Parisian Sage applied frequently for a week and then occasionally is all that is needed. It removes dandruff with one application; almost immediately stops falling hair and itching head; cleanses, cools and invigorates the scalp and makes dull, stringy hair soft, abundant and radiant with life. Equally good for men, women or children--everyone needs it.

This refreshing hair tonic can be had at any drug or toilet counter in fifty cents bottles only. J. A. Ryan always sell it with agreement to refund the money if you are not satisfied.

Get a bottle at once. Delighted users say Parisian Sage is the best and most invigorating hair tonic made.

## BIG SAENGERFEST IN LOUISVILLE

Louisville, Ky., June 24--NewIr have the citizens of Louisville made more elaborate preparations for this entertainment of a national gathering than those completed today for the entertainment of the thirty-fourth national saengerbund, which is to hold forth here during the remainder of this week.

The delegates, who arrived by the hundreds today, found the city magnificently decorated in their honor. Public and private buildings, stores and residences are decorated with the American and German colors. The central feature of the decorations is a court of honor in Jefferson street, between Fifth and Sixth streets. The court is lined with high columns, which are studded with electric lights and surmounted by golden lyres. Between the columns and running parallel with the street, are electric festoons draped with bunting. The Armory, where the concerts are to be given, is profusely decorated both inside and out with flags, bunting and electric lights.

The Saengerbund includes two hundred societies with eight thousand members. Among the cities represented by the delegations already here are Chicago, New Orleans, Memphis, Birmingham, Milwaukee, St. Louis, Cincinnati, Cleveland, Detroit, Buffalo, Pittsburgh, Mobile and numerous smaller cities of Pennsylvania, Ohio, Indiana and Illinois. Charles G. Schmidt of Cincinnati, is the president of the bund.

## OLD AT TWENTY RETURN OF HEALTH WITH PROPER FOOD

Many persons who eat plenty never seem to be properly nourished.

That's because the food is not digested and absorbed. Much that is eaten is never taken up by the system as real food, and so the tissues simply starve and the individual may, as in a recent case, look and feel old in what should be the bloom of life, youth.

"At twenty I was prematurely old, of youth had been, as it seemed, stolen from me. I went to work in the morning with slow steps and a dull head.

"My work through the day was unsatisfactory for my breakfast lay in my stomach like a hard lump. I was peevish and the gas on my stomach was very annoying. After supper I usually went to bed to toss half the night from sheer nervousness.

"This was all from indigestion--caused by wrong eating.

"Finally I tried Grape Nuts and I cannot describe the full benefits received from the food. It gave me back my health. It has completely restored good digestion and my ailments have disappeared. I steadily improved and am now strong and in perfect health."

Name given by the Canadian Post, um Co. Windsor, Ont. 23c "The Road to Wellville," in pkgs. "There's a Reason."
