BIG SURPRISE TO MANY IN FREDERICTON

Local people are surprised at the
QUICK results received from simple
buckthorn bark, glycerine, etc., as
mixed in Adler-I-ka, the German
remedy which became famous by cur-
ing appendicitis. Mr. George Y. Dib-
blee states that this simple remedy
draws off such a surprising amount
of old foul matter from the body that
A SINGLE DOSE relieves sour stom-
ach gas on the stomach and consti-
pation INSTANTLY.

"VARIOUS PERSONS"

(Continued from page one.)

trepreneur in the Day's Work Plan, for
now he allows contractors not only
to expend very large sums of public
money, such as \$64,000 in repairing
the Fredericton bridge by day's work
but he also permits them to charge
generous percentage to cover their
labor of supervision. Not only will
he pay them a percentage on the
labor and material but he also pays
them liberally for the use of their
plant. These are happy days for the
contractors of public works in the
Province of New Brunswick. They
are sure of easy money and plenty of
it.

But to return to the bridges. The
same plan was followed in King's
county, both in the large and small
works. At Hampton, the Shiretown,
there is a steel bridge and it seemed
necessary there to pay \$852.62 to
"Various Persons." Along the Clif-
ton Mountain the railing needed re-
pairs and "Various Persons" did this
for \$55.75. That old standby, the
bridge at Meegan's Cove, almost
within shouting distance of the home
of H. V. Dickson, one of the members
for King's, furnished employment to
"Various Persons" to the extent of
\$690.91, while Stewart Mill Brook
Bridge also found "Various Persons"
paid there to the extent of \$684.90.
There are two other interesting items
in the repairs of this bridge for one
J. E. McAuley of "Dear Ira" fame,
was paid \$230 for cement, while one
of the firm of Jones Bros., of which
George B. Jones, another member for
King's, is a partner, was paid \$167
for lumber and cement. This same
Mr. Jones seems to have figured also
in the White's Corner Covered Bridge
where he sold \$250 of cement and
"Various Persons" only got \$13.64
more for their work than he did for
the stuff that hardens.

HON. WILLIAM PATTERSON JOINS THE GREAT MAJORITY

Brantford, Ont., March 18—Word
was received today of the death at
the home of his daughter, Mrs. Brans-
combe, Picton (Ont.), at 2.30 this af-
ternoon, of Hon. Wm. Patterson,
minister of customs in the Laurier
government.

Mr. Patterson had been ill three
months here and was thought to be
on the way to recovery. He was
visited on Monday last by Hon. W.S.
Fielding, ex-minister of finance, and
was then supposed to be convalescing.
However, on Tuesday he had a re-
lapse and that evening became un-
conscious. He remained in a state of
coma until the end came at 2.30 this
afternoon. He was seventy-four years
of age.

While his death came as a great
shock, it was not unexpected, as Mr.
Patterson has been in poor health
for some time. Born in Hamilton in
1839, of Scottish parents, and left
an orphan at the age of ten, Mr.
Patterson had a successful business
and political career. He was defeated
September, 1911, after a career of
twelve campaigns, ten of which he
fought successfully.

He married Lucy O. Davies, of this
city in 1863, who survives along with
two sons and one daughter.

Ottawa, March 18—News of the
death of the Hon. William Patterson,
ex-minister of customs, was received
at the capital today with expres-
sions of regret from members on both
sides of the house. The late Mr. Pat-
erson had no enemies in parliament,
and his sterling qualities of head and
heart were recognized by both Lib-
erals and Conservatives.

Speaking of his colleague in the
Laurier government, Hon. George P.
Graham said tonight: "In the death
of Hon. William Patterson, Canada
has lost a real man. He spent the
best part of his life in serving the
public well and faithfully. In busi-
ness he was shrewd, yet unimpeach-
ably honest, and these qualities were
exhibited in a marked degree in his
public life. As a debater and public
speaker he had few equals, and what
is not generally recognized, a keen
and rare sense of genuine humor.
Canada is better because William Pat-
erson lived and had a prominent place
in her public affairs."

H. Wilnot of Canterbury, it in the
city.
Dr. James D. Lawson of St. Step-
hen is a guest at the Queen.

THE COLONIZATIONS

(Continued from page one.)

