

TORTURED WITH RHEUMATISM

Could Not Walk, Until "Fruit-a-lives" Completely Cured Him

CHATHAM, ONT., April 3rd, 1913.
"I am a veteran of the Crimean War and the Indian Mutiny, volunteering from the Royal Artillery into the Royal Engineers, and served under Lord Roberts during the Indian Mutiny, and am a pensioner of the British Government. Pierce hand-to-hand fighting and continual exposure, left me a great sufferer from Rheumatism, so much so that my legs swelled up, making it impossible for me to walk. My bowels were so constipated that I only had one passage a week until I got to using 'Fruit-a-lives'. They cured me of both the Rheumatism and Constipation. In my regular employment, I walk thirty miles a day and enjoy perfect health. No more Rheumatism or Constipation. You are at perfect liberty to publish this letter if it will be advantageous to 'Fruit-a-lives'."

Nerves Were So Bad THOUGHT SHE WOULD GO OUT OF HER MIND.

Diseases of the nervous system are very common. All the organs of the body may be sound while the nerve centres may be affected.

Many women become run down and worn out by household cares and duties never ending, and sooner or later find themselves with the nerves shattered, and the heart action weakened.

On the first sign of any weakness of either the heart or nerves, flagging energy, or physical breakdown, do not wait until your case becomes hopeless.

Milburn's Heart and Nerve Pills will at once quieten the nerves, strengthen the heart and build up the entire system.

Mrs. Archie Goodine, Tilley, N.B., writes:—"When I was troubled with my heart two years ago, I was very bad. My nerves were so unstrung that sometimes I would almost go out of my mind. I doctored myself with everything I could get, until at last I got four boxes of Milburn's Heart and Nerve Pills, and they have cured me. I cannot speak too highly of this wonderful remedy, and will recommend it to all sufferers."

Price, 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

MEDIATORS TO MEET AT NIAGARA FALLS

Washington, May 5.—Secretary Bryan announced tonight that the three South American mediators in the Mexican difficulties would meet at Niagara Falls, Canada, May 18, to receive representatives of the parties to the controversy.

Mr. Bryan said: "The mediators have notified the different parties that Niagara Falls, Canada, has been selected as the place where the mediators will confer with representatives of the different parties interested in the mediation and that May 18 has been fixed as the date when the conference will begin."

It became known that Huerta wished the negotiations to take place in neutral territory, suggesting Canada as a suitable location. But this had encountered opposition on the ground that Canada, being a British colony, might introduce into the negotiations a European element and also because it was believed the British government would not be particularly desirous of having the controversy brought within its domains. It was said that ten days might elapse before definite work on a settlement could begin upon the arrival of the Mexican delegates.

CONFEDERATE VETERANS IN REUNION

Jacksonville, Fla., May 6.—This was the opening day of the twenty-fourth annual reunion of the United Confederate Veterans, for which Jacksonville has been preparing for nearly a year and to which every survivor of the legions that wore the gray has been looking forward with eagerness. Thousands of men and women filled the great auditorium and enthusiastically greeted the opening addresses and speeches of welcome. It was only a small remnant of the gray-clad host that was able to answer the roll call but it made up in enthusiasm what it lacked in numbers. The gathering was formally called to order by the commander of the Florida division. Prayer by the chaplain and songs by the reunion choruses were followed by addresses of welcome delivered by Governor Trammell, Mayor Swearingen and the heads of the Florida organizations of the United Daughters of the Confederacy and Sons of Veterans. The response was made by General Remmet H. Young of Louisville, commander-in-chief.

J. C. ROCKWELL'S SUNNY SOUTH CO.

The J. C. Rockwell "Sunny South" company which will appear in the City Opera House Thursday evening May 7th, has for a long time held a unique place amongst the colored attractions of America. Since its first appearance, eleven years, it has had many imitators, some of them good, some indifferent, but all have had their day and been forgotten. The Sunny South, on the contrary, has increased its popularity, and has always been able to introduce something new. The management is in a position to furnish an entertainment second to none in this line of endeavor. The performance is unsurpassed by any similar organization. It is universally popular and its tour covers every section of the continent, being a perpetual, never closing one. In its ranks are to be found some of the cleverest and most versatile negro singers, dancers, comedians, musicians and vaudeville performers, the country has ever known. The music is bright and sparkling in character, it is the kind that can be whistled after one hearing. The Ohio, which is the feature of the performance, is composed of an array of high-class vaudeville stunts, such as are seldom seen outside the larger cities.

The organization is accompanied by a solo concert band and a superb orchestra. The band will head the Kootenai parade, taking place at three p. m.

CATHOLIC SOCIETIES PUT BAN ON TANGO

Erie, Pa., May 2.—Catholics of Erie county have put the tango under the ban. The American Federation of Catholic societies of Erie county has officially voted a protest, in which it is declared the art of dancing "has developed into forms which, if continued, will almost assuredly endanger the standard of Christian morality." The resolution follows:

"Whereas the art of dancing has in our day developed into forms which, if continued in, will assuredly endanger the standard of Christian morality, and

"Whereas, various authorities of the Catholic church throughout the world have raised their voices against such abuses, prohibiting Catholic from indulging in such objectionable forms of dancing. Be it

"Resolved, By the American Federation of Catholic Societies of Erie county, Pennsylvania, that this organization join in the general protest against the so-called 'tango' and all other forms of vulgar dancing and be it further

"Resolved, That a copy of these resolutions be spread upon the minutes of this like copy be submitted to the local press, and that Catholics in general, be appealed to, those affiliated with the said American Federation of Catholic Societies of Erie county, Pennsylvania in particular, that they exert every influence for the suppression of the class of dancing referred to in these resolutions and that they pledge themselves to avoid such gatherings as permit the indulgence in the aforementioned forms of dancing."

As a result of the resolution, it is probable that dances given by Catholics in the future will not include the tango, hesitation, Maxixe, and other so-called modern dances. Similar resolutions have been passed throughout the world since the Pope declared himself against the tango.
