

## KIDNEY TROUBLE AFFECTED HIS SPINE

Suffered For Forty Years Until  
He Used "Fruit-a-tives"

BRONTE, ONT., OCT. 31st, 1913.  
"For about forty years, I was troubled with lame back brought on by kidney and bladder trouble. I was never confined to my bed with the trouble, but it affected my spine and I had to rest for a time. I took advertised remedies which never did me any good. Then I saw 'Fruit-a-tives' advertised and decided to try them. They did me more good than any other remedy."

My son suffered from the same trouble and frequently had to leave off working, but "Fruit-a-tives" remedied it for him. I would strongly advise anyone suffering from kidney and bladder trouble to use "Fruit-a-tives".

## DOCTOR CHARGED WITH MURDER

Boulton, Me., Nov. 7.—Dr. Lionel B. Dudley of Presque Isle, was arrested today for the alleged murder of Mildred Sullivan, a young girl of this town, who has been missing since Sept. 4.

Dr. Dudley and Kate Michaud of Wallagrass, a nurse, have been awaiting grand jury action on the charge of performing a forbidden operation on Miss Sullivan, who was last seen alive at Presque Isle, where she had gone ostensibly to visit a country fair.

Mr. F. B. Carvell, M.P., of Woodstock, is stopping at the Queen. Sir Thomas Tait came to the city today and registered at the Queen.

## JOHN BURROUGHS CONDEMNS THE WAR-DRUNK KAISER

(Continued from page three.)

tion as the world has never before seen and aimed at a neighboring nation who would have been glad enough to have lived forever at peace with all the world. Poor La Belle France! How has she been snared against both by her own rulers and the rulers of other nations! And little Belgium (the home of Maeterlinck who dared to bar her doors against the titanic nation despoiler and robber, and who now lies prostrate, bleeding and famishing! Her wrongs cry to heaven.

### GERMANY'S HELLISH GOSPEL.

Is it any wonder that we in this country give our sympathy without measure to the Allies and their cause? We instinctively look upon the German army as simply a vast machine rushing with blind fury upon the civilization of the world. We do not think of its individual units, as made up of the altogether modest, industrious human in it, and we see nothing admirable but its terrific efficiency. It is as regardless of life, of property, of things beautiful and precious, of the rights of the innocent and of the unoffending as is any other machine. It is not expressive of the spirit of the Germany that we know—the Germany to which we owe so much in literature, in music, in philosophy, in science and in the art of rational living, the Germany of Goethe, Schiller, Kant, Hegel and a hundred others. It is rather the outcome of the Germany of the blood and iron Bismarck, and of the gospel of

war that has been so assiduously preached by her recent savants and philosophers—the tense, abnormal Nietzsche and of the hard, calculating von Bernhardi, and of her ruling classes—the hellish gospel that might makes right, that small nations have no rights which great nations are bound to respect, the bygone feudal doctrine of the divine right of kings, and that the legitimate upbuilding of one nation can only be by pulling down of another nation; the gospel of armed conquest, of the robber baron, of the pirate on land or sea; a gospel which sneers at treaties as scraps of paper and throws international morality to the winds; a doctrine which our own nation has done much to discredit by refusing to seize Cuba and Mexico when there was none to say them nay; a doctrine to which, let us hope, this war will put an end forever.

WAR AS NOW WAGED BY THE KAISER AGAINST BELGIUM AND FRANCE IS BUT A HIGH SOUNDING NAME FOR THE COLLECTIVE MURDER AND PILLAGE AND ARSON OF A VAST ORGANIZED BAND OF OUTLAWS, AND FOR MY PART I BELIEVE IT IS THE LAST SPECTACLE OF THE KIND AND ON SUCH A SCALE THAT THE WORLD WILL EVER SEE.

## HEART WOULD PALPITATE.

HAD WEAK and  
DIZZY SPELLS.

Palpitation of the heart is one of the most common of all heart troubles. The heart will beat fast for several seconds, then slow, then start to flutter, and a feeling of utter depression will come over the system accompanied by weak and dizzy spells, making you feel that you are surely going to die. When you feel this way what you require is a real good heart and nerve tonic; one that will strengthen the weak heart and build up the nerve system. For this purpose we know of nothing that can equal Milburn's Heart and Nerve Pills.

Mrs. J. S. Nicholls, Listowel, Ont., writes: "I was weak and run down, my heart would palpitate, and I would take weak and dizzy spells. A friend advised me to try your Milburn's Heart and Nerve Pills so I started at once, and found that I felt much stronger, and my heart was ever so much better within a short time. I cannot praise your medicine too highly for it has done me a world of good. My husband has also been bothered with heart trouble ever since childhood and finds great relief in using your valuable pills."

Milburn's Heart and Nerve Pills are 50 cents per box, 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

### MORE THAN EVER

John Bernard Keating, the British consul to Portland, said at a luncheon:—

"The British nation, in fact, is in the same position as the British merchant who over a fish luncheon at Sweetings gave a loud laugh and said:—

"German merchants owe me £7000 and I never expect to see a penny of it."

"And yet you laugh! How brave!" exclaimed a silk dealer.

"Well, you see," said the other, "I owe the German merchants £19,000 and they never expect to see a penny of it, either."—Washington Star.
