise or excitement would make me feel so that I used to think I was going to die, and I would tremble until I could hardly stand. I took doctor's medicine, but it did not do me much good. At last I tried Milburn's Heart and Nerve Pills, and can certainly say they did me a great amount of good. I can recommend them to anyone who is suffering as I was."

Milburn's Heart and Nerve Pills have been on the market for the past twenty years, and have done more to steady shaky nerves and strengthen weak hearts, than any other known preparation.

Price, 50 cents per box, or three boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Sermons in "Movies" Appeal to

People

Rev. Clarke R. Parker, pastor of the First Baptist church of Terre Haute, Ind., believes in keeping step with the times. He uses moving pictures to illustrate his Sunday evening lectures, and his church is always crowded. The people like the idea, and men and women who had forgotten what the inside of a church looked like are now regular attendants at the "movie" sermons.

#### Value of a Letter

How completely the sense of a sentence is altered by the omission of an initial letter is shown in the following current selections from various papers:

"The conflict was dreadful, and the enemy was repulsed with great laughter."

"In consequence of the numerous accidents occasioned by skating on Taunton Lake, measures are to be taken to put a top to it."

"When the President's wife entered the humble sitting-room of the mine she was politely handed a hair."

"At a large dinner given last night at the — nothing was eatable but the owls."

"A man was yesterday arrested on the charge of having eaten a cabman for demanding more than his fare."

"The Russian soldier, Kachkinoff, oskowsky, was found dead with a long word sticking in his throat."

Love is a medicine that needs taking in large doses after marriage to be of any real effect. But before marriage a very little goes a long way.

#### One on Him

A certain millionaire did not approve of foreign missions. One Sunday at church, when the collection was being taken up for these missions, the collector approached the millionaire and held out the collection bag. The millionaire shook his head.

"I never give to missions," he whispered.

"Then take something out of the bag, sir," whispered the collector. "The money is for the heathen."

#### His Greatest Wish

"What is your greatest wish, doctor, now that you have successfully passed for your degree?"

Young Doctor: "To put 'Dr.' before my own name and 'Dr.' after the names of other people."—(Life.)

## NERVOUS CHILDREN

The Trouble is Often Really St. Vitus Dance--Do Not Neglect It

Many a child has been called awkward, has been punished in school for not keeping still or for dropping things, when the trouble was really St. Vitus dance. This disease may appear at any age, but is most common between the ages of six and fourteen years. It is caused by thin blood which fails to carry sufficient nourishment to the nerves, and the child becomes restless and twitching limbs and body follow. In severe cases the child is unable to hold anything or feed itself. St. Vitus dance is cured by building up the blood. The most successful treatment is to remove the child from all mental excitement, stop school work and give Dr. Williams' Pink Pills. These pills renew the blood supply, strengthen the nerves and restore the child to perfect health.

Here is proof of their power to cure. Mrs. George A. MacDonald, Harrington, N.S., says: "My son was attacked by St. Vitus dance; at the out set his muscles would twitch and his step was weak and jerky. We called in a doctor, who treated him, but notwithstanding he continued to grow worse and at last grew so bad that he could not hold a cup in his hand, while his head constantly twitched and his speech became rather indistinct. At this juncture I saw in a paper the cure of a boy from similar trouble through the use of Dr. Williams' Pink Pills. We at once sent for a supply and in a few weeks after he began their use there was considerable improvement and it was not long after this before he was completely cured and has never had a symptom of the trouble since. I am convinced that there is no medicine like Dr. Williams' Pink Pills for the cure of St. Vitus dance."

If your dealer does not keep Dr. Williams' Pink Pills you can get them by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

#### NOT IN BOSTON.

This is an incident, rather than a story, yet it appealed to us early yesterday morning and so it may appeal to you still earlier this morning. We were sitting next the window on our way downtown from East Cleveland. At 105th street the boys called their papers and a man across the aisle from us jumped up and leaned above our lap, whistling shrilly the while.

We looked at him with alarm. Our window was not open.

In his eagerness he extended the hand holding the penny about a foot further out. The glass bruised his knuckles and then he withdrew.

"Oh, I beg your pardon!" he said. "I thought this window was open. Why, er-ah-they've been washing the windows, haven't they?"

And so they had!

T. J. Carter, M.P.P., of Andover, arrived in the city last evening.
