Tories Almost Annihilated in Saskatchewan Elections

Hon. Bob Rogers and his Boodle Brigade Got it where the Chicken Got the Axe---Sturdy Farmers of the Middle West a Unit for Reciprocity and Larger Markets---Only Six Tories Elected for Fifty-four Constituencies---A Crushing Blow for the Borden Government

Regina, July 13—There is absolutely no authority for the report published in the papers to the effect that Premier Scott is shortly to retire and be succeeded by Hon. J. A. Calder. This statement made at different times in the recent campaign is denied frequently by both the premier and Mr. Calder.

LAURIER PLEASED

Ottawa, July 12—"The Saskatchewan election is a vindication for our trade policy," said Sir Wilfrid this morning. "It is a great victory for my friend Walter Scott, and a black eye for my friend Hon. Robert Rogers."

Regina, Sask., July 12—Saskatchewan has declared that Canada must have wider markets and lower tariffs that it has no desire to "materially help for Borden" as Mr. Haultain asked the people to do by supporting his candidates, "that it will not tolerate electioneering methods such as are followed by Hon. Robert Rogers."

These are the outstanding facts to be noted in considering the result of yesterday's poll in this province. With returns somewhat incomplete from half a dozen ridings it is practically certain that the result of polling in the fifty-two constituencies in which voting took place yesterday is: Liberals, forty-five; Conservatives, six; Independent, one.

This Independent, it should be noted supported reciprocity as did all the Liberal candidates. In two constituencies elections were deferred. Both will go Liberal.

REBUKE FOR ROGERS

The fight was probably the bitterest in the history of any Canadian province.

Hon. Robert Rogers took charge of the Conservative campaign. The whole province was flooded with his Manitoba workers well supplied with funds.

The opposition cry was the reciprocity was dead that the province should give endorsement to Borden by supporting Haultain. Before the campaign started Haultain in a public speech urged that he be supported in order "to materially help Mr. Borden." During the fight the opposition badge showed pictures of Borden and Haultain with the motto, "Saskatchewan for Borden and Haultain."

On the other hand ex-Premier Scott, while standing on his record and policy, laid emphasis upon the question of wider markets and lower tariffs with an increase of the Saskatchewan verdict in these elections would be interpreted throughout Canada as a declaration whether or not this province remained firm for free trade. The results show conclusively that Saskatchewan is more determined than ever that the Dominion shall have free trade. Hundreds of Conservatives threw aside party affiliations and supported Scott because of his steadfastness in standing by reciprocity. Numbers of prominent former Haultain supporters came out on the platform in support of the Scott candidates.

RECIPROCITY WON

In an interview today Haultain himself says: "I attribute the Liberal victory almost entirely to the strength of the reciprocity sentiment."

Prominent Haultain men admitted today that the result of the election is a serious blow to the Ottawa government. Mr. Rogers in direct opposition to campaign was recognized as representing Borden and the defeat of the Haultain party was in reality the defeat of the federal ministry whose attitude toward the west since taking office became one of the big issues of the contest.

Conservatives also admit that the result of the election removed any doubt as to whether reciprocity will continue the biggest issue of Canadian politics.

WILL DEMAND WIDER MARKET

Winnipeg, July 12—"The Tribune says it is reported here on good authority that a large delegation of western farmers will journey to Ottawa in the fall to take up with Premier Borden the question of wider markets."

The Regina Province of Monday last made the following forecast of the election:—

The Scott Government will be returned to power on Thursday by a larger majority than they had in the last Legislature.

This statement sums up in brief the substance of special reports received at the Provincial Liberal headquarters in this city on Saturday from every constituency in the Province.

Questioned by the Leader, the officials in charge of the Provincial Liberal headquarters here stated most emphatically that never before in their experience did prospects for the party look brighter on the eve of an election than they do at the present time.

"There is not a single seat in the whole province that at this moment we are prepared to concede to the opposition," is the way one official put it.

Checking the map, constituency by constituency, it was admitted that certain ridings were more or less doubtful as a result of the operations of the gang of election crooks, heelers and manipulators which Bob Rogers had pumped into the Province from Manitoba, but, taken as a whole, these men and their nefarious methods have not been successful in alienating the large majority of people from their allegiance to the Scott government, its splendid record, and its determined stand for free trade and larger markets in the interests of the people of Saskatchewan and in

opposition to the big interests of Eastern Canada.

The danger from this horde of heelers is not, of course yet past. It will not be past until the last vote is polled as the Liberal party has positive information that it is the intention of the Rogers' gang to make free use of money during the last two days of the campaign.

