G. W. HARRISON, MANAGER

FREDERICTON BRANCH

FROM THE RURAL DISTRICTS

UPPER SOUTHAMPTON.

Upper Southampton, April 25—Dr. Phillips is home from Business College, Fredericton.

Rev. Mr. Sabine returned last week from a visit to Campbell Settlement. James M. Scott lumbered extensively last winter on the Greir's Creek property for Donald Fraser & Sons. The large dams built for driving purposes by the late George W. Brown will be repaired and the logs driven to the main river and there rafted and run to Fredericton where they will be sawed.

Mr. Charles E. Grant of Woodstock is visiting his daughter Mrs. Wayman Wright.

Mr. Norris Tompkins pays occasional visits to Grand Falls. Why?

Mrs. David Phillips and son, and Mrs. Wendall Phillips and her two daughters were visiting Deacon and Mrs. A. A. Wright on Tuesday. In the evening Mrs. Wright gave a candy party.

Mr. Ernest Akerly sold his fine matched team of sorrels for five hundred dollars and is now on the hunt for a new team.

Mr. B. W. Akerly and son have been lumbering home this winter. Amos Brooks was their chopper and could cut with ease thirty and forty square a day.

Mr. Woodford Wright had a large wood splitting party last Thursday. In the evening the merry splitters' best girls came and the hours were very happily spent in games and vocal and instrumental music. Miss Lilly Wright was voted the belle of the evening. The guests were royally entertained by Mr. and Mrs. Wright.

Mr. Stilson Brooks of Presque Isle Me., where he has made money farming is here on a visit to his brother Amos.

A SHERLOCK HOLMES.

A week ago Tuesday Game Warden Jas. T. Mostin of Campbell

Settlement heard rifle shots down in the woods not very far from his home. He at once started in the direction from which the reports came. He soon came upon the carcass of a large bull moose. It was warm but the parties who did the shooting were no where to be seen. The wily game warden was not deceived when he concluded that the vernal hunters would return for their game in the evening. An hour or so after dark, Mr. Mastin lit his lantern and returned to the scene of the shooting. There was nobody in sight, but the massive body had been quartered and hung up—not a bit of it missing. The parties had seen Mr. Mastin's lantern coming, and fled, leaving not a trace behind except the track of a peculiar "iron" worn on the bottom of shoe packs to keep the wearer from slipping. The game warden had arranged for three or four men to follow him. These men helped him carry all the meat to where they could get a team. The meat was sold at public auction and brought a good price. Next day he went to the man who has already been fined fifty dollars and said:—"A—s who shot that moose yesterday?" "God only knows" replied the man who wore the peculiar "iron" on the bottom of his shoe-pack. "Now come" answered the warden, "if you don't act something near fair, it will be pretty serious for you this time." At this juncture the hunter's rich brother came out of the house and took a hand. "I shot the moose" said he. "How much money do you want?" "Fifty dollars" replied the warden. A bill of that denomination was carelessly slipped off a huge pile of bills carried in a large American pocket-book and handed to the warden. "I will give you a receipt" said the warden. "Don't want any" replied the well-to-do farmer and the warden bade the two brothers Good Day.

THE NEW YORK STATE LEAGUE OPENING

Scranton, Pa., April 30—In four cities of the New York State League circuit the umpire's cry of "Play Ball" was heard for the first time today, marking the opening of the 1914 championship season. The Albany team lined up for the initial contest at Wilkes-Barre, Syracuse appeared at Elmira and Troy at Scranton, while the champion "Bingoes" entertained the Utica team at Birmingham.

The circuit of the league remains the same as last season but there have been many numerous changes among the managers and players. John Kelly has taken the place of Dick Smith as manager of the Scranton team, and Ed Phelps has succeeded Jim Tamsett at Albany. Other new managers are Fred Payne at Syracuse, Wid Conroy at Elmira and Pete Noonan at Wilkes-Barre. Of the new managers, Conroy, Phelps and Payne are the best known, all being former big league players.

The New York State League will play a season of 140 games, closing September 13. All the teams on the circuit have higher priced men this year than ever before and the club owners and managers all along the line predict that the race for the pennant will be one of the most interesting in the history of the organization.

MAINE POTATOES CONDEMNED

Washington, April 28—Federal quarantine against Maine potatoes, effective August 1 next, has been declared by the Department of Agriculture, it was announced today, because of the prevalence of powdery scab. After August 1 no common or Irish potatoes can be shipped out of Maine except under regulations of the Department of Agriculture.

