But Came Around After Some

They threatened to quit the club in ten days if their demands were not granted.

After Herzog had a conference with Pres Herrmannit was announced that Davenport had receded from his position, on the ground that he had been misinformed. He departed with the team. Marsans will meet Pres. Herrmann tomorrow.

FOUL TIP WORTH THIRTY-FIVE HUNDRED

Kansas City, June 2—An opinion by the Court of Appeals which today awarded Chas. C. A. Edding, a lawyer, \$3,500 for being hit in the nose by a foul ball while watching an American Association game said, "if Kansas City 'Blues' kept their eyes on the ball with the accuracy that they contend Edding should have exhibited, they would have attained a higher place in the pennant race."

FEDERALS ARE AFTER EXETER SCHOOL CAPTAIN

Exeter, N.H., June 3—Benjamin Neal, of Waite, Me., the Exeter captain and first baseman, has been offered a contract by the Brooklyn Federals when he completes his season next Saturday in the annual game with Andover. Neal made his letter in football, baseball and track athletics for four years and expected to enter Brown University next fall. Just what Neal's plans are is not known, but it would not be surprising if he accepts the offer made by the Brooklyn Federal scout who has watched him play in several games this Spring.

FABRE IS IN BAD POSITION IN MONTREAL ATHLETICS

National A. C. Tell of the Jumping
Propensities of the Noted French
Long-Distance Runner

(Montreal Mail.)
That Ed Fabre committed a gross mistake when he started jumping from one club to another was made plain yesterday when R. Dumouchel, one of the National directors, explained the entire matter to The Daily Mail as far as the Nationals are concerned. It appears that Fabre has run twice under false colors, that he is entered for Nationals and then at the last moment decided to compete for Richmonds.

During the past winter Fabre, who is a snowshoer, jumped from Richmonds to Les Francs Rueders S.S.C. Then he became dissatisfied with conditions at this club and decided to go back to the Nationals. This spring, when Fabre expressed his intentions of running in the Boston Marathon again, he consented to run under the National colors and he was therefore asked to turn out to the grounds and be put in charge of a competent trainer. Instead of doing this, Fabre never turned up at the grounds, the first notice the club receiving of Fabre's decision being the announcement in the newspapers that he would run for the Richmonds.

The Nationals do not wish to say that the Richmonds induced Fabre to jump from their association, but the whole point seems to lie in the fact that the Richmonds got all the credit for Fabre's showing, while the Nationals, who have spent over a thousand dollars on him, are not even mentioned. The only thing that the Nationals want is to have their rights protected.

"These fellows have no respect for authority," said Mr. Dumouchel in speaking of Fabre.
On Friday evening the whole matter will be threshed out before the A.A.U. of C. and it will probably end in either a reprimand for Fabre or a suspension.

DINSMORE TO PITCH FOR MONCTON TEAM

(St. Croix Courier.)
Alton Dinsmore is spending a few days with his parents, Mayor and Mrs. Dinsmore, but leaves this week for Moncton, where he has been engaged to pitch for the Moncton ball team. Dinsmore is a good man in the box and it is a source of disappointment to the local team that he is not to play at home this season.

ZBYSCZO DRAWS WITH AMERICUS AT BALTIMORE

Baltimore, June 4—The wrestling match here tonight between Zbyszko and Americus (Gus Schoenlein) of this city, was declared a draw. After the men had contested for fifty-nine minutes and forty seconds, Americus fell off the stage and injured his back and ankle.

WARNER CHARGED WITH PAYING MEN AT CARLISLE

Jim Thorpe and Other Indians Received
Money--Indian Department is Investigating the Matter

Washington, June 3—That Glen Warner, the famous Carlisle Indian football coach, paid James Thorpe, the Olympic champion and star football player, 500 to join the Carlisle team; and maintained a staff of paid players who were not students at Carlisle, is charged in the report of Inspector E. B. Linnen, for the United States Commission of Indian Affairs, in an investigation of the Carlisle School scandal.

Warner, who had access to the athletic fund of the school, is seriously sent to the football stars, including funds, and is accused of making pre charged with manipulation of the watches, charms, medals and clothing.

All the evidence against Warner has been turned over to the Department of Justice by Linnen. Senator Robinson, of the special committee which investigated conditions at Carlisle, said the evidence was brought out under oath.

Among the favored Indian athletes mentioned in the report are Frank Mouni Pleasant, William Garlow, Gu. Welch, Antonio Lubo, Peter and Frank Hanser, Lewis Tewanini and others, all famous Indian football players or track stars. The charges made by Linnen constitute a most damaging report, and it was virtually admitted that the Department of Justice is about to start action.

OBEYING ORDERS.

The first and last duty of a common soldier is to obey orders.

In a seaport town a general and an admiral were neighbors. The general's house was fronted by a grass plot on which he claimed the right to pasture a cow.

One day his wife complained that the supply of milk was falling off. The sentinel accounted for the deficiency by saying that the grass had lately been much trodden down by the public.

The martial despot immediately gave orders that no animal, human or other, except the cow, should be allowed on the grass plot; and he added—men were not particular in those days—that if this rule were infringed, the sentinel should be flogged.

Soon afterwards the admiral's wife having a pressing engagement, took a short cut over the grass in disregard of the sentinel's repeated order to halt.

