In Very Close Game

Score Was 5 to 4--John Dolan, Fred McLean and Frank Staples With McAdam Team--Visitors Made Many Errors, But Game Was Interesting

The McAdam team was beaten by the Pets 5 to 4 in a nine-inning game at College Field yesterday. There were enough errors for two or three games but the game was interesting right to the last putout. McAdam looked good in the early stages but went bad as the game progressed. Fisher was in the box for the visitors and did good work as well as batting hard. "Judge" Barry started pitching for the Pets and after three innings was replaced by Bob Melrose. Both were in good form.

John Dolan, Fred McLean and Frank Staples, three Fredericton players, appeared with the McAdam team. The first two are recent imports but the latter has been in McAdam for some time. Staples was put in as a pinch hitter but failed to connect. McLean appeared as shortstop, a somewhat unusual position for him, while Dolan was in the outfield.

McAdam scored two in the third. A ball bounced bad so that Lifford failed to get it and that gave the visitors their chance, which Fisher's two-bagger and Dolan's single made a surety.

In the fifth the Pets took the lead. Hayes was safe on Wakefield's error. Melrose drove the ball to John Dolan, who dropped the long fly. Miller tried to retrieve but fumbled the ball. Coward hit safely and brought in two runs. He stole second and scored on Donovan's hit. An error by Ward let Donovan reach third and he was thrown out at the plate when Johnston hit to the pitcher. Art Finnemore, who played a good game in centre-field for the Pets, fied out to

Ward, but Lifford hit safely and two more runs came in. In the sixth the Pets made another Hayes reaching first on a choice and scoring on Coward's hit and an error by Miller.

With a three run lead to cut down, McAdam started strong in the eighth. Johnston was hit by a pitched ball and stole second. Dolan was passed McLean struck out but an error by Barbour let Seely reach first and Johnston scored. An error by Donovan, who then went wild, let Dolan go home. McAdam could do little after that however. In the ninth Johnston drew a pass and stole second, but died there.

The September Morns put it all over the Pets last evening in the Celestial Baseball League, winning 9 to 5. Errors by the Pets was the chief reason for their defeat. In the field the Morns put up a snappy variety of play. The result of the game gives the league championship to the Imperials, who are now leading, unless the Imps lose their next game. BE KIND TO FOREIGNERS
URGES POLICE MAGISTRATE

(Toronto News.)
Magistrate Kingsford, upon opening the Police Court yesterday morning, referred to the present critical state of things in Europe and its consequent effect upon Canadians. He asked the citizens of Toronto to continue their present good behaviour. Order must be kept in the interval of discord. He went on to say:
"We have among our foreigners, some of whom belong to the countries with which we are at war. Many of these have lived among us for years. They are among our most respectable citizens. They can be assured they will receive the full protection of our laws. No molestation or insults will be offered them. They will receive the same consideration and protection as our own fellow-subjects and may rely on our good feeling to see that no harm befalls them."

"All we expect from them is reciprocal fair treatment. I ask you, Mr. Corley, therefore, and the gentlemen of the Bar here present to use all your influence in the direction of impressing on our own people the necessity for the preservation of law and order, and the protection of the foreigners remaining within our borders."

ENOUGH TO KNOW.

Some time ago a steamboat was sailing down a river which at one point contained a group of rocks. As this point was approached a passenger who seemed nervous timidly sought the captain.

"Captain," said he, glancing at the black masses that pierced the surface of the water, "aren't you afraid to sail down this river?"

"Why, no," was the surprised response of the captain, "I have been over the course thousands of times."

"Then I suppose," continued the nervous one, "that you know where every rock is located."

"No, I don't know that," smiled the captain, "but I know where the channel is."

Al Woods has obtained the American rights to the play, "Innocent," which George Broadhurst has adapted from the French.

FREDERICTON - - New Brunswick.The Poor Man's
University

"JONES knows more about motor cars than any other man I know," said a man to his friend. "He has obtained his knowledge chiefly from motor car advertisements, and the catalogues and booklets circulated through them."

"All I know about photography," declared a well-known amateur, "I have learned from the men who advertise cameras, plates, papers and films."

Advertisements have been well called "The Poor Man's University," but other than poor men have been schooled thereby.

Much of what the average individual knows concerning personal and domestic hygiene, modern office methods, books and authors, electricity, precious stones, investments, and almost everything else, he has learned from advertisements.

Advertisements have stimulated our intelligence, added enormously to our knowledge, and given us aspirations which have raised us to higher levels of thinking and living. Advertising is indeed "The Poor Man's University."

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper.

If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.
