

NEWS OF FREDERICTON TWENTY-ONE YEARS AGO

(From The Weekly Herald of Saturday, February 4, 1893.)

"JIM" AGAIN TO THE FRONT—The New York Police Gazette is now confident that "Jim", now in Dorchester penitentiary, is "Jim" Christie, a noted bank-robber and burglar. The Gazette traces him from the Rogue's Gallery in Sing Sing and describes him very correctly. It says he can sing, read prayers or deliver an oration with ease. As a public speaker he excels all other crooks on the continent and is one of the smoothest professionals in the business. He is a Canadian by birth and is highly educated. During the last year or so he has made his headquarters near the Canadian border in Maine. The police and detectives have been watching for him to come this way (New York), but he failed to comply with their wishes. He is a successful "buff" and on many occasions his oily tongue has stood him in good stead in the court. ("Jim" was imprisoned for his part in the murder of Policeman Steadman of Moncton.)

FREDERICTON DEBATING SOCIETY—The literary and debating society of last year has been revived. Its present officers are: Mr. Jennings, president. Mr. Slipp, vice-president. H. F. McLeod, secretary-treasurer. The society's meetings are well attended and it contains much of the best talent of the city. Last night it met at the Church Hall and an interesting debate on the Egyptian question took place.

FROM THE WEST—Word has been received from George L. Wilson, who lately left this place to locate in the Northwest. Mr. Wilson is taking a cruise through the country on the Pacific Coast.

KINDERGARTEN—Miss Kate Fletcher of Halifax, has been engaged by a number of Fredericton ladies to undertake the introduction of the kindergarten system of education in this city. The ladies hope to have all arrangements completed and to have a school established by May 1st.

ST. JOHN VALLEY RAILWAY—Advices from Ottawa state that Mr. Wilnot, M.P., is agitating for a further subsidy in aid of the St. John Valley Railway. Mr. Wilnot claims that the people of Sunbury and Queens have not been treated fairly in the matter of railway facilities.

TO RESIDE HERE—J. D. Phinney, M.P.P., for Kent, is about to make Fredericton his permanent home. He has purchased the Matthews property at the corner of George and Sunbury streets and will reside there after May 1. (Sunbury street is now University avenue.)

MARRIED IN MAINE—Percy Walker, in the employ of D. W. Hoegg & Co., was married to Miss Henrietta Riley of West Brook, Me., on Tuesday, January 10. Mr. and Mrs. Walker are now in the city, where they received a warm welcome. (D. W. Hoegg & Co. conducted canning operations, their factory being at the corner of Northumberland and King streets. The plant was removed to Sussex about fifteen years ago.)

ON THE UPPER ST. JOHN—Rev. G. B. Payson of this city, is laboring at St. Francis and in lumber camps on the upper St. John. He reports himself as being used kindly by all.

ACCIDENT—Frank Edwards, the young son of J. A. Edwards, proprietor of the Queen Hotel, met with a serious accident on Wednesday afternoon. He was run over by a sleigh and came near having a leg broken.

THE EXODUS—Thomas Marshall of Butte City, Montana, formerly of this city, is spending a few days here. He is endeavoring to sell his farm and remove with his parents to Butte City.

TO LOCATE IN ST. JOHN—H. C. Risteen, brother of F. H. Risteen, the well known court stenographer, has decided to locate in St. John and has taken an office in the Stockton Building, Prince William street.

GOING TO ENGLAND—R. Inglis, the popular manager of the Bank of B.N.A. here, has been given three months' leave of absence and with Mrs. Inglis left on Wednesday for Halifax, where they will take the S. S. Numidian for England to visit Mr. Inglis' relatives.

NEW QUARTERS—It is rumored that the Merchants' Bank of Halifax will move into the new building of Howard and Crangle at the corner of Queen and Carleton streets as soon as it is finished. (The Howard and Crangle Building is now the Royal Bank Building. The Merchants' Bank of Halifax is now the Royal Bank of Canada.)

HIGHLY HONORED—Principal Mullin of the Provincial Normal School, has been invited to attend the great educational convention to be held at Chicago during the World's Fair.

AT THE PARLIAMENT BUILDINGS—The Assembly Room in the Parliament Buildings has been improved by the addition to its pictures of a life-size portrait of Sir S. Leonard Tilley.

