COL. GOOD TO GO.

Lieut. Col. W. C. Good of Woodstock, is going to England with the Canadian contingent. Although a veteran of the South African war, and one of the most efficient artillery officers in Canada, he has not been given a place with the Canadian artillery. Col. Good has been at Valcartier since the camp opened waiting for a chance. He will go to England as a supernumerary and may be attached to a British artillery brigade. It seems strange that Col. Good should be passed over and men with little military training should be appointed to important positions and then promoted without first having passed the qualifying examinations.

When the result of the house-to-house canvass of the entire city in the interest of the local branch of the Canadian Patriotic Fund is announced tomorrow it is believed that it will be shown that the \$12,000 has been reached.

Already the contributions to the fund amount to \$10,500 and further subscriptions are being daily received by the treasurer, Lt.-Col. T. G. Loggie.

It is expected that the house-to-house canvass being conducted by committees from the different women's organizations will be completed late this afternoon in order to have the collectors submit their reports at the meeting of the general committee to be held this evening in the Board of Trade rooms.

From what can be learned the women have been meeting with a hearty response from the citizens and Mrs. R. M. Campbell of Wellington Ward, has made her returns, showing a collection of \$59, one of the residents of her block having contributed \$50. Mrs. G. C. C. H. BURTT

DIDN'T TOOT HIS HORN.

Globe--Mr. J. Fraser Gregory was reported for not tooting his horn while passing the corner of Union and Dock streets on the 26th of September. Officer Dykeman made the report and testified that on Saturday evening, between eight and nine o'clock, Mr. Gregory went by Union street without tooting his horn. Mr. Gregory pleaded guilty to not tooting the horn but was unaware that it was contrary to the bylaw. He considered the abominable tooting of horns an infringement on the rights of citizens and said that he would continue to break the law rather than make himself a nuisance to the public. Officer Dykeman said that Mr. Gregory was a careful driver and that he was always very courteous. The case was dismissed.

The funeral of the late Mrs. Mose Barker took place this afternoon from her late home at Shirley, Sunbury county, and was very largely attended. Rev. Mr. Bertram conducted the services and interment was made at Shirley.
