NEWS OF FREDERICTON TWENTY-ONE YEARS AGO

(From Weekly Herald of Saturday, May 1, 1893.)

STREET LIGHTING—A Brush Electric Light Company representative is here endeavoring to secure the street lighting of this city for that concern.

DOING WELL—The many friends of J. A. Morrison Sr., were pleased to see him once more able to visit the city. On Thursday morning he drove up from his home and returned apparently much benefited by the drive.

AMONG THE GARDENS—Among the gardens of the city that of J. Bebbington takes the lead. Being a practical florist, his green-houses are at the present time showing his skill and care. The rose-room is full of the choicest plants and those desiring anything in that line should give him a call.

POTATO TRADE—The shipment of potatoes this spring has been quite brisk and the prices range from \$1.00 to \$1.20. Elijah Estabrooks has shipped so far sixteen carloads. W. T. Estey has forwarded nine carloads, and Samuel Dayton six.

THE LAUNCH—The launch of John Gibson's new schooner will take place on the 24th inst. if preparations can be completed. With the exception of painting and finishing the houses, the hull is ready. The bowsprit is hewn from a stick of pine forty-two feet long and twenty-eight inches in diameter at the top.

TEMPERANCE—The gospel temperance meeting in the Temperance Hall on Sunday evening last was largely attended. Rev. Job Shenton and Rev. Dr. McLeod were the principal speakers.

FISHING—Several parties have visited the different trout streams during the past week but have had poor luck. They attribute it to high water. Fishermen predict a first-class salmon season on account of the lateness of the freshet.

A SENSATION—One of the sensations of Friday afternoon happened just after the steamer Florenceville arrived from Woodstock. Mr. Boyle, butcher, with his men, endeavored to drive two oxen up Regent street to the slaughter-house but found it impossible. After the telegraph-poles had been used for hitching-posts and a large crowd had gathered, the cattle made a break through the Barker House alley and the fun was over.

BUSINESS CHANGE—W. W. Hubbard has severed his connection with the Dairy Depot, recently established here. He is succeeded by Lewis H. Bliss, sole proprietor and manager.

LADY ALLEN DEAD—The death of Lady Margaret A. Allen, wife of Chief Justice Sir John Allen, occurred on the 13th inst., after a lingering illness. News of her death was a shock to the residents of this city who had known her for so many years and esteemed her so highly. She was a daughter of Charles Drury and was born in Limerick, Ireland, being in her 74th year.

YORK STREET SCHOOL—The work of plastering the York Street School is about finished. The upper stories are about completed and next week the carpenters will begin the wood finishing. The building is a fine one. The large room on the top flat is one of the best rooms in the city for assembly purposes.

HORTICULTURE—Mr. Henry Chestnut, who has always taken a deep interest in this city and its surroundings, is now asking that a horticultural society be formed here similar to the one in St. John. Mr. Chestnut says, "Since the patriotic and public spirited efforts of our former mayor, Mr. George E. Fealty, to whom Fredericton is indebted for extensive tree-planting and other things at his own expense nothing has been done in the same line in continuing the good work thus begun. Give me \$100 and I will take my chances of more and I will undertake to make Fredericton a

DELAYED RESENTMENT.

A man went to a judge and asked whether he could bring suit for slander against a man who had called him a rhinoceros.
"Why, certainly," said the judge.
"When did he call you that?"
"About three years ago."
"About three years ago! And you only start suit today?"
"But, your honor, yesterday I saw a rhinoceros for the first time."—*Berliner Illustrirte Zeitung.*

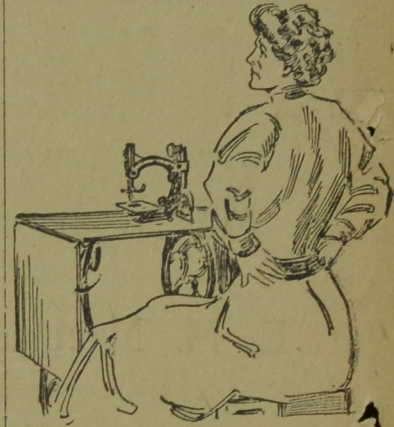

perfect flower garden and shrubbery within the next five years."

METHODIST SUNDAY SCHOOL—On Sunday last the Methodist Sabbath School celebrated its 78th anniversary by very interesting exercises in the school-room. In the morning, Rev. Job Shenton delivered a very instructive sermon to the children. In the afternoon Martin Lemont, superintendent of the Sabbath School, submitted his report on the work of the year. The prize winners were as follows:—For catechism, Effie Yerxa, Annie Clayton; lessons of year, Lulu Fisher; answering questions, Walter Land; golden texts, Edith Davis, Gertrude Coulthard, Hazel Palmer, Violet Stevenson, Jennie White, Lillie Milligan, Manuel Morris, Douglas Biggs, Kenneth Chestnut, Maggie Baxter, Bertha Thomas and Maggie Thompson. Those who took part in the program were Miss Logan, Bertha Thomas, Bessie Hagerman, Lillie Hogg, Jennie Pollock, W. B. Lemont, Ethel Lottimer, Gertrude Coulthard, Edna Coburn, Queenie Edgcombe, Fannie Palmer, Jennie Payson, Hazel Edgcombe and May Carvell.

PEOPLE WE KNOW—Surveyor General Tweedie was in town on Thursday. D. F. George has returned from a western trip. Hon. A. F. Randolph and family expect to start on the homeward voyage on June 1st by steamer Labrador. Professor Duff goes to Edinburgh on the 20th for a few months' study. Rev. C. W. McCully of Baltimore, who will administer to the Cathedral congregation, arrived on Wednesday. Provincial Secretary Mitchell was in town on Tuesday. John G. Adams has been in attendance at a course of lectures on embalming delivered at St. John by Prof. Clark.

IS YOUR BACK FULL OF ACHES ALL DAY LONG?

That Stab-like Pain in the Back is Sure Indication of Kidney Trouble

Mrs. Anna Rodriguez, writes as follows from her home in Valencia: "For a long time I suffered with falling strength and nagging headaches. My condition grew steadily worse, my limbs became bloated and shaky, I was slow and thin, felt rheumatic pains, dizziness and chills. I unfortunately didn't suspect my kidneys and was nearly dead when I discovered the true cause of my sufferings. I read so much about the wonderful health and strength that comes to all who use Dr. Hamilton's Pills that I felt sure they would help me. Such blessings of health and comfort I got from Dr. Hamilton's Pills I can't describe. They speedily put me right and their steady use keeps me active, energetic strong and happy. I strongly urge others to regulate and tone their system with Dr. Hamilton's Pills of Mandrake and Euttraut." No greater medicine exists than Dr. Hamilton's Pills for the cure of indigestion, constipation, flatulence, liver, bladder and kidney trouble. Refuse substitutes, 25c per box or five boxes for \$1.00, at all druggists and storekeepers, or postpaid by the Cataractone Co., Buffalo, N. Y., and Kingston, Ont.
