WILLIE RITCHIE MATCHED WITH FREDDIE WELSH

American Champion Will be Given \$35,000 For Match at London With British Crack

Chicago, May 21—Willie Ritchie, champion lightweight, today received word that London promoters have accepted his terms for a match in the British capital with Freddie Welsh, the English fighter. His demands included a guarantee of \$15,000 or fifty per cent. of the gross receipts, \$10,000 for the advertising rights and \$10,000 for the moving picture privilege—a total of \$35,000.

BILLY ALLEN RETURNS TO THE BOXING GAME

Ottawa, May 21—After nearly six months' retirement from the ring, Billy Allen, former Canadian lightweight champion, will again re-enter the ring next Monday. His opponent will be George Daley. These two scrappers have met several times and Allen has shaded his man on those occasions. Daley, however, has an unofficial verdict to his credit.

PETE CONDON LOST AFTER PITCHING FOUR INNINGS

Portland, Me., May 20—Dowell's batting was largely responsible for Portland's victory over Lynn today. He made four hits for a total of seven bases and drove in four of the five runs made by the home team. Condon pitched four innings and was then relieved by Teed.

Citation 2:01½, will be used to Azof 2:14½.

ALL AMERICAN ELIMINATED FROM BRITISH MATCHES

C. B. MacFarlane of Scotland Put Evans Out and Capt. Hutchison Beat Webber

Sandwich Eng., May 21—Chas. W. Evans, of Chicago, and Harold Webber, of Toledo, the two survivors of the ten American competitors in the British Amateur golf championship, were eliminated in the fourth round today and as a consequence there is much jubilation among the followers of the British players.

Two or three times in the course of a life time every good golfer seems inspired and puts up a phenomenal game. That is what C. B. MacFarlane, a Scotch player did today in his match with Evans. He played better golf than he ever did before, and his 31 for the first nine holes broke all previous records for the course.

There was no fault to find with the game as played by the ex-west-open champion, but he was not inspired and his defeat was inevitable. MacFarlane was five up at the turn and he won four up and two to play.

In the game between Harold Webber and Capt. C. K. Hutchinson, of the Royal and Ancient Club, St. Andrews the Scotchman played better and steadier golf and won on his merits by six and four to play.

No man plays a phenomenal game twice in succession and there was not much surprise when the conqueror of Evans was himself defeated in the fifth round. Hutchinson was himself defeated, and Harold H. Hilton, holder of the British championship, was put out of the contest in the round by Edward Blackwell, St. Andrews.

Another interesting result of the contest today was the elimination of H. S. B. Tubbs, of Little Stone, who yesterday defeated Quimet, the American open champion.

REVIEW OF DYING TERM OF MT. ALLISON COLLEGE

Sackville, May 18—Mount Allison closing exercises began on Saturday, 23rd inst.

The year has proved very satisfactory in almost every department of college activities. The year began with the incoating of the largest freshman class in the history of the college. The ladies' college was taxed to its utmost for accommodation, and the academy had a larger number of students than usual.

In the fall, though we had an abundance of good material, we did not turn out a winning team. In intercollegiate hockey Mount Allison won everything possible. With one of the finest college combinations seen in many years she defeated Acadia and King's College in their own territory and then clinched the intercollegiate champion cup by defeating U.N.B. at Sackville. A new cup was put up this year for the winners of the Intercollegiate League and Nova Scotia Intercollegiate League. The winners of the Nova Scotia League were the Dalhousie septette. In a great game at Oxford Mount Allison won and are thus the first to hold the "Brown" trophy. Carl W. Packard made an enthusiastic and competent captain. Mount Allison was successful in intercollegiate debate for the third year in succession. This year U.N.B. came to Sackville. They were worthy foemen but Mount Allison was given the decision by two of the three judges.

THE STUDENT WAITERS.

The Student Council has again been successful in running the affairs of the Residence, with a very small amount of friction. The system of government has proved the best ever tried and will continue. A new venture was made in November in the dining hall arrangements. Student waiters took up the care of the material needs of the students in Residence. The plan has worked out well and many applications have been received for positions as waiters by men who wish a college education and could not obtain one except for some plan such as this.

The work of the year has gone on very smoothly. There has been a stir in the science department, in particular. It seems a pity that Dr. H. Bigelow leaves at the end of this year. He has been enthusiastic in all departments of college activities and

is well liked by the students. He goes to Brown University, Rhode Island. Such losses will continue to be the fate of Mount Allison till her friends wake up to her increased support.