Making full allowance, however, for everything that may be done or attempted in this respect it is now clearly evident that it will be absolutely impossible to defeat the Scott Government.

Definite information has also been received at Liberal headquarters of attempts to corrupt deputy returning officers. Some of these have been approached by opposition heelers, and it has also been learned that in some cases trivial charges will be laid against certain deputies by bogus Dominion Police officers, and an effort be made to have them arrested.

It should be thoroughly understood by all deputy returning officers that they have full power to appoint a sufficient number of constables to protect their polls, and that each deputy and his constables have complete control and may arrest any other constables, policemen, or other parties who may attempt to interfere in the proper conduct of the poll.

The so-called Dominion Police are, as already stated "bogus" and their assumed authority should be entirely disregarded by any and all persons. Let it be repeated that the deputy (Continued on page 5)

LOST AN EYE WILL GET A LIFE PENSION

(Canadian Press.)

Montreal, Q., July 13—Losing an eye while in the employ of the Dominion Textile Co., Hermadis Mongeau will get a pension for life under the Employers' Liability Act, according to the ruling of Justice St. Pierre yesterday. The company alleged gross negligence, but the court laid it down as a principle that as the plaintiff was in the employ of the defendant he had a right to compensation. The Dominion of his earning capacity as a result of the mishap was equal to three and one-third per cent., and he thus had a right to an annual pension equal to one-half of this diminution. As he was earning \$735.56 per year, he had a right to a pension of one-sixth of 600 or \$100 and \$11.30 on the balance of his year's salary.

ACTIVITY IN RAILWAY CONSTRUCTION

(Canadian Press.)

Victoria, B. C., July 13—Speaking at the annual meeting of the Board of Trade yesterday, Premier McBride said he had assurances from Vice-President G. J. Bury that the double tracking of the Canadian Pacific Railway between Winnipeg and the Pacific Coast would be carried out speedily and that the cost would be from twenty-five to thirty millions in British Columbia alone. The premier also stated that the Great Northern had decided to build their road over Hope Mountains from Coalmont to Vancouver and that the Canadian Northern would be running accommodation trains into Vancouver from Kamloops in the course of a few months. In all the railroad contracts in the province, either let or about to be let, for \$100,000,000 worth of construction.

Speaking of provincial finances he said the government had at the present moment nine million dollars in cash in various banks of the country.

PUGILIST JOHNSON AGAIN IN TROUBLE

(Canadian Press.)

Chicago, Ill., July 13—Jack Johnson, champion pugilist, who, with his wife, was recently indicted by the Grand Jury on a charge of smuggling a diamond necklace into this country, was arrested yesterday, charged with striking and intimidating Charles Brown, a negro chauffeur, one of the government principal witnesses in the case. Brown was formerly employed by Johnson as a chauffeur. He is five feet in height and slightly built. When Brown entered the pugilists' cafe, Johnson asked him what he told the Grand Jury about the diamond necklace and when the witness declined to tell the pugilist, he is alleged to have struck him a blow in the face.

Johnson was arraigned and the hearing continued until today, after he had furnished a bond of \$5,000.

REPORT IS UNFOUNDED

Churchill did not Request Gift of Dreadnaughts from Canada

Wives of Cabinet Ministers having an Enjoyable Time in the Old Country

London, July 13—It is understood today that the report that the first Lord of the Admiralty had requested Canada to contribute two dreadnaughts to the Imperial Navy is entirely without foundation. The subject was not discussed at Thursday's conference which was taken up with the statement of Sir Edward Grey of the exact position of the international naval position at present. The question of temporary assistance of some kind is suggested as quite possible, but the matter rests absolutely with the Canadian Ministers. Mr. Borden and Mr. Hazen were much impressed with Sir Edward Grey's speech on the International Situation.

Mr. and Mrs. Norton Griffiths gave a luncheon to the wives of the overseas visitors including Mrs. Borden, Mrs. Pelletier, Mrs. Hazen, Miss Doherty, Countess De Bingham, Lady Acken, and Lady Chylesmore.

The next meeting of the Imperial defence committee takes place today after which Mr. Borden with his colleagues and the ladies of the party will lunch with their Majesties, the King and Queen at Buckingham Palace.

Next week the visitors will attend the Royal Garden Party at Windsor to be followed with a state ball at Buckingham palace.

The ministerial contingent will go to Paris on the 27th of this month, remaining in the French capital for four days.

