"In the Case of MY Little Girl—"

In choosing and using a soap for your "Little Fairy" you will find no soap so mild, so neutral, so agreeable to tender skins as FAIRY SOAP.

Being made from products that you could eat, FAIRY SOAP agrees with even the tender skin of a babe.

FAIRY SOAP

is white—pure—floating. It comes in a handy oval cake. We could charge you five times the price asked for FAIRY SOAP and we could add nothing to its quality.

In higher-priced soaps you are paying for high-priced perfume and fancy wrappers—not better soap.

Jeannette Gets Decision Over Georges Carpentier

INUNCTION SERVED ON GESSLER BY STALLINGS

Pittsburg Federal Manager Forbidden
by Georgia Court to Talk With
Any of Red Sox

INUNCTION
Macon, Ga., March 20—"Doc" Gessler the old Red Sox player, but now manager of the Pittsburg Federal League Club, was, as he describes it, "the goat" in the Georgia injunction proceedings which Manager Stallings started a few days ago in order to protect himself against interference with his players by the Federal League agents.

Dr. Harry C. Gessler arrived in town today and although he registered at the Dinkler Hotel as "E. V. Humphreys, Philadelphia" he was quickly spotted.

The injunction was served upon him while two Boston players with whom he had been talking for a few minutes only, were concealed in a bathroom in his apartment at the hotel. These men, however, were not there to consider any proposition from him to jump the Boston club. The men were "Hub" Perdue and Wilson Collins. Perdue had been asked to meet Gessler at the hotel, and he had in turn asked Collins to accompany him as a witness to see that Perdue did not entertain any offers that might be made by Gessler.

PLAIN TALK BY STALLINGS

Manager Stallings was aware of the appointment between Gessler and Perdue, and "Hub" and Wilson had not been in Room 200, the one occupied by Gessler, three minutes before Deputy Sheriff Robert W. Barnes accompanied by Manager Stallings was demanding admittance. Perdue and Collins presumably were invited by Gessler to step into the bathroom and the sheriff and Mr. Stallings were admitted.

The writ was at once served on Gessler enjoining him from tampering with any player under contract to the Boston club within the jurisdiction of the Supreme Court of Georgia. The injunction is a sweeping one; the party enjoined may not speak to any one under contract to the Boston club, and he is moreover forbidden to be knowingly in their presence.

Went Fifteen Rounds, French Champion Losing on Points—Carpentier Put up strong Defence but American Negro was Aggressive all the Time

Paris, March 21—Joe Jeannette, the American negro heavyweight pugilist, won the decision over Georges Carpentier, the French champion, on points, in a 15-round bout tonight. The contest took place at Luna Park, which was crowded.

Jeannette had the advantage at the start of the contest and in the early rounds, which were marked by continuous infighting, Carpentier put up a fine defence and several rounds ended in his favor.

The American, who had a trifle more weight than his opponent, landed heavily a number of times, his blows staggering the Frenchman, and as it appeared at the end of the fight that Jeannette had been the more aggressive, he was awarded the decision.

Dick Nelson, the Dane, came to life in London the other night and knocked out Jack Goldswain in 12 rounds.

Seems to be a hitch somewhere in the proposed bout between Champion Willie Ritchie and Jimmy Duffy of Lockport. Ritchie claims to know nothing about the match.

FEDERAL LEAGUE FILES PETITION IN KILLIFER CASE

Grand Rapids, Mich., March 20.—The first legal shot of the baseball war of 1914 was fired here today by the Federal League in filing a petition with the United States District Court for the Western District of Michigan, asking for an injunction to restrain William J. Killifer Jr., formerly catcher of the Philadelphia Nationals, from playing baseball with any other than the Chicago Federals.

Killifer signed a three-year contract with the Chicago Federals, but afterward was persuaded that the reserve clause in his old contract with the Philadelphia Club had him legally to Philadelphia, and he joined his former team. The suit involves the legality of the reserve clause, long regarded as one of the bulwarks of organized baseball. The suit was brought in the Western Michigan District Court because Killifer is a resident of Paw Paw in that state.

The bill set forth "that one of the principal positions on a baseball team is that of catcher; that on account of its importance, and of the extraordinary skill, adaptability and training necessary for the expert playing of this position, it is more difficult to secure an expert catcher than any of the other players."

A paragraph informed the court "that the defendant is a baseball player, to wit, a catcher, of unique and extraordinary skill and experience, and of such personal and intellectual character that his loss cannot be substantially compensated for by the services of some other baseball catcher."

The bill set forth that the Chicago Federals would suffer irreparable injury unless a restraining order issue enjoining Killifer from playing with

ENGLAND WON FROM SCOTLAND AT RUGBY 16 TO 15

Great Struggle for Calcutta Cup— England Put Better Game Scots Making Serious Blunders

London, March 23.—By defeating Scotland at Laverleith on Saturday by two goals and two tries, netting 16 points, against a goal, a dropped goal and two tries for their opponents, 15 points, England won the rugby international championship, retaining the Calcutta Cup, which is held by the winners of this match.

