"In the Case of MY Little Girl—"

In choosing and using a soap for your "Little Fairy" you will find no soap so mild, so neutral, so agreeable to tender skins as FAIRY SOAP.

Being made from products that you could eat, FAIRY SOAP agrees with even the tender skin of a babe.

FAIRY SOAP

is white—pure—floating. It comes in a handy oval cake. We could charge you five times the price asked for FAIRY SOAP and we could add nothing to its quality.

In higher-priced soaps you are paying for high-priced perfume and fancy wrappers—not better soap.

CANADIAN PRO TEAMS WILL PLAY NEW YORK SERIES

Vancouver, Quebec and Wanderers
Selected—Five Games for Purse
of \$5,000 are Arranged

New York, March 4—Following up on the close of the Amateur Hockey League tournament, the annual series of games between the Canadian professionals will begin at the St. Nicholas rink. Arrangements were completed for five games on alternate nights. Instead of utilizing the three leasing teams in the Stanley Cup championship series, as before, arrangements have been made to have three different sections of Canada represented by the best teams of professionals that can be organized.

Vancouver will represent the west, the Wanderers of Montreal the middle section and the Quebec champions will uphold the hockey prestige of the east. This will bring together the best available professionals in a series of games which gives every indication of being more keenly contested than the Stanley Cup finals.

They will play for a purse of \$5,000, the three teams meeting in three preliminary games and two finals in which the aggregate number of goals will determine the winner.

Milwaukee, March 4—The suspension of Packey McFarland for one year from engaging in boxing contests in Wisconsin ordered by the Wisconsin Boxing Commission on Dec. 15, for alleged "shelling" in a contest with Jack Britton in Milwaukee on December 3, was today set aside by Judge Eschweiler of the Circuit Court as he said the proceeding was irregular.

The suspension ruling of the Milwaukee day stands however, as McFarland was given an opportunity then to be heard by the commission, but failed to appear or send counsel.

JOHNSON TALKS FIGHT IF FEDERALS WANT IT

Ready to Make Court Test of Reserve Rule—Confers With Somers of Cleveland and Will Balk Him to the Limit

Chicago, March 4—Pres. Johnson of the American League and Pres. Chivington of the American Association were among the baseball notables who left here today for New York to meet the world tourists, August Herrmann, chairman of the National Commission, and twenty others from Cincinnati will join the party on the way.

"If the Federal Leaguers want war they can have it," said Pres. Johnson as he boarded the train. He discussed briefly Pres. Gilmore's threat of war, conveyed in telegrams yesterday to him and to Pres. Tenen of the National League, and in the foregoing phrase showed the attitude of organized baseball toward the Federals. He said he would not answer the telegram.

"Organized baseball does not fear any war," said Johnson, "As for the Blanding case, on which Gilmore's complaint of injury is based. Pres. Somers of the Cleveland Club was confident that he was within his rights in resigning the pitcher. I have personal knowledge that Blanding never wanted to leave the Cleveland club."

Pres. Johnson refused to discuss the reserve rule, but said that the American League was ready at any

TO BACK SOMERS TO LIMIT

Cleveland, March 4—"The organiza-

tion will back the Cleveland Club to the limit, should the Federal League carry out its threat to wage war for the services of Pitcher Blanding," said Pres. Ban Johnson of the American League tonight after a conference with Charles W. Somers owner of the Cleveland club.

"Pitcher Blanding returned to the Cleveland Club of his own volition," continued Johnson. "Neither Mr. Somers nor I prevailed upon him to return. The other members of the club, realizing the strength that Blanding would add to their team, and with visions of a possible World's series, petitioned the pitcher to return."

"In a public statement Blanding admitted that he made a mistake when he joined the Federals. We will protect this player to the limit, and the fact that he deserted the organization at an earlier date will not lessen the strength of our campaign of protection."

Johnson scoffed at the idea that the organization was fearful of the outcome of the baseball war. "I think the Federals are the worried ones," said he.

Preceding the Johnson party by a few minutes were Pres. Gilmore of the Federal League and George Stovall, manager of the Kansas City Federals. They also were on their way to New York to meet the members of the around-the-world party.

"We Want Rainbow"

If a cook is to be judged by the bread she bakes, don't blame her when she asks for Rainbow Flour.

She knows it is whiter and cleaner than other flours. She knows that it makes lighter, whiter better-textured bread.

For, while some flours include as much as 90% of the grain of wheat, only about 40% of the grain is fine enough to meet the extra-high Rainbow standard.

Give the cook Rainbow and she will reward you with the tastiest bread, cake and pastry you ever ate.

In using Rainbow Flour for pastry, less flour is required and more water (added slowly).