Mr. Borden will accompany Mr. Borden on a visit to the Duke of Norfolk's country seat at the week end while Mr. Hazen remains in London.

Prospective engagements of the party include the imperial government dinner on July 24 and a dinner in honor of Premier Borden at the Carlton Club on the 2nd of August, the premier being an honorary member of the club. The ladies of the party are leading a butterfly existence and are thoroughly enjoying themselves. They are being inundated with invitations among which Mrs. Borden received an invitation to attend a suffragette demonstration in Hyde Park on Sunday which she successfully evaded on the plea of going out of town.

GOVERNOR GENERAL'S ITINERARY PRETTY COMPLETE

Will Arrive here on August 24th--To Attend Reopening of Christ Church Cathedral

The program for the entertainment of H. R. H., the Duke of Connaught, Governor General, during his visit to New Brunswick is yet incomplete, but it is practically assured that the vice-regal party will arrive here on the morning of Saturday, August 24th. A guard of honor will probably be furnished by the 71st York Regt., and an escort by "C" Squadron, 28th New Brunswick Dragoons. His Royal Highness will be present at the services in connection with the reopening of Christchurch Cathedral. A civic reception is also a probable item of the entertainment in this city.

The Duke will arrive at St. John on Tuesday, August 20th and will be in that city two days, on one of which he will be the guest of His Honor the Lieutenant Governor. From August 21 to 24th the Duke will be elsewhere in the province, but it is not yet known just where.

PREDICTS A GREAT CRISIS

Senator Bailey says U. S. may Face a Revolution in 30 Years

Thinks, however, it can be Avoided if the Public men will do their Duty

Washington, July 13—Senator Bailey of Texas, in a farewell address to a score of his colleagues, at a private dinner last night, predicted that if conditions in the United States continue to change as much in the next thirty years as they had in the last thirty years this country would face a condition parallel to that of the French Revolution. The full text of what Mr. Bailey said did not become known until later. He charged that members of Congress by their own cowardice were responsible for a condition of unrest which prevails. He virtually charged the Democratic party with exaggerating the importance of existing evils.

"This republic is near a crisis, which is greater than the wisest think," said senator Bailey. "I do not forget that the French Revolution came while the Governors were at the theatre and that they arose from their banquet tables to come face to face with violence and bloodshed in the streets of Paris. I do not say that the United States is facing such a state of affairs, but I do maintain that if within the next 30 years the country could continue to change as it had in the past 30, we will find ourselves face to face with such a condition at the end of that time."

"Your senators and representatives continued Mr. Bailey, 'can perceive this great crisis and you will do so if you have the courage to go out and tell the public the truth. Every evil which exists in the country today can be corrected without danger to the principles and policies upon which this republic was founded and it should be done.'"

RECEPTION COM. HELD SUCCESSFUL MEETING

Program for Old Home Celebration Nearing Completion--Parade of School Children

The Reception Committee of the Old Home Week celebration met at the City Hall last evening and completed plans for the opening of the capital's big week. Judge Wilson presided at the meeting and an excellent program was drawn up. It is planned to hold a procession of the pupils of the schools of Fredericton and vicinity to the Parliament Square, where the official opening will take place. Mayor Hooper will preside and it is expected that the opening will be attended by His Honor Lieutenant Governor Wood, Premier Flemming and other distinguished gentlemen will also be invited to attend and address the gathering. Prof. Frank Harrison has arranged a splendid program of music and a chorus of several hundred voices will be heard, accompanied by the band.

Everything points to the celebration being the grandest in the history of the city. Mr. D. N. Gagnon has secured the contract for decorating the Parliament Buildings and the Normal School for the Old Home celebration and arrangements are also being made to have the other public buildings decorated and lighted.

String Bean Salad—A salad that will be sure to please the eye, and palate—one quite substantial enough for the principal supper dish—may be made of green string beans cut rather fine, shrimps that have been tossed lightly in a little butter and onion juice and then chilled and the tiny pearl onions that may be purchased in bottles, or omit the onion and use grape fruit pulp free from the outer white skin.

It will not be long before Tasmania has thirty thousand acres of apple orchards.

ORANGEMEN CELEBRATE THE GLORIOUS TWELFTH

Nearly Fifteen Hundred Members of the Order Took Part in the Big Parade at Moncton--Celebration under Auspices of the Grand Lodge of New Brunswick--Grand Master Thomas among the Speakers--Victoria Country Orangemen Celebrated at Plaster Rock

Moncton, N. B., July 12—More delightful weather could not have been ordered than that which favored the Orangemen of the province in the monster celebration of the glorious twelfth in Moncton today. Not only was the weather very satisfactory to the Orange brethren, but it came as a welcome relief to a ten day period of intense heat. The sky was overcast during the day and it was delightfully cool, enabling the Orangemen to parade without feeling the slightest discomfort from heat. On the train from St. John, W. M. Campbell of St. John, was robbed of \$155 by pickpockets.

