BATTLE ANNIVERSARY

OBSERVED AT PITTSBURG, VA.

Petersburg, Va., July 30.—Survivors of the Battle of the Crater, which took place on the outskirts of this city, July 30, 1864, gathered at the battlefield today and joined in an appropriate observance of the fiftieth anniversary of the engagement. The programme consisted largely of historical addresses and was carried out under the auspices of A. F. Hill Camp, sons of Confederate veterans. The battle of the Crater was one of the most notable of the Virginian campaign, as it delayed the surrender of the Confederate troops for nearly 600 feet long beneath a hill on a year. Gen. Grants men drove a tunnel through Confederate lines, and planted 8,000 pounds of powder. When this was exploded 276 Confederates were killed, but the forces in gray under Gen. Mahone repulsed the four divisions of Grant's army with casualties of 4,400 Federals and 922 Confederates. A bill providing for the creation of a national park at the site of the battle is now pending in Congress.

ERNEST HENDRY
ARRESTED YESTERDAY
AT BATHURST

Boiestown Ticket Agent Now Being
Examined at Chatham--Friends
Have Offered to Make Good the
Alleged Defalcation

Ernest Hendry, late station agent for the I.R.C. at Boiestown, is undergoing examination at Chatham on the charge of having converted funds of the Dominion and Canadian Express Companies to his own use. The examination began yesterday afternoon. Mr. Hendry has many friends among the travelling public and among railroad men who believe in his honesty and who claim that he has not taken the money for his own use, although an inspection has shown him to be short in his accounts to the amount of \$970. Two of his friends have offered to make good the amount. It is said, believing that he has been victimized by some other person. At the present time Everett Vye is acting station agent at Boiestown.

ARRESTED WEDNESDAY.

The Chatham World of Wednesday, has the following concerning the case: "Ernest Hendry, station agent at Boiestown started for Campbellton on Monday, in response to a summons from Assistant Superintendent Price, but does not appear to have reached that place. He was taken into custody at Bathurst Tuesday night by Chief Coughlan of Chatham, and is held here for examination, charged with having converted Express Company funds to his own use. His examination will begin this afternoon. Mr. Hendry's many Chatham friends are unwilling to believe that he is guilty."

SWEDE STARVED
TO DEATH IN
LINCOLN WOODS

Found in Barnyard at R. D. Wilmot's
Home This Morning--Died Soon
After--Wasted to a Skeleton--
Thought Demented

A Swede who had been residing in Sunbury County for some months was found early this morning in the barnyard of R. D. Wilmot, ex-M.P., Belmont, barely alive and passed away soon afterward. His name was C. O. Lungden and death was due to starvation as far as can be learned. When found he was about a skeleton and the emaciated condition of his body indicated lack of food for some time. The man was found by an employee of Mr. Wilmot when he began his daily work. George A. Perley, M.P.P., coroner, was notified and viewed the remains. He decided that an inquest was not necessary, there being no evidence of foul play. Lungden had been living about Buxton since last fall. During the spring and summer he worked at various farms in the district. He was about thirty-five years of age and as far as is known had no relatives. A few weeks ago he left his employment and since has been wandering about the woods. He displayed many eccentricities and it now is thought that he was demented.

About a fortnight ago Lungden, it is said, came to Fredericton seeking medical attendance but his conduct was so strange that he was ordered by the police to leave the city.