There is a slight awakening but something in the nature of an earthquake is needed. The call is more urgent than ever. At the same time the authorities are going ahead in the matter of the erection of a new science building, at a cost of \$50,000. It is badly needed and is to be commenced in the near future.

EQUIPMENT FOR "GYM."

The new gymnasium is to be fitted up this summer in the latest style—running track, swimming pool, etc. It will be one of the best equipped gymnasiums in the Maritime Provinces.

The friends of Mount Allison will congratulate Dr. Borden, our untiring president, on the success of another year and the bright prospects for the future.

The special departments of the ladies' college and academy have been well patronized.

Under Professor Brunton, the piano department has reached the highest standard in its history.

The success of Miss Lucia Fydel in the vocal department has been continued.

Miss Ayer in the violin and orchestra department, has won new laurels and Miss Cruise has had a very successful first year in charge of the Domestic Science department.

Dr. Campbell has discharged his onerous duties with diligence.

The academy and commercial college are very popular. Dr. Palmer has again shown his worth in his management of those parts of the institution. A larger number will receive matriculation and commercial graduation certificates this year.

Fred Field of Brockton has been in Kennebec to look at his foal by J. Malcolm Forbes, 2:08, out of Bingle Todd, the dam of Fanella Watts and Bingle Watts.

The Austrian Derby, raced a week ago Sunday was won by Lily Caldwell, by Calid 2:07½, out of Lily Young, 2:09½, driven by Jerd Miller, Jimmie Benyon was second with Miss Cocco, and his father, Ed, third with Lord Caldwell.

"GUNBOAT" SMITH SHOWED UP STRONG AGAINST BLACKBURN

Colored Boxer Outclassed by Big White Man—Smith all the Way at Philadelphia

Philadelphia, May 20—Jack Blackburn, the clever colored boxer, never had a chance to win tonight at the National A.C. against Gunboat Smith. In the first round, Smith rolled Jack over with a right uppercut and from then to the finish there was little to it except the Gunboat person.

In the second round, Blackburn showed some of his cleverness and by skillful boxing had the better of the round.

Against the vigor and power of Smith however, Blackburn looked weak and helpless. The cleverness of the colored man was there but there was little behind his punches and they failed to make much impression on Smith.

At the start both men fiddled, when Smith suddenly lurched forward with a left swing that Blackburn ducked. Jack started to get in close but before he could land he was caught on the face with a right uppercut that sent him rolling over on his back.

Blackburn got up on one knee with blood trickling from his nose. He took the count of nine and then resumed operations. It was an awful smash and didn't add any to the colored man's chances of winning.

In the fifth round, Smith rushed wildly around, swinging with right and left and Blackburn was kept busy dodging one way and then another. Finally, Smith's left caught him and down he went again and another little trickle of blood ran down over the colored man's lip. It was Smith's bout beyond all doubt.

HOOF PRINTS

George L. Gilland's daughter of Alliewood, Susiewood, 2:15½, is in better condition this Spring than for several seasons. She is being trained by A. B. Van Houten at Hillgrove. Joe Gahagan, who is training a public stable at Lima, O., has 19 head.

While in California A. B. Coxie of Paoli, Penn., bought Olive Dillon, a half sister to Sonoma Girl 2:04½, sired by Sidney Dillon.

Cochato, 2:11½, has been bred to 20 mares this Spring.

Tests by specialists of the United States Bureau of Animal Industry have resulted in finding that so-called

TY COBB OUT OF GAME WITH FRACTURED RIB

Fast Inshot by Foster on Monday Broke One of "Georgia Peach's" Ribs

(Boston Globe, Thursday.)

Ty Cobb has a broken rib, as a result of being hit by one of Foster's inshots on Monday and will not be able to play for two weeks or more.

Although Cobb was hurt on Monday he remained in the game after the accident and also started in the game Tuesday but after sliding into the plate in the third inning and getting quite a shaking up, he withdrew.

Yesterday he was in such pain that he did not attempt to play. In fact even the effort of breathing caused him much suffering. Late in the afternoon he was put under the X-ray by the Red Sox' club physician, who found that the sixth rib on the right side had been broken outward, about three inches from the sternum.

The board of appeals of the American Trotting Association at its recent meeting imposed a fine of \$50 on Homer J. Kline for accepting a conditional entry at North Randall last summer, and a like assessment on the man who made the entry.

OPERA HOUSE

THREE NIGHTS

And SATURDAY MATINEE.