The celebration was on a grander and larger scale than any previous celebration of the anniversary of the Battle of the Boyne ever held in this section of the province. There were probably 1,500 or 2,000 Orangemen in the procession, which was the largest demonstration of the kind ever seen in Moncton. The celebration was under the auspices of the Grand Lodge of New Brunswick, aided by a committee from the local Orange lodges. The arrangements were such as to justify the committees interested in saying that they scored a great success. Between five and six thousand visitors were in town.

Citizens decorated their business houses and private residences.

SEVEN BANDS.

There were in all seven bands taking part in the celebration.

Special trains arrived in the city from the east, west and north and large crowds thronged the streets and the hotels were all filled to their utmost capacity.

Provincial Grand Director of Ceremonies J. W. Clarke had full charge of the parade and everything was well carried out.

St. John especially sent a very large contingent and made a showing in the procession that excited general comment. The contingent brought three bands with them and the feature of the parade was the appearance and playing of the St. John Highland Band. All along the route this organization was applauded and elicited great praise. St. John's part in the demonstration on the whole, was large and added very materially to the success of the celebration. The Moncton exhibition grounds were the headquarters for the day and it was

from this point that the big parade started and ended.

At 2.30 the local and visiting lodges formed up behind Grand Master B. H. Thomas, mounted on a white horse and with bands playing, banners and flags floating to the breeze, marched along St. George street, down Weldon, along Main to Steadman, then to St. George and back to the exhibition grounds, where the parade was reviewed by the grand master and disbanded.

THE PROCESSION

Grand Master Thomas was supported by P. E. Heine and William Campbell, of St. John county master, as outriders. Provincial Grand Director of Ceremonies J. W. Clarke of this city, had charge of the procession while Cochrane and County Master C. B. Keith were also mounted. Chief of Police Rideout and Sergeant Atkins and Officer Gaw, mounted, headed the procession. The order of the procession was as follows:

Mounted police, Grand Master, Rev. B. H. Thomas on a white horse, William Campbell, county master, St. John; P. E. Heine, Moncton; J. W. Clark, director of ceremonies; Amherst Military Band; L. O. L. 1628 Amherst; L. O. L. 53, Joggins; Newcastle Band; L. O. L. 47, L. O. L. 82, L. O. L. 113, L. O. L. 151, L. O. L. 41, St. John; St. John Highland Band; Carleton True Blues; L. O. L. 24, St. John; L. O. L. 3, St. John; L. O. L. 2, St. John; Summer Garden Band; contingents from Westmorland and Albert Counties; Sackville Band; L. O. L. 102, Sackville; Piper; L. O. L. 107, Sunny Brae; L. O. L. 8, Kelly Lodge, Moncton; L. O. L. 39, Armstrong, Moncton; L. O. L. 62, Moncton; West Seaside Chapter; L. O. L. 42, Upham; St. John Military Band; Queens R. B. P., No 62.

AT PLASTER ROCK.

Plaster Rock, July 12—The most enthusiastic demonstration ever held here was the Orange celebration which took place today. From all outlying sections large delegations of the order came to take part in the observance of the day. The demonstration was in every respect a success. From Debec alone over 1500 persons arrived, a train of nine cars being requisitioned to convey the party. Eight hundred more came

CUT WIFE'S THROAT, THEN SUICIDED

Montreal, July 13—Half crazed it is said by jealousy, Jockey Wintele, a farmer living at Cumberland in the province of Quebec drowned himself in a favorite swimming pool, yesterday after cutting his wife's throat with a razor and mutilating her body almost beyond recognition.

Trouble between the Winteles is said to have been deeply rooted and to have been growing for months. Wintele had talked freely to the neighbors about his marital unhappiness, accusing his wife with intimacy with his brother.

Returning home after a day and a half absence, Wintele found his wife to company with his brother, and angered beyond control he murdered her with a razor.

Her throat was cut from ear to ear and her body slashed and torn to such an extent that it was scarcely recognizable, and a bloodstained razor laying near.

Mrs. Walter Gillis and children, of Ottawa, who have been spending the past month here, have left for the Metapedia, where they will visit relatives for a couple of months before returning to Ottawa.