House a report which had appeared
in the "St. John Standard" this
morning and which credited him
with making certain statements as
to the Government's intention in
regard to certain matters in connec-
tion with the construction of bridges
and other affairs of the Public
Works Department in the County of
Northumberland. It was, of course
preposterous for him to be reported
as expressing the opinion of the
Government in regard to such mat-
ters, particularly when they related
to the Public Works Department,
but this went out as an official re-
port and for which he might be
held responsible.

Hon. Mr. Flemming said that he
had the assurance from the Official
Reporter that the report of the
matter to which the hon. member
for Northumberland, referred had
been sent out from the House cor-
rectly. The mistake which was that
the hon. member for Northumber-
land was credited with making state-
ments which he (Premier) had made,
was not the fault of the Official
Reporter but was an error which
occurred in the newspaper office and
which a newspaper man with as
much experience as the hon. mem-
ber for Northumberland could doubt-
less readily understand.

Mr. Stewart (Northumberland)—
"Then it's the Premier and not me
to whom the newspaper owes an
apology."

The House went into Committee
with Mr. Melanson in the chair and
agreed to the bill to amend the
Act relating to the purchase of
Lands from the New Brunswick Ry.
Co. Also the bill to amend the
Municipalities Act so far as it re-
lates to the Parish of Durham, Res-
tigouche County, with an amendment
making the provisions of the bill
apply to the present year only.

On the bill to facilitate the set-
tlement of certain Crown Lands by
"New Brunswick Co., Ltd."

Mr. Tilley said the prospective set-
tlers should be properly safeguarded
and the results of their industry
protected.

Hon. Mr. Flemming said the bill
fully provided for this, by an ap-
peal to the Lieutenant-Governor-in-
Council. There was no direct grant
to the Company and would not be
until it had been earned, and be-
fore it could be earned, a good
many thousand dollars would have
to be laid out by them. The Govern-
ment would see to it that the set-
tlers were treated properly.

Mr. Perley asked if any immigra-
tion society or the immigration de-
partment of the government had in-
duced the promoters of the scheme to
come here.

Hon. Mr. Flemming replied in the
negative. Leonard Palmer, who had
been coming to the province regular-
ly for the past three or four years,
and had become interested in it re-
alizing the advantages to be found
here, was at the bottom of the
scheme.

Mr. Perley asked if the company
failed to make good, could the set-
tlers come back on the government.

Hon. Mr. Flemming said not. No
advertising matters could be put out
by the company without the approval
of the government, which would thus
have some check on the company
as to the inducements which they
might hold out to prospective set-
tlers.

Hon. Mr. Wilson was surprised that
some of the members should ques-
tion the bona fides of the scheme.

Mr. Baxter said if anything the
prospect seemed a little too good.
He referred to the operations of cer-
tain other companies which had in-
duced people to come and take up
homes in this country. He did not
for a moment imagine or suggest
that the company which was now
applying to the government was any-
thing but the most reliable, and he
felt that sufficient safeguards were
provided by the bill for the protec-
tion of settlers.

The bill was agreed to with some
amendments.

The bill to confirm a grant of cer-
tain crown lands in the county of
Charlotte to Percy W. Thomson was
agreed to.

The house adjourned at 6.15 p.m.

DIED IN PHILADELPHIA.

Mrs. Simeon Sykes of this city,
today received a telegram to the
effect that her son, Dr. Harry Sykes,
had died suddenly last night at Phil-
adelphia, death following an opera-
tion. Besides his mother, the de-
ceased leaves two sisters, Miss Mary
Sykes of this city, and Mrs. Farns-
worth of Worcester, Mass. The late
Dr. Sykes was a son of the late Rev.
Simeon Sykes of Keswick, and was
well known in Fredericton. He taught
school here upwards of thirty years
ago and subsequently studied medi-
cine at the University of Pennsylvan-
ia, being graduated in 1884. He took
up institutional work in Philadelphia
and after some time was appointed
chief general physician of the Phila-
delphia General Hospital, Philadel-
phia, an important post which he
held at the time of his death.

Mr. A. C. Chapman of Southamp-
ton is a guest at the Queen.
A. R. Lindsay of Bathurst, is at
the Barker House.
Frank Loughurst of Montreal, is in
the city.
Mr. J. R. Bruce of Shediac, is a
guest at the Queen.
