IS YOUR BACK FULL OF ACHES ALL DAY LONG?

That Stab-like Pain in the Back is Sure Indication of Kidney Trouble

Mrs. Anna Rodriguez, writes as follows from her home in Valencia: "For a long time I suffered with failing strength and nagging headaches. My condition grew steadily worse, my limbs became bloated and shaky, I was sallow and thin, felt rheumatic pains, dizziness and chills. I unfortunately didn't suspect my kidneys and was nearly dead when I discovered the true cause of my sufferings. I read so much about the wonderful health and strength that comes to all who use Dr. Hamilton's Pills that I felt sure they could help me. Such blessings of health and comfort I got from Dr. Hamilton's Pills I can't describe. They speedily put me right and their steady use keeps me active, energetic and happy. I strongly urge others to regulate and tone their system with Dr. Hamilton's Pills of Mandrake and Butterbur." No greater medicine exists than Dr. Hamilton's Pills for the cure of indigestion, constipation, flatulence, liver, bladder and kidney trouble. Refuse substitutes, 25c per box or five boxes for \$1.00, at all druggists and storekeepers, or postpaid by the Catarhore Co., Buffalo, N. Y., and Kingston, Ont.