The game was marred by a serious accident to Pillman, the famous Blackheath player, who broke his leg. England fared poorly in the opening stages of the game, their forwards playing in poor style. Later the champions came up brilliantly while Scotland committed several blunders. The latter, however, deserve credit for the manner in which they retrieved what at one time looked like a disaster for them, finally losing by only one point. On the general run, the English players showed better form.

::: SPORTS OF ALL KINDS :::

"Rube" Marquard has been doing some fine flinging for the Giants on the spring trip.

Pitcher Nap Rucker, the Brooklyn star, attributes his fine early-season condition to handball, which he played regularly all winter.

First Baseman Williams, of the Yanks, received a gold watch from his friends in Galveston, which is his home town, when the Yankees played there recently.

A pitcher named Cotton hailing from Iowa, paid his own expenses to the Senators' camp to be given a tryout by Manager Griffith.

Outfielder Chappell has proved to be the heaviest hitter among the White Sox in the games on the Pacific coast.

Newark is to have continuous baseball, now that the Long Branch team of the New York and New Jersey League has been transferred there.

"Molly" Mollwitz, understudy for Vic Salei, is showing considerable big league stuff at first base for the Chicago Cubs.

Manager Charley Doot of the Phils will carry four catchers besides himself this season. But even with so many backstops, the Phils cannot afford to lose Killifer to the Feds.

WANDERERS WON FROM QUEBEC IN NEW YORK SERIES

Score Was 16 to 8—Lehman of
Vancouver Played Goal for Wanderers—Another Game

New York, March 21—Wanderers of Montreal defeated the Quebec team by 9 to 4 in the professional hockey series at the St. Nicholas Rink tonight. The score of the previous occasion was 16 to 8 in favor of the Wanderers, but then the Wanderers did not have the goal tender that stood in the cage last night. For the first of the final matches for the purse, which was offered by the management of the rink, the Wanderers had borrowed Lehman from the Vancouver team and his work made all the difference in the world.

Quebec still has another chance to get in on the long end of the purse for another game will be played Monday night and the team having the greatest aggregate for the two nights will get the lion's share of the money.

In the third period Producers and Odie Cleghorn came to blows and for a minute there threatened to be a free-for-all fight. The two were ruled off the ice for the rest of the game.

The teams were:
Quebec—Moran, goal; Mummery, Producers, Westwick, point; Crawford cover point; Smith, centre; Malone, left wing; Marks, right wing.
Wanderers—Leaman, goal; Ross, point; S. Cleghorn, cover point; Kendall, centre; Hyland, left wing; Odie Cleghorn, O. Bradley, right wing.

With Konetchy at first, Viox at second, Wagner at short and Mowrey at third, the Pittsburgh Pirates will begin the season with what looks to be the strongest infield in the National League.

Infielder Joe Judge, who is showing such speed with the Boston Red Sox, is only twenty years old. He jumped from the amateur ranks to the big show in one leap.

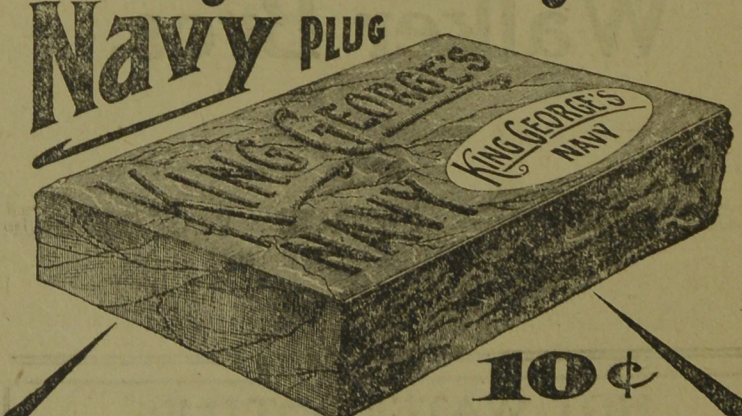

Connie Mack's Philadelphia champions are playing in tip top form this early in the season and other American League managers are beginning to sit up and take notice. The Mackmen are a hard outfit to beat.

The Chinese ball players who recently landed in San Francisco have mapped out a seven months' tour, in the course of which they will play in all parts of the United States and wind up with a few games in Cuba.

The absence of Johnny Bates from the Cincinnati lineup may cripple the Yeds. John is kept at his home in Steubenville by the serious illness of his wife. It probably will be several weeks before he will be able to rejoin his team.

The Australian game has been so soft for Ed McGoorty that Jimmy Clabby has decided to try his luck in the Antipodes. Jimmy sails for "down yonder" early next month.
