POLICE MAGISTRATE
TAKES OATH OF OFFICE
THIS AFTERNOON

Will Preside Over Court Monday Morning--Conferred With Col. Marsh
This Morning---Peculiar Situation for Two Days

Walter Limerick, Fredericton's new police magistrate, will assume the duties of his office on Monday, presiding over the court in the morning if there is any business to come before it. Mr. Limerick conferred with Col. Marsh, his predecessor, this morning, concerning the duties of the office. Col. Marsh, although no longer police magistrate, will attend at the office next week in order to complete the transfer of the position.

Mr. Limerick is to take the oath of office before His Honor Judge Barry today in order to begin his duties at the first of a week.

Fredericton has been in the peculiar situation of having no police magistrate since Col. Marsh's resignation was accepted by the provincial government at noon Thursday. Col. Marsh did not hold office after his resignation, Mr. Limerick did not take office till he was sworn in and Mr. McCready, the sitting magistrate, is out of the city. Fortunately there have been no cases to come before the police court since Col. Marsh's resignation.

The late police magistrate states that he leaves office with a great sense of relief and pleasure.

TO ADDRESS ORANGEMEN.

Mr. N. W. Brown of Southampton, is here today en route to Fredericton Junction where he will address the Orangemen at a church parade on Sunday. On Monday he speaks to the brethren at North Lake.
