EDWARD FABRE SUSPENDED BY QUEBEC COM.

Charged With Violation of Amateur Regulations---Ran Under Richmond Colors in Boston Marathon

(Montreal Mail, Monday.)
Somewhat of a surprise was sprung in local harrier circles on Saturday evening, when Arthur Plow, chairman of the Quebec Registration Committee, announced that Ed Fabre, the well-known marathoner, was indefinitely suspended from the amateur ranks. This action by the Registration Committee will prevent Fabre from running at the Kingston fifteen mile road race on Wednesday, June 3. He was to have left Montreal yesterday.
The Registration Committee has ordered Fabre to come before them on Friday next, along with Lefebvre and Mulet, against whom charges of professionalism have also been brought. The cause of Fabre's suspension is hardly known. It is now a well known fact that there had been an investigation last winter to probe charges against Fabre for wrestling as a professional. Chairman Plow would give no other statement than that Fabre was suspended for running under the Richmond colors at the Boston Marathon, as his amateur card was taken out under the National Club. This card does not expire until next October. However, Mr. Plow intimated that this was but a minor charge in comparison to others brought against the French runner.
Mulet's case is somewhat the same as Fabre's at the present moment. Mulet has taken out an amateur card for the M.A.A.A. colors, but he is now running in all races under the Apollo A.A.A. Why Lefebvre should be asked to appear is not known.

65th RIFLES MUST NOT TAKE PART IN CORPUS CHRISTI

Montreal, June 2—Friends of the 65th Regiment of Montreal are very much concerned about a supposed order from Hon. Sam Hughes, minister of militia, forbidding the regiment taking part in the next Corpus Christi parade. The regiment is composed of Catholics and has been accustomed to having part in the Corpus Christi ceremony. Col. Ostell, commander of the 65th, declined to make a statement with reference to the matter.
Father Labelle, parish priest of Notre Dame, says he is informed that the regiment must decline to take part in the ceremony.

VANITIE WON FROM RESOLUTE YESTERDAY

Race Sailed Under Fluky Conditions and Resolute's Supporters Say She Will do Better

Rye, N.Y., June 2—Healed under a still northwest breeze until even her bronzed underbody glistened in the late afternoon sun like burnished gold, Alexander S. Cochrane's Vanitie flashed across the line a winner over the Resolute by sixteen minutes forty-eight seconds in the first race for the America's Cup defence candidates yachts on Long Island Sound today. Although the official time allowance given the Resolute by the Vanitie is known only to the cup committee, it is estimated that the Resolute is in receipt of approximately three one-half minutes time allowance, so that the approximate corrected time advantage of the winner over the loser was close to thirteen minutes thirteen seconds.

Yachting experts are not inclined to concede a repetition of this victory of the Gardner designed sloop over the Herehoff creation, for the twenty-nine mile race over a triangular course was sailed under extremely fluky conditions and the adherents of the flag officers' yacht are confident that tomorrow's race will be another story.

"RED" WILDES WITH EASTERN CLUB OF BANGOR, ME.

Played Third Base on Saturday Last Against U. of M. Law School Team

"Red" Wildes, who played for Fredrickton for several seasons, is in the game at Bangor, playing for the Easterns of that city. On Saturday last that team beat the University of Maine Law School team 5 to 1 in seven innings. The Bangor News has the following about "Red":

"The Easterns presented the new battery, McLellan and Curtin, who look good. Who should illuminate the neighborhood around third base but our old college chum, 'Red' Wildes. 'Red' was there with the old smile and as nimble as ever. The report that he had gone to the Federals is all a mistake. 'Red' is going to stick around awhile and will probably play with the Easterns if satisfactory terms can be arranged."

Geers has been in 2:00 1/2 with his M. & M. candidate, The Guide.
