Had a Dry, Tickling Sensation In Her Throat.

COUGHED ALMOST ALL NIGHT.

A bad cough, accompanied by that distressing, tickling sensation in the throat, is most aggravating.

Dr. Wood's Norway Pine Syrup is rich in the healing virtues of the Norway Pine tree, and for this reason it will quickly stop that tickling in the throat which causes the dry hard cough that keeps you awake at night.

Miss Margaret MacDonald, Port Hood, N.S., writes:—"Just a few lines to let you know what Dr. Wood's Norway Pine Syrup did for me. I took a severe cold, coughed almost all night, with that dry, tickling sensation in my throat. The first bottle did me so much good, I thought I would try a second one, which I am pleased to say resulted in a complete cure. I can strongly recommend it to any one suffering from a cough or any throat irritation."

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper, 3 pine trees the trade mark; price, 25 and 50 cents.

Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

PEACE NEGOTIATIONS

BEGIN ON MONDAY

London, Dec. 13—The formal work of the peace delegates representing the Ottoman Empire and the allied Balkan nations begins on Monday next when the delegates will open discussion which, if successful will have the effect of recharting the map of the near east. When the plenipotentiaries gather with their secretaries and stenographers a group of forty or fifty all told, in the historic St. James Palace, they will find themselves amid surroundings most conducive to peace. The "picture gallery," which has been selected as the conference room is the most secluded apartment in the palace. It overlooks a century old grass grown quadrangle, entirely shut off from the turmoil of the London Streets. On its walls are hung portraits of all the English sovereigns from Henry VIII., with that of Edward the Peace Maker in a prominent position.

London, Dec. 13—King George, Sir Edward Grey, the British Foreign Secretary and Premier Asquith will entertain the peace delegates to-day had not settled on any definite dates.

The first call made by the visitors today was the British Foreign office where Sir Edward Grey warmly welcomed them. Subsequently the cards at Buckingham Palace and at the private residence of Premier Asquith.

London, Dec. 13—The strictest instructions have been given to the peace delegates to insist on the cessation of Adrianople, Scutari and Janina, according to a Sofia despatch to The Times.
