SPECIAL SERVICES

Rev. Mr. Newcomb pastor of the Brunswick Street Baptist Church has been conducting special services this week. Much interest is being manifested.

Don't drink dusty Teas as they are injurious and cost much less to produce than delicious "Salada," which is free of dust and all pure virgin Tea leaves—the registered brand "Salada" which appears on every genuine packet is put there as your safeguard and protector.

MISSION BAND SALE.

The Senior Mission Band of the Brunswick Street Baptist Church will hold its annual Bazaar sale Wednesday evening, April 8th. There will be a feast from the seven tables from 5.30 to 5 o'clock.

STREET SWEEPER OUT.

Roadmaster Jewett had the street sweeper out today, cleaning the streets of the winter's accumulation of filth. The cleaning process will make hauling easier for runners and also will make the ice melt quickly.

THREE PROTECTIONISTS

Three protectionists took shelter at the police station last night. All of the trio belong outside of Fredericton. One was a young Swede who has been about the city for some time unable to obtain work. The police have been giving him his meals.

NEEDS ATTENTION.

The catch-basin at the corner of Queen and St. John streets is plugged and as a result the street is overflowed. The proximity of the corner to the Parliament Buildings makes it likely that a bad impression upon visitors to the city may be created.

LICENSED AT LAST

According to the Royal Gazette issued today a license to transact business in the province for one year from November 1, 1913, has been granted the Hibbard Company. There is first provincial tax required of this company.

COUNTRY MARKET.

There was a small mid-week market today, although the country roads are good. Prices were as follows: Butter, per lb. .25 to .28 Potatoes per bbl. 1.00 to 1.10 Eggs, per dozen .24 to .26 Veal, per lb. .11 to .13 Hay, per ton 10.00 to 14.00

SUCCESSION DUTIES.

Information gleaned from Mr. Dugal's inquiries in the House is to the effect that the ex-attorney general had been paid \$2,955.18 for collecting succession duties between the close of the fiscal year to the date of his retirement. He was paid \$2,520.28 during the fiscal year for similar work. This is a record breaker.

A BLOW OUT.

A swell show at the Gem. See the blow out at Santa Barbara, a rattling two-reel western, see bucking bronchos, cowboys, bull dodging a steer, fire-works, cowboy parades and many other things too numerous to mention, the most entertaining picture ever we had; and a Thanhouser feature, featuring Harry Benham and a Keystone comedy.

SURPRISE PARTY.

A very enjoyable surprise party was held at the home of Mr. and Mrs. Henry Burnett, Island View, on Tuesday evening. About ninety-five friends assembled for the occasion. Mr. Charles Murray, on behalf of the company, presented Mr. and Mrs. Burnett with a handsome sideboard for their dining-room. Refreshments were served at 11.45 and singing and dancing were indulged in during the evening. Those who took an active part included Misses Ethel Koe and Thelma Grant and Messrs. Ben Whitehead and Bert Hargh. About 1.30 the company sang Auld Land Syne and dispersed.

City Court Business Held up Today
Because There Was no One
to Preside---Col.
Marsh ill

The City Court this morning had to be adjourned because of lack of a magistrate to preside. Police Magistrate Marsh had to go home from his office yesterday seriously ill and is confined to his home today. City Clerk McCready, who is the sitting magistrate of the court, is still incapacitated by illness from attending to official duties. City Treasurer Perkins, who is acting city clerk, is not qualified to act and in consequence court business is suspended. His Worship Mayor Mitchell stated this morning that an application probably would be made to the provincial government for the appointment of a sitting magistrate in order to relieve the temporary embarrassment in connection with the business of the City Court and Police Court. Fortunately there was no police business to come before the court today.
