"In the Case of MY Little Girl—"

In choosing and using a soap for your "Little Fairy" you will find no soap so mild, so neutral, so agreeable to tender skin as FAIRY SOAP.

Being made from products that you could eat, FAIRY SOAP agrees with even the tender skin of a babe.

FAIRY SOAP

is white—pure—floating. It comes in a handy oval cake. We could charge you five times the price asked for FAIRY SOAP and we could add nothing to its quality.

In higher-priced soaps you are paying for high-priced perfume and fancy wrappers—not better soap.

BARON SCOTT GOES TO THE COX STABLES AT DOVER

Murphy Also Tried to Get Him—
Raced on Grand Circuit Last Year

The most recent addition to the stable of Walter Cox is five-year-old trotting stallion Baron Scott, 2:28½, bred by Jack Crabtree. The son of Peter the Great and Jenny Scott was bought by Sanford Small and Cox last week of Walter Hanley of Providence, for a five-figure price.

Peter Scott has been in the stable of James Carpenter at Readville, three years and at the two-minute track the regular rail-birds regard him as the best trotter trained there since Bob Proctor had Uhlan. Last year Carpenter raced the horse a little and at Rockingham and Hartford he was a pretty comfortable second, showing in both starts to be a lot better than a 2:10 trotter.

Murphy was anxious to get him and it was generally regarded as a sure thing that he would race under the red, white and blue of the Poughkeepsie reinsman. He is now quarantined at the Dover track and if he trains up to expectations will sport the canary and white of the tall Yankee in some of the rich purses of the Grand Circuit.

PRESENT CURLING SEASON MAY BEAT ALL RECORDS

Ice at Rink is in Magnificent Condition—Matches Played Last Night—Two Rinks of M. P. P.'s May Play Tonight Against Local Curlers—Distribution of Prizes Tomorrow Night

The curling season of 1913-14 as far as the Fredericton rink is concerned, bids fair to go down in history as a record one for length. Heretofore March 25 has been the latest date for playing but there is every prospect of the ice at the Curling Rink being in condition for playing after that date. In previous seasons there has been playing as late as during the present one but the ice never remained continually in such good condition.

LAST NIGHT'S RESULTS.

Last night two matches were played. In the Kindergarten Series the results were:

G. A. Inch 23, G. A. Taylor 7.
E. J. Miles 22, T. A. Belmore 12.
The latter match was an eighteen-end, the first of that length to be

played so late in the year.

For tonight an attempt is being made to arrange a match between two rinks of members of the Legislature and two rinks of Fredericton curlers.

PRESENTATION OF PRIZES.

Prizes are to be presented tomorrow night after a match and evening. C. F. Randolph's rink has won the Managing Committee Series. J. Robert Howie's has won the Kindergarten Series. The McLellan Cup goes to Vice-President R. B. Vandine, whose rinks won the series.

Tomorrow night's proceedings will not close the season however, as there is an intention of playing just as long as the ice permits. The ice was sprinkled last night and froze well during the night.

WANDERERS WIN PURSE OF \$5,000 IN NEW YORK SERIES

Quebec Won 8 to 6 Last Night But
Total Number of Goals was too Small

New York, March 23—In the most brilliantly played game of hockey seen at the St. Nicholas skating rink in years the Quebec six defeated Wanderers of Montreal by eight goals to six tonight. However, the Quebec aggregation did not score enough goals to win the series and the five thousand dollar purse offered as a prize went to the Wanderers. The total scores counted on the prize. The Wanderers defeated the Quebec six by nine goals to four on Saturday night the Montreal six took the series and the prize by the grand score of fifteen goals to twelve.

Although the contest was of the whirlwind variety, it was clean as a whistle until the third period. The Quebec team was the aggressor throughout and as it continued to cut down the lead of the Montreal six the latter players resorted to rough-house work to hold their lead. The climax arrived when Art Ross and Mummery got into a fight and rolled around the ice locked in each other's arms. They were quickly separated and both sent to the boards to cool off.

One of the largest crowds that ever packed its way into the rink witnessed the game.

The teams:

Wanderers	Goal	Quebec
Lehman	Point	Moran
Ross	Cover	Mummery
S. Cleghorn	Centre	Frodgers
Kendall	Left Wing	Malone
Hyland	Right Wing	Crawford
O. Cleghorn		Harris

Racing under saddle will be featured at the Cleveland, Pittsburgh and Syracuse matinees this summer.