PERSONAL MENTION—Prof. Stock-

WHEN APPETITE FAILS AND DIGESTION IS BAD

There is Danger Ahead for the Man
That Neglects Nature's
Warning

Dyspepsia Tendencies are Serious and Should
Be Treated Accordingly

There is a strong moral in the statement of James Schrum of Pleasant street, Dartmouth, N.S. Like thousands of people he was failing in health because his stomach and digestive organs were out of repair. His vitality was slipping away; he was losing ground every day.

"I could not have held on much longer. I was wasting away simply because no remedy I used gave tone and strength to my stomach. The vital forces of my system seemed dead. I was advised to try Dr. Hamilton's Pills. What hidden weakness they searched out I don't know but in a miraculous way they have made a new man of me. My stomach troubles are cured, rich blood now runs through my veins—clear skin and unmistakable evidences of health and vigor I feel every day. Dr. Hamilton's Pills have certainly mastered the secret of ruring the sickly enervated man and I strongly urge everyone in failing or lost health to use this grand remedy."

Dr. Hamilton's Pills of Mandrake and Butternut are purely vegetable—25c. per box, five for \$1.00, all druggists and storekeepers, or postpaid from the Catarthozone Co., Buffalo N.Y., and Kingston, Ont.

ley of the U.N.B., has been confined to his room by a severe cold. Among those who were in the city during the week were Attorney General A. G. Blair, Hon. Wm. Pugsley and Hon. H. R. Emmerson.

1870.

What Rulers Are Paid

The King of England, including the Queen's portion, gets \$2,500,000 a year salary.

The King of Italy \$3,000,000.

The German Emperor nearly \$4,000,000.

The King of Spain nearly \$2,000,000.

The Sultan of Turkey, \$7,500,000.

The Czar of Russia from \$5,000,000 to \$12,000,000, according to the value of private estates.

The President of the United States gets \$75,000.

The Emperor of Austria gets \$4,500,000.

Steamer in a Field

Returnlag empty from Carmarthen to Bristol down the River Towy, whose banks were obliterated by the floods, the steamer "Merthyr," 143 tons, sailed into a meadow and got ashore. The waters were subsiding, and the vessel was in danger of being left high and dry, but the crew pumped out the water ballast and refloated the steamer after two hours.

FILLERS—in

The cost of a British Cabinet Minister's full-dress uniform is \$630. Lancashire and Yorkshire mill hands and other workpeople use 4,000,000 pairs of clogs a year.

Trapped 20,000 Moles

With an ingenious trap, Mr. John Marchant and his son killed 20,000 moles in Essex in three years. Mole skins sell at about \$10 a hundred.

Thought Nothing But Death
Would End Her Misery.

WAS TROUBLED WITH
Heart Disease.

Mrs. J. D. Talbot, Owen Sound, Ont., writes:—"I have been a great sufferer from heart disease, and leaking valves. I have had resource to every kind of treatment I could think might help me, including the skill of several doctors. I suffered so for years that at times I have felt that nothing but death could end my misery. I was advised by a friend, who had suffered untold pain and misery, just as I had, and had been cured by Milburn's Heart and Nerve Pills, to give them a trial, so I decided to do so. I am now completely cured, and can eat and sleep as I have not done for years.

You are at liberty to use my name at any time as I am convinced they are the best pills on the market for any form of heart disease."

Milburn's Heart and Nerve Pills are 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

The reproducing point of the new Edison Cylinder Phonograph is a diamond

It was appropriate that when Mr. Edison was seeking the utmost perfection in sound reproduction he should find that this power lay in the diamond. He discovered it in the course of more than 2,500 experiments, always looking toward rarer sweetness, mellower, stronger tone.

He has equipped every new
Edison Phonograph
with a diamond-point reproducer.

When this marvelously impervious tip rests upon the surface of the unbreakable Blue Amberol Record, the heavier pressure can produce but one result—wonderfully increased volume combined with rarest sweetness. Hear a Blue Amberol at your Edison Dealer's today.

Edison Amberol I
Has Diamond Point reproducer,
double spring motor, vacuum
drive and automatic stop. Un-
usually designed in mahogany,
Circassian walnut and oak.