Biliousness

is certainly one of the most disagreeable ailments which flesh is heir to. Coated tongue—bitter taste in the mouth—nausea—dizziness—these combine to make life a burden. The cause is a disordered liver—the cure Dr. Morse's Indian Root Pills. They go straight to the root of the trouble, put the liver right, cleanse the stomach and bowels, clear the tongue and take away the bitter taste from the mouth. At the first sign of biliousness take

If all the wardens of York county were as successful in bringing to time wilful violators of the law as Warden Mastin is, there would be less big game ruthlessly killed out of season. During the last two weeks, two other brothers have been hunting deer on the crust. But Mastin has his eye on them, and already has evidence against them.

BARKER'S POINT

Measles Raging in the Community—A Large Number of People Moving This Spring

Barker's Point, April 30—There is a great deal of moving in this vicinity this spring. Mr. John Paisley and family are moving to a house on Needham street, Fredericton, they having sold their home on the back road to Mr. Wm. Rice Sr., who has lately returned from Bristol, N.H., where he and his family have been living for some years. Of late Mr. Rice has been living in the house owned by Nathaniel Jones.

Mr. and Mrs. Arthur Wheaton will occupy the house vacated by the Rice family.

Mr. and Mrs. Harry McLean and family, including his brother and sister, are moving from H. C. Mackey's house on George street to the Barker homestead, at Barker's Point, lately occupied by Mr. John Pepper, Mr. Peppers having leased the Robert Peppers property.

It is rumored that Messrs. Joseph and Herbert Hughes are to erect a dwelling on the vacant lot between the residences of Mr. William Hughes and Mr. Willard Hughes.

Mr. George Kilburn has a large crew of men at work building boats and getting in readiness for the season's log-driving on the Nashwaak.

A crew of men have been working for the past few days swinging booms and getting things into shape before the logs come down.

Mrs. Fred Flowers and her mother Mrs. Hartgrove of Lakeville Corner, were visiting friends here today.

There seems to be a large number of children in this community suffering with measles, several cases having been reported lately.

At the next school meeting there are to be two trustees elected, the term of one having expired while the other has removed from the district.

CAMP OF VETERAN'S AT JACKSONVILLE

Jacksonville, Fla., April 30—All arrangements have been completed for the twenty-fourth annual national encampment of the United Confederate Veterans, which will be held in this city next week.

For nearly a year a committee of fifty of the foremost citizens of Jacksonville has been at work on the preparations for the reception and on-ward or more visitors who are entertained of the twenty-five thousand to be here from every part of the South. The detailed program prepared by the committee is of the most perfect and elaborate character and if the coming reunion is not one of the most successful ever held by the veterans who wore the gray it will not be the fault of the people of Jacksonville.

Already public buildings and private residences are taking on holiday attire in honor of the coming of the grizzled heroes. The electrical decorations will be the most elaborate ever seen in the south. Upon arriving at the union depot the first thing to attract the attention of the visitors will be an enormous electrical sign flashing out the words, "Jacksonville Bids You Welcome." At all the principal street intersections in the downtown district beautiful canopies of electric lights are being constructed. The leading thoroughfares are lined with Venetian masts from which Old Glory and the Stars and Bars will float side by side. Countless yards of bunting and thousands of flags and banners will be used in the decorations of the building fronts along the line of the reunion parade.

General Bennett H. Young of Louisville, commander-in-chief of the United Confederate Veterans, will preside at the business sessions of that body. Governor Park Trammell and other prominent speakers will be on the program. Among the notable guests who will be assigned places of honor on the platform will be General E. M. Law of Dartow, Fla., who is the only surviving general of the Confederate side who commanded a division at Chickamauga. General Law is now nearing his eightieth year.

The annual parade will be the closing feature of the reunion. Many of the old soldiers who composed the armies of Virginia and Tennessee, who marched to the strains of "Dixie," and followed the old flag under Lee and Jackson and Hood and Johnson, are now too feeble to march in the ranks with their comrades. Realizing this, the local committee has arranged to furnish carriages and automobiles for those who wish to participate in the parade, despite their inactivity to stand the strain of marching. Others will occupy reserved seats in the reviewing stands, where they can witness the parade and to cheer their comrades as they pass.

Kansas Board of Agriculture gives corn and wheat average condition of 95.5, best condition since April 1903.

Stockholders of Youngstown Iron & Steel Company vote to increase stock from \$1,000,000 to \$3,000,000.

12 industrials declined .28. 20 rails declined .58.
