## GERMANY MUST PAY FOR IT

There is no doubt that when the present struggle in Europe is brought to a close, Germany will be called upon to pay an enormous war indemnity. While the war may be prolonged for some time yet, the outcome is a foregone conclusion. The War Lord of Europe will be humbled and his great military kingdom will be completely crushed. The London correspondent of the New York Tribune in discussing the matter says:

"France is expected, here, to demand not only the relinquishment of Alsace-Lorraine, when the time comes for Germany to settle with the Allies, but also the return of the billion dollar indemnity of 1870. As a matter of fact, however, London is not talking much of peace and American rumors of some suggestion from Count Von Bernstorff, the German ambassador at Washington, arouse little comment. The reason is that the demands to be made on Germany are so vast, apparently that, it is held here, she will have to be brought absolutely to her knees before it will be any use to formulate them.

"An instance of this is the billion dollar indemnity which the French are believed to be hoping to get back. Another, if the British have their way, is the dismantlement of the German fleet. Then there is the German fleet. Then there is the indemnity for Belgium which, it is said, will be enormous.

"Conversations with high officials here indicate that adequate recompense to the Belgians is one of the foremost things in England's mind, together with the destruction of Prussianism in all its pernicious forms, making it impossible for the Kaiser ever again to disturb the world's peace."

Some time ago the Earl of Crewe speaking in the House of Lords declared that Germany would be construction of property in Belgium up to the last farthing. The great heroism displayed by the Belgians has pelted to pay for the wanton desecrated the admiration of the world, and lovers of freedom everywhere will be glad to learn "that adequate recompense to the Belgians is one of the foremost things in England's mind." The German hordes, pouring into Belgium just at the time the crops were ready to be harvested, cast a devastating blight upon the entire country. Whole cities were destroyed, farm buildings were razed, innocent non-combatants were butchered, and ruin and desolation were spread on every side. For all this Germany will have to pay and pay handsomely. Quite naturally the proud War Lord will want to postpone the evil day as long as possible and there will be no peace until he is brought to his knees.

Those in charge of the Patriotic Fund should not lose sight of that \$50,000 subscribed by the lumbermen of New Brunswick. Nobody will set up any legal claim to the money, and it cannot be put to a better use than in assisting the families of those who are fighting in the defence of Canada and the Empire. The money would go a long way toward raising the New Brunswick contribution to a reasonable figure.—St. John Globe.

The Globe's suggestion is a good one but cannot be carried out just now for the reason that the funds like those belonging to the province in the hands of the Prudential Trust Company, are tied up in the stock market and therefore are not available. To make matters worse the provincial treasury is at the present time as empty as the dog house that Towser formerly occupied.

Halifax Chronicle:—And now to complete the splendid spectacle of the Imperial solid front, General Louis Botha, the Dutch Premier of the Union of South Africa, comes forward with the stirring declaration that the Dutch people of South Africa, who less than fifteen years ago were in arms against Great Britain, would "ten times rather be under the British flag than the German flag," coupled with the pledge of the whole-hearted support of the South African Gov-

ernment and people to the Mother Company, are tied up in the stock ed his guess."

The Liberals of the noble County of Westmorland in convention yesterday selected Mr. A. B. Copp to contest the County for the vacant seat in the House of Commons caused by the death of Hon. H. R. Emmerson. Mr. Copp has had a great deal of experience in public life, is a sturdy champion of Liberal principles, and will undoubtedly carry the party standard to victory.

The collectors for the Patriotic Fund are to begin work at once and they should have a most cordial welcome. They will undertake to raise ten thousand dollars in a week and should be successful. Fredericton must not lag behind other cities and towns in this noble work. If the men who are going to the front can afford to risk their lives those who remain at home can well afford to part with some of their spare cash.

## CHURCH WEDDING AT ST. MARY'S TODAY

Miss Mary Rush Becomes the Bride of Rowland Baker of Masonville, P. Q.

A very pretty wedding took place in St. Anthony's Church at half past seven this morning when Miss Mary Margaret Rush, second daughter of Mrs. Elizabeth Rush of St. Marys, was united in marriage to Mr. Rowland W. Baird, of Masonville Quebec. Rev. J. J. Ryan officiated and owing to the recent death of the bride's brother only the immediate relatives were present at the ceremony.

The bride, who was given in marriage by her brother Mr. Benjamin Rush, wore a becoming tailored suit of Labrador blue, with a Gage hat with touches of fur and silver trimmings and carried a shower bouquet of bridal roses.

Mrs. J. C. H. Rush of St. John was the maid of honor and looked charming in a navy blue suit with black picture hat and carrying a bouquet of pink sweet peas. The groom was supported by Mr. Charles H. Rush brother of the bride.

The groom's present to the bride was a handsome seal coat and to the maid of honor he gave a sterling silver chataleine.

After the ceremony a canny wedding breakfast was served at the home of the bride's mother at St. Marys.

Mr. and Mrs. Baird left on the 9.20 train on an extended honeymoon trip to St. John, Montreal, Ottawa and other Canadian cities. They will reside at Masonville where the groom is engaged in the lumbering business.

The bride, who is a very popular young lady was the recipient of many handsome presents, including cut glass, silverware and substantial cheques.

## MR. A. B. COPP

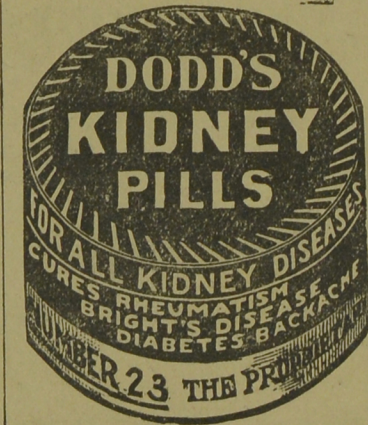

(Continued from Page One.)

NOMINATION UNANIMOUS.

Mr. Copp's remarks were loudly applauded and at the conclusion of his speech the nomination was made unanimous, on motion of Charles S. Hickman, of Dorchester.

P. J. Veniot, Liberal organizer for southern New Brunswick, was called on and spoke vigorously arousing much enthusiasm. He referred in fitting terms to the late Hon. Mr. Emmerson and regretted the cause of the holding of the convention. He dealt with the recent exposures in provincial affairs and scathingly denounced the present provincial administration as well as the Borden government at Ottawa.

A resolution pledging the reports of his Liberal subjects in Westmorland to King George, and another expressing confidence in Sir Wilfrid Laurier, and a third expressing regret at the loss by death of Hon. H. R. Emmerson, M. P., were unanimously adopted.