"My man," said the offended lady, "don't you know who I am?"
"All I know is that you are not the general's cow," was the reply.

BACK TALK.

Howard Elliott, president of the New Haven Lines, said at a dinner in New York:

"I don't encourage back talk among our employees—far from it—but I must say my sympathies are rather with one of our conductors who ventured, under great provocation, on a little back talk the other day.

"As the conductor was punching tickets a man said to him, with a nasty sneer:

"You have a lot of wrecks on this road, don't you?"

"Oh no," said the conductor, "You are the first I've seen for some time."

RITCHIE BACKS OUT OF MATCH WITH FRED WELSH

Thiry Met Welsh's Manager and
Threw Every Obstacle in Way of
Bout at London

New York, June 3—Willie Ritchie will not box Fred Welsh in London for the lightweight championship of the world.

Once again the American champion has run away from the match this time by proxy. Emil Thiry, representing the Californian in this matter, met Bob Vernon and Harry Pollok yesterday afternoon and put such obstacles in the way of a meeting that nothing was left to do but abandon it.

Thiry declined to put up a forfeit to guarantee Ritchie's appearance, insisted on naming Eugene Corri as referee and also on selecting the stakes holders. Vernon, who represents promoter Chas. Cochran, of London, was willing to waive the referee matter for the present, as was Pollok also. But Cochran had asked his friend, George Considine, to hold the stakes, and Thiry would not consider him. Even that might have been smoothed over, but the blank refusal to post \$5,000 for forfeit money or any other amount made the bout impossible. Thiry left for Chicago last night.

THE YOUNG IDEA.

Our friend the grade teacher sends us a few more queer answers from the spring examinations. One explains that if she had started two years ago she could have done better. At present we shall have to use these:

Q.—What did the constitution do for the country?

A.—It gave the President a head.

Q.—What is yeast?

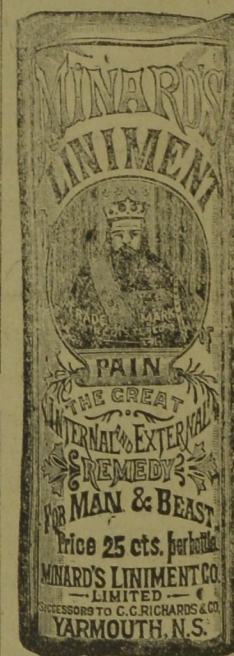

A.—Yeast is a vegetable flying about in the air and hitching itself on to anything.

Q.—If you were travelling across a desert where would you choose to rest?

A.—On a bed or sofa.

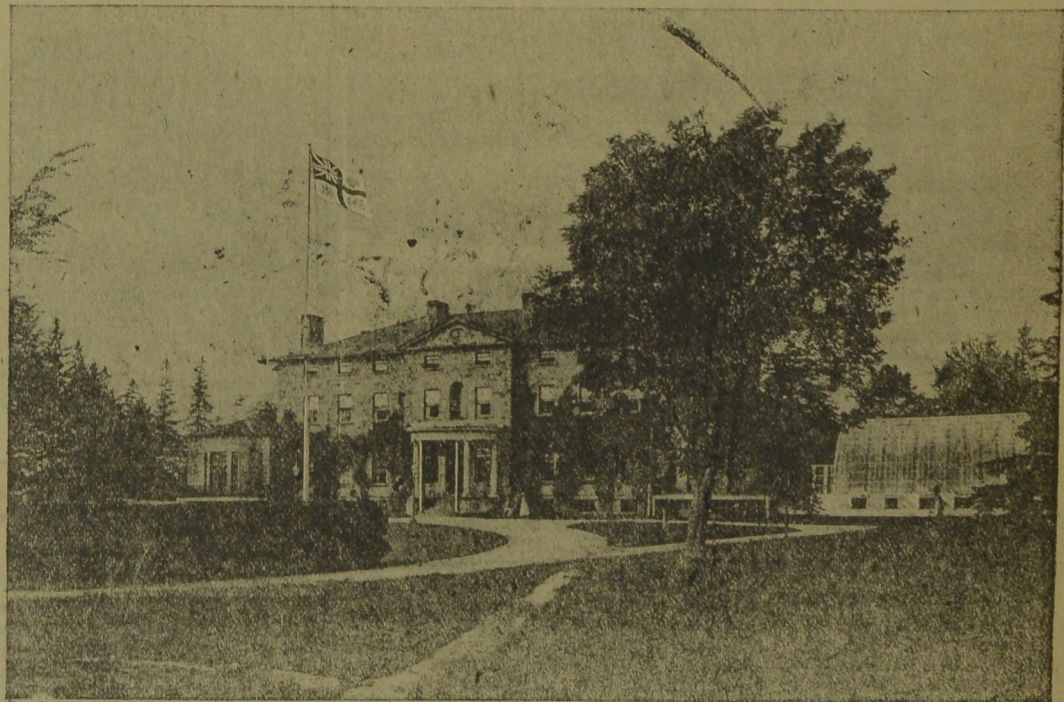

Q.—Describe the habits of a useful domestic animal of the temperate zone.

A.—The cow is a temperate and domestic animal. It has no habits.
