## Federals Lost After Putting up Stiff Fight

RITCHIE WILL  
SHOW UP BETTER  
AGAINST WHITE

Will Not Under-rate Chicago Boxer in  
Next Bout--Kilbane Told to  
Meet Attell

All the agitation that is going on about Charlie White besting Champion Ritchie the other night in Milwaukee will serve to make the game larger when they meet again. It makes the Chicago sports look ridiculous to claim White is now the champion, because of the way that ten-round no decision bout ended. Titles are not won that way and when the pair go out again in a longer bout for the title the Chicago fans will not be so jubilant over the result.

Johnny Kilbane, the featherweight champion, who is looking to break into the lightweight division, figured that White would be a good one to start with in that class, but he got a bad set back. He was told to meet Abe Attell first by the manager of White. The latter was seconded by Attell in his bout with Ritchie and Attell has been anxious to get a chance to meet Kilbane again in the hope of regaining the title, but Kilbane has been stalling him off.

### AMERICA CUP CLASS BOATS IN FIRST TRIAL RACE

New York, June 2—Greenwich and the Connecticut shore in that vicinity was today the mecca for the yachting sharps, who were desirous of witnessing the first brush between the Defiance, Resolute and Vanitie, the three candidates for the honor of defending America's cup against Shamrock IV. The New York Yacht Club had arranged for a series of trial races between the trio of yachts, beginning today and continuing until Friday or Saturday. Although these first races do not count toward the selection of the defender, they will mean much to the owners and managers of the three yachts. They will be taken advantage of by the managers to not only bring their yachts in the best of condition for the real trials, but also for some experimenting in various slight changes in trim and rig.

WILLIE RITCHIE WILL  
MEET WELSH DESPITE BEATING

New York, May 30—Although Willie Ritchie was soundly thrashed by Charley White in Milwaukee on Tuesday night, his bout with Freddie Welsh in London on June 29 has been clinched.

Ritchie, who is to receive \$40,000 for his end, will sail for England on June 6. Welsh, it is reported, will probably sail for the other side today.

Score Was 5 to 4 in Five Inning Game--Poor work on Bases Lost Game For Feds--Pets Crowding Close on Imperials--Another Home-Run Last Evening

The Federals failed to pull out of the cellar position of the Celestial City League last evening although they made a game effort in their game with the Pets. Five full innings were played and the score at their end was the score of the game when it was called on account of darkness by Umpire Art Finnemore. The Pets won 5 to 4. The Federals did the better batting but poor work on the bases lost them the game.

The game was enlivened by several unusual features. Umpire Finnemore put McAdam out of the game for "crabbing." Both teams had trouble in remembering their batting order. On one occasion a man was declared out for batting out of order and in the other was not. Just why the distinction was made was not apparent. Lifford hit out the second home run of the league when he drove the ball over the left field fence. McDonald distinguished himself by dying at the plate trying to steal home with one out.

### PETS TOOK LEAD.

The Pets took a lead in the first inning a base on balls and two errors letting Ryan score. Feeney struck out three men in this inning and repeated the trick in the second. Three hits, an error, a base on balls and a passed ball netted three runs for the Pets in the third. Wilson finished the game in the box for the Feds and held things safe until the fifth, when a brace of two baggers netted one run.

### FEDERALS BATTED HARD.

The Federals batted hard. Ryan hit a home run and McDonald a two-base hit in the first inning but Young also had three strike outs in this inning. In the second he struck out two. In the fourth the Feds took a spurt and scored two runs on a couple of singles, a pass and a batter hit by pitcher. In the fifth they had a chance to win the game but lost it through poor work on the bases. The bases were twice filled but only one run came in and that was early in the inning on an error and a couple of singles.

The box score is:

## HISTORIC RACE TRACK AT ROCKINGHAM IN NEW HANDS

Rockingham Fair Company Purchase  
The Equipment--C. J. Campbell  
New Manager--Plans Outlined

Rockingham Park, Salem, N.H., May 31—The race course and country fair grounds, with its beautiful clubhouse, grandstand, exhibition buildings, stables and cattle sheds, will not be dismantled and cut up into house lots, for a group of Massachusetts capitalists have purchased this famous resort and will provide ample backing to promote Rockingham Fair and other sporting events. The new financial interests have turned over the management of the park to Chester I. Campbell, who has so successfully staged the automobile, textile, motor-boat and industrial shows in Mechanics' Building.

The new company is to be known as the Rockingham Fair Company. It is incorporated under the laws of Maine for \$250,000. Frank M. Andrew of Lawrence, is the president and treasurer.

Mr. Campbell states that the first event to be promoted by the new company will be the Rockingham Fair. It will open Labor Day and be on for a week.
