NOVA SCOTIAN HEAD OF INTERNATIONAL MACHINISTS

Organized workers in Canada are taking much pride from the fact that Mr. William Hugh Johnston, the International President of the Association of Machinists and one of the leading labor men of the continent is a Canadian, being born at Westville, Pictou County Nova Scotia, on December 30, 1874. He assumed the executive chair of the Machinists' Union this month after a gradual rise through the ranks, both as a workman and as an organizer, his first experience in labor disputes being at the age of ten years when the boys at the mines in Nova Scotia were asking for better conditions.

From that time until the present day, he has been always advancing the interests of the workman until now he holds the highest position in the union of his trade. At the age of fourteen he was apprenticed in the locomotive works at Rhode Island, and in succeeding years was employed by different producers in the sea-board section. In 1895 he helped to organize his first local branch at Pawtucket, and a few years later he was made president of the Rhode Island branch, whom he served as Business Agent for several years. In 1909 he became general organizer for the Denver division of the association, and this year finds him the International President.

Danbury, Conn., Feb. 2.—A party of prominent woman suffrage advocates who are making a "trolley campaign" of Connecticut, reached here today to begin a series of meetings. A "trolley campaign" is regarded as one of the most unique and successful plans yet devised to bring the equal suffrage cause before the people. The tour began a week ago at Bridgeport and will be continued until virtually every city and town of importance in the Nutmeg State has been visited. The touring party includes a number of the most noted suffragists of England as well as of America.

I Am Willing To Prove I Can Cure You

To That End I Am Giving Away \$10,000 Worth of Medicine

In order to show beyond all doubt that I am in possession of a medicine that will cure kidney trouble, bladder trouble or rheumatism, I will this year give away ten thousand dollars' worth of this medicine, and anyone suffering from these diseases can get a box of it absolutely free. All that is necessary is to send me your address.

I don't mean that you are to use a part of it or all of it stand pay me if cured. I mean that I will send you a box of this medicine absolutely free of charge, a gift from me to the Urine Acid sufferers of the world, so I can show them where and how they may be cured. I will not expect payment for this free medicine, nor would I accept it now or later if you sent it. It is free in the real meaning of the word.

For twenty-five years—a quarter of a century—I have been trying to convince the public that I have something genuine, something better than others have for the cure of stubborn, chronic rheumatism, for torturing kidney backache, for annoying calls to urinate. But it is hard to convince people—they try a few things unsuccessfully and give up all hope and refuse to listen to anyone thereafter. Happily, I am in a position now to demonstrate to sufferers that my own expense that I have a medicine that cures these diseases. I don't ask them to spend any money to find out; I don't ask them to believe me, nor even to take the word of reliable people, but all I ask is that they allow me to send them the medicine at my own cost. That is surely fair.

To this end I have set aside ten thousand dollars, which will be used to compound my medicine. Much of it is ready now to be sent out, all of it fresh and standard. There will be enough for all sufferers, though there be thousands of them. And anyone who needs it can get some of it free. But in order that I shall know that you have a disease for which this medicine is intended, I ask you to send me some of your leading symptoms. If you have any of the symptoms in the list printed here you read my medicine and if you will write me I will gladly send you a box of it free with full directions for your use. Look the symptoms over, see which symptoms you have, then write me about as follows: "Dear Dr., I notice symptoms number—here put down the numbers, give your age, full address, and send it to me. My address is Dr. T. Frank Lynott, 834 Franklin Building, Toronto, Can."

The ten thousand dollars I am spending for the compounding of my medicine is only a part of the money I am devoting to this cause, for the package of medicine I send you will be fully prepaid at my expense. From any standpoint you view it, YOU incur no expense or obligation. Just tell others who you know are suffering who sent you the medicine that cured you.

If I am promising to give away ten thousand dollars' worth of medicine, and I will do that; I am promising to send any sufferer who writes me a box of this medicine and full directions free of charge, and I will do that.

NOT ONE WOMAN IN TWENTY HAS A STRONG BACK.

THE KIDNEYS ARE TO BLAME
NINE TIMES OUT OF TEN.

Women are coming to understand that weak, lame and aching backs from which they suffer are due to wrong action of the kidneys.

The poisons that ought to be carried off are sent back into the blood, taking with them a multitude of aches and pains. There is no use of expecting relief until the kidneys are restored to health.

Doan's Kidney Pills are the quickest and most reliable remedy. Mrs. Ed. Baxter, Upham, N.B., writes:—"I take a good deal of pleasure in telling you what Doan's Kidney Pills have done for me. I was troubled with my kidneys for a number of years, and my back was so lame I could not sweep the floor. A friend of mine advised me to try a box of Doan's Kidney Pills, which I did, and after using three boxes I am as well as ever. I highly recommend them to anyone suffering from lame back or kidney trouble."

Doan's Kidney Pills are 50 cents per box, or three boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. When ordering direct specify "Doan's."
