Close Game at Arctic
Rink Last Night—U. N.
B. Scored in First Per-
iod—Visitors Were
Better skaters and stick
handlers but could not
score

In a fast game of hockey last night the U.N.B. ladies' team defeated the Campbellton ladies' team by a score of one to nothing. Miss Palmer scored U.N.B.'s tally one minute after play started on a pass from Miss Crockett. The play for the rest of the period was in Campbellton's territory.

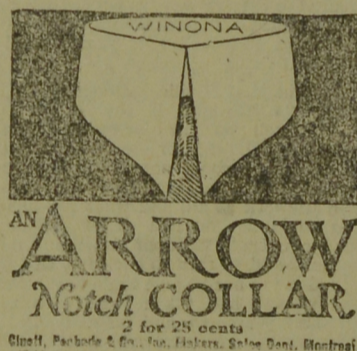

In the second period play was fairly even. Campbellton made several good bids to score and Miss Townsend in goal, made some fine stops for U.N.B.

In the last period Campbellton out-skated and out-stick-handled the U.N.B. team and for a while they looked like sure winners. U.N.B.'s defence broke up numerous combination plays.

Miss Cain, Campbellton's rover, was the star of both teams in this period, skating faster and stick-handling in a very creditable manner. Miss Crockett and Miss Palmer played good hockey and were ably assisted by Miss Anderson and Miss Lockary. Miss Bliss at cover, played a good game and showed up well. Miss Thurott at point, and Miss Townsend in goal, put up good games.

Mr. S. C. L. Coleman refereed. The teams lined up as follows:

Point	Miss Thurott

JOHNNY EVERS DEPOSED BY CHARLES W. MURPHY

New York, Feb. 10—Johnny Evers, deposed and "Hank" O'Day made manager of the Chicago Nationals. This announcement was made at the National League meeting at the Waldorf Hotel late this afternoon by Charles Murphy, the erratic president of the Chicago Club, and it caused the biggest sensation of the year in baseball circles.

While the magnates were finding fault with the Chicago magnate for springing a play of this kind, while a foreign foe is storming the outer gates, Pres. James E. Gaffney left the room and came downstairs, where he met Johnny Evers and surprised him with the news. Evers had reached the hotel but a few moments before and as the news flashed through the hotel corridors the crowds pressed about Evers to find the great player absolutely cool.

ACADIA PLAYS
U. N. B. TONIGHT IN
INTERCOLLEGIATE

Three Changes in Red and Black
Team—Lead College Supporters
are Expecting Victory.

There will be three changes in the U.N.B. line-up for tonight's game. Lockary will replace Hipwell at centre, Mooney will play left wing and Madmann will play goal in place of VanWart.

The U.N.B. team have odds two to one in their favor and should give Acadia a good beating to pay up for the games they claim were stolen from them at Wolfville.

The line-up for tonight's game will be as follows: Madmann, goal; Asker, point; Melanson, Coverpoint; McLean, rover; Lockary, centre; Pugh, right wing; Mooney, left wing.

The Acadia team will arrive here tonight. Mount A. defeated Acadia on their home ice and U.N.B. supporters expect them win tonight's contest.

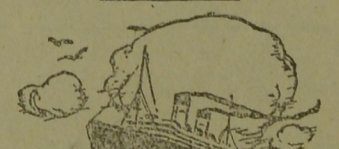

TENNIS SOLONS TO DE- FINE AMATEUR GAME

New York, Feb. 12—Amateurism in lawn tennis will be strictly defined at the annual meeting of the United States National Lawn Tennis Association to be held at the Waldorf-Astoria tomorrow. For a long time there has been much controversy over this question, and at the last meeting of the national body a committee was appointed to draft a rule that would conform sufficiently with that of the International Federation of Europe so as to avoid the possibility of friction in the Davis Cup matches, which are to be played in the United States next summer. The principal objection to the definition of an amateur has come from the promoters of invitation and hotel tournaments, in which it is alleged discrimination has been shown in favor of the leading players, and the adoption of a new rule will mean that these promoters will have to depend largely on local players in the future. While the opposition is expected to muster considerable force at tomorrow's meeting, it is thought among the leading officials that the rule will pass.

FREDERICTON
BEATEN 5 TO 0
AT CAMPBELLTON

Visiting Team Received Shabby Treatment at North Shore Town— Walked Streets and Froze Hands

Manager "Tommy" Lynch telephoned Bert Smith last night that Campbellton defeated Fredericton by a score of 5 to 0. He said that Campbellton scored three of the five goals off-side. He also confirmed the report that the players had to walk the streets with the temperature 24 degrees below zero on their arrival and that "Mike" Murphy and others had frozen their hands, feet and ears and that they took refuge in the police station. This is a very unsportsmanlike way to win a game and the Campbellton team deserves very little credit for their victory.

To the Electors Of the County of York

GENTLEMEN:
At the request of a large number of electors, I, James M. Scott, offer myself as a candidate for the vacant seat in the Legislative Assembly for the County of York. I present myself as an Independent Liberal Conservative, strongly opposed to the methods of the machine, which has sought to control both Federal and Provincial affairs in this constituency over the heads of the representatives of the county, and without reference to the wishes of the people.

The recent, so-called convention, for the selection of a candidate, was irregularly called for a certain date by the secretary without the authority of the president and against his protest—an example of usurpation of authority and of deception such as the party here has never known. To bring a large number of electors together under such circumstances is a piece of deception which, I am sure, this constituency will not tolerate and will vigorously resent.

The treatment accorded the County in the recent reconstruction of the government is such as to call forth our strongest protest. A portfolio was vacated in York—the county which was largely responsible for placing the present administration in power—it is not restored to us; we are not even given a voice in the government. A portfolio was vacated in Charlotte; it is immediately filled by a representative of that constituency. Shall we calmly suffer such a rebuff and lie down under such a humiliation? Who are the men who are responsible for this? They are the men who, through the exercise of patronage, control the machine and who boast that they have kept York from being represented in the government. They are the men who for personal reasons, seek to foist upon us by an irregularly called convention, by an impossible method of voting and by an abuse of patronage, without regard to consequences a candidate who was opposed by two of the elected representatives of the county and who is known to be unacceptable to leading men of the party and to a large and important body of the electorate.

These matters will be dealt with more fully as the campaign proceeds. In the meantime, I feel assured that the better judgment of the county will reverse an act which dishonors our record and stains our name, and the metropolitan constituency of York to freed from the influence which seeks to enslave us. I am much mistaken if there is not a spirit of independence in this county which will not submit to be oppressed and a fund of good sense among us which will not be deceived.

I have the honor to be, gentlemen,
Your obedient servant,
JAMES M. SCOTT.
